"VERY URGENT".

OFFICE OF THE SUPERINTENDENT, GOVERNMENT PRESS, MADRAS.

No. 6708/Skr/E & M.E./50.

Dated 3rd February '50.

From Janab R. Siddique,
Superintendent, Government Press,
Mint Buildings, Madras.

To The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir, Sub: Government Press - Water Pump set - Replacement.

I submit that the existing pump set for pumping well water to Mono, Lino machines and the lavatory etc., is not in working order owing to long wear and tear. This was erected about sixteen years ago by P.W.D. at the time of the Remodelling of the Government Press, Mint Buildings, Madras and the expenditure on this item was included in the estimate approved in G.O.No. 3527-W, dated 3-12-1929 as amended by G.O.Ms.No. 474 W P.W. and Labour, dated 24-2-1931. It is beyond economical repairs and is to be replaced immediately; otherwise there will be a dislocation of work in the Lino and Mono sections of the Press. I have called for quotations from the local firms, and quotation of Messrs. Gordon Woodroffe & Co. Madras for one P.S.G. Pump (C.I. Impeller) with P.S.G. Motor English Make T.P.I.C. Switch fuse and Star-delta Starter for Rs 583-15-0 is the lowest. In the circumstances stated, I request Government to accord sanction of a sum not exceeding Rs 700/- for the purchase of Water pump set including cost of freight and sales tax.

As the original expenditure was met out of the Civil Works, I request that in view of urgency of the work, I may be authorized to purchase the Water Pump set. It will be erected by my Electrical and Mechanical Engineer, who is qualified to do the work. Debit for the expenditure will be passed on to the Civil Works after the work is finished.
