Sir,
Subject:- Grant of Special pay of Rs.10/- from 23--8--49--
re-consideration and retrospective effect from 1-1-47--requested.

Reference:- G.O.No.2638, Education, dated 23--8--49.

In grateful obedience to your above order, I beg leave to place the following for your sympathetic re-consideration and favourable orders.

I have put in more than 31 years service in the Board from 5--8--1918. Ever since I passed B.A. in 1932, as rules did not permit non-graduates to handle high school classes, I am being given work in the high school--English, Mathematics, (A and C Group), sanskrit, and Vernacular Translation and Composition, according to the needs of the Time Table. I was once assistant Examiner for the S.S.L.C.Public Examination in 1943. From 1-4--1933 to 1-1-47 I was drawing Rs.55/- only while others with equal qualification were getting Rs.80/- as they were entertained in the Intermediate Grade. In just appreciation of the work of an old servant of the Board, the Special Officer, being in close touch, recommended me the maximum of the scale from 1-1-47. Mine is a unique and solitary instance in the Board and the difference between what was prayed for and what is granted is only Rs.10/- with an annual decrease of Rs.2/- from 1-1-47 till the maximum of Rs.85/- is reached in 1952, the year of my retirement.

So in consideration of the services of an old and willing worker of the Department I pray leave to appeal to your mercy to reconsider my case and grant me the maximum of the grade, Rs.85/- per mensem from 1-1-47 or order retrospective effect for the special pay of Rs.10/- I have been having high school work during the academic years 1946-47, 1947-48, 1948-49 and 1949-50.

Yours faithfully,

K.S.Rangaswami
Assistant.

SECRETARY, EDN. AND P.H. DEPT.
11 JAN 1960
GOVERNMENT OF M. ERAS

The pay of the secondary grade teacher was fixed correctly
at Rs 63 from 1-1-47 in the revised scale of Rs 45-2-85. He
requested that as a special case his pay ^{might} be fixed at Rs
85 the maximum in that scale in view of the fact that he
stagnated at the maximum of the old scale of pay ^(Rs 30-2/2-50) for a long
time. As weightage ^{to} had been allowed in fixing his pay in the
revised scale, his request for the grant of higher pay was
inadmissible and ~~was~~ refused, but in view of the fact ^{that} he had

been entrusted with teaching in the higher forms, the grant of a special pay of Rs 10 p.m. was sanctioned in G.O. No 2630 Edn dated 23-8-49 with effect from the date of the order. ^{vide notes connected with the G.O.} ~~He requested the Govt to reconsider the orders and allow him the maximum pay of Rs 85 in the time scale with effect from 1-1-47 or in the alternative to sanction the special pay of Rs 10 p.m. may be sanctioned with retrospective effect.~~ As the grant of higher pay is inadmissible, the Govt passed orders in Memo No 95451 B1/49-5 Edn dated 3-1-50 that they had no objection to the special pay being allowed with retrospective effect provided the sanction of the District Board is obtained to ~~the~~ ^{its} payment and the expenditure for the period prior to 23-8-49 on the grant of the special pay is met from the funds of the District Board. As the District Board ^{has already} agreed to the grant of a pay of Rs 85 from 1-1-47, there will be no difficulty in obtaining the sanction of the District Board to the grant of the special pay with retrospective effect. Under the present arrangement the petitioner will be drawing annual increments in the ^{revised} scale of pay of secondary grade teachers until his retirement ^{in 1952} and he will, in addition, draw a special pay of Rs 10 p.m. so long as the dearth of L.T. Assistants continues and the petitioner is entrusted with teaching ^{work} in higher forms. Even if his pay is fixed at the maximum ~~of Rs 85~~ of Rs 85 in the scale of pay as secondary grade teacher ^{from 1-1-47 which is clearly inadmissible under the rules} he will still have a claim for the grant of special pay if he is entrusted with teaching in the higher forms. His alternative request to grant the special pay with retrospective effect has been complied with in the Memo on page 1 n-f.

May be circulated to H.E. (Edn) with reference to his minutes as per ante

On 1-1-50 the teacher would have had another increment in the scale of Rs 45-2-85 and his pay would have been Rs 89. Including the special pay of Rs 10 granted for teaching higher forms, the pay of the teacher is Rs 99. Considering the fact that he stagnated at Rs 50 the maximum of the old scale of Rs 30-2-50 for 13 years (1934 to 1946) and his qualifications (BA + Secondary Grade), the proposal of the Dist. Board to allow him the maximum of Rs 85 in the ^{revised} scale of Rs 45-2-85 may perhaps be complied with under the ~~former~~ ^{present} rules.

"rules regarding the power of Govt. to relax rules and regulations in individual cases in respect of Dist. Board. In that case, the special pay of Rs 10 may be stopped. L.A. and Finance may see prior to circulation."

May be perused and passed on to Fin. The petitioner himself wanted that he should be given either a pay of Rs 85/- per mensem from 1-1-47 or a spl. pay of Rs 10/- from 1-1-47. In Memo No. 95451 B1/49-3 Edn dated 3-1-50, the latter request, viz., special pay with retrospective effect from 1-1-47 has been granted. There seems to be no case for the relaxation of the rules suggested at B above. The file may be passed on to Fin.

Finance (E.III)

(Previous Finance note on page 3 above).

The minutes of H.M. (E & L) and the notes on pages 5-7 above may be perused.

Sri K.S. Rangasami Iyengar, Assistant, Board High School, Lalgudi, (the petitioner) requested in his representation to Government in November 1949 that he might be granted either ^{the} maximum of the grade, viz. Rs. 85/- per mensem from 1-1-47, or ^a special pay of Rs. 10/- with retrospective effect from 1-1-47, in reconsideration of the orders issued in G.O. 2638 Education dated 23-8-49 wherein the Government did not approve of the proposal of the District Board, Tiruchirapalli, to fix the pay of the petitioner at the maximum of the revised scale.

In Memo No. 95451 B-1/49-3 Education dated 3-1-50 Government, however, sanctioned the special pay of Rs. 10/- to the petitioner with retrospective effect from 1-1-47, provided the extra expenditure for the grant of special pay for the period from 1-1-47 to 22-8-49 ^{is} met entirely from the funds of the District Board.

2/. E & P.H. have now suggested that the proposal of the District Board to allow him the maximum of Rs. 85/- in the revised scale of Rs. 45-2-85 may be complied with under rules regarding the power of Government to relax rules and regulations in individual cases in respect of District Boards and that the special pay of Rs. 10/- already granted may be stopped.

L.A. have observed that ^{as} the second ^{alternative} request of the petitioner has been granted in the memo on page 1 above, ~~and that~~ there seems to be no case for the relaxation of rules as suggested by E & P.H. at 'B' on page 6-7 above.

3/. It seems the power of Government to relax rules and regulations in individual cases ^{should} ~~cannot~~ be exercised ^{on} ~~too frequently~~ ^{involving real hardship} for personal considerations. ~~It also appears that~~ the so called period of stagnation was ~~also~~ taken into account for purposes of ^{fringe} advance increments in the scale of Rs. 45-2-85. There does not seem to be any case for allowing the maximum of the scale ~~in the present case~~, as much a ^{fringe} thing is not admissible even in Government service. In the above circumstances, this Department may agree with the view of L.A. at 'V' on page 7 above.

Please see the minutes of H.M. (Edn and Law) on page 5 ante and the notes thereon. In G.O. No 2638 Education dated 23-8-49 the Govt declined to approve the proposal of the District Board, Thiruchirapalli, to fix the pay of Sri K.S. Rangaswami Ayyangar, Secondary Grade Assistant, Board High School, Ialgudi, at the maximum of Rs 85 in the revised scale of pay of Rs 45-2-85 from 1-1-47. In his representation to Govt in November 1949, the teacher requested that he might be granted either the maximum of the grade viz. Rs 85 p.m. or a special pay of Rs 10 p.m. for handling higher forms with retrospective effect from 1-1-47. As the first request is ~~in~~ ^{ad}missible under the rules, the alternative request for the grant of a special pay of Rs 10 p.m. was allowed subject to the resolution of the district board. ~~Please see memo on page 1 ante.~~

2. If the request for fixation of pay at Rs 85 is complied with, it would mean the grant of six advance increments in the revised scale over and above the weightage already given which is inadmissible. Finance have pointed out that there is no case for the grant of the request even by a relaxation of rules. The petitioner may not be the solitary case of a secondary grade teacher who had stagnated at the maximum of the old scale of pay for a long time, and if any concession is allowed in this particular case it will have to be allowed to all those who are similarly placed.

3. The file may be circulated to H.M. (Edn and Law) with reference to his minutes on page 5 ante.
