Please see the Assembly question tabled by the Hon'ble member in the Cb. Attention is solicited to the papers al- (K) & the minutes of HM (E&L) on p 1 of (K). Most of the requests contained in the resolution have already been examined and a suitable reply was also sent to the President of the South India Teachers' Union. In this connection it may be noted that it is not usual for Govt. to take action on the resolutions. A draft answer submitted is submitted for approval. The file may be sent to HM (E&L) for approval of the draft answer.

THE HON. SRI H. SITARAMA REDDI:—"I could not give definite information. I would suggest to the hon. Member to put a separate question. That was a case treated on quite different grounds and not on political grounds."

SRI M. P. GOVINDA MENON:—"Since there are no Government lands available in the district of Malabar to be assigned to the political sufferers and there are not going to be cash payments, is there any alternative scheme as far as the political sufferers in this district are concerned?"

MR. SPEAKER:—"The hon. Member may put a separate question."

Madras Provincial Educational Conference.

* 257 Q.—SRI K. T. KOSALRAM: Will the Hon. the Minister for Education be pleased to state—

(a) whether the Government have received a resolution passed at the 39th Madras Provincial Educational Conference held at Kurnool in May 1949; and

(b) if so, what steps the Government have taken on the resolution?

THE HON. SRI K. MADHAVA MENON:—" (a) & (b) The Government have received a copy of all the resolutions numbering 13. It is not clear to what particular resolution the questions relate to give an answer."

SRI K. T. KOSALRAM:—"Is the Hon. Minister aware that the difference in scales of pay seriously affects the standard of education in different schools, private, local boards, etc., and if so, whether the Government would issue immediate orders to rectify the same?"

MR. SPEAKER:—"How does this arise out of the question?"

SRI K. T. KOSALRAM:—"This is contained in the resolution referred to by me."

THE HON. SRI K. MADHAVA MENON:—"The question is whether the Government have received a resolution passed at Kurnool and what steps have been taken on the resolution? We have 13 of these resolutions and I do not know to which particular resolution my hon. Friend refers to. It is not possible to equalize the pay of all teachers because there is inequality in other departments than education also."

The papers may be recorded as G.O.
