R.C.15388-49A4. dated the 24th January 1950.

Sir,

Sub:-- Post War Reconstruction - Resettlement of Ex-servicemen Training -- Training of Physical Training Instructors in the Y.M.C.A., College of Physical Education-- Second Short Course - Conducting of.

Ref:-- Government Memorandum No.85773/48-II-C1 Public Health Department dated 4-12-48.

The Chief Inspector of Physical Education, Madras, has informed me that there is a great demand for physical education instructors throughout the Province, that a large number of ex-servicemen are anxious to undergo physical training course, and that it would be a great help rendered to ex-servicemen if a short course of training is conducted as was done last year. I addressed the Director of Public Instruction in the matter. The Principal of the Y.M.C.A., College, who was requested to intimate whether he would undertake to run the course as before, wrote to me on the 23rd instant that he would be willing to undertake to run the training course for forty ex-servicemen from the beginning of March 1950 for a period of three months instead of from May to July. In view of this and of the fact that a meeting of the Committee for the administration of the Post War Services Reconstruction Fund is proposed to be held on 3-2-50, I am approaching the Committee with a request for a grant of Rs.15,300 to meet the expenditure connected with the training course. I enclose a copy of my letter to the Honorary Secretary of the Committee together with a note on my proposal for the second short training course. I shall report the decision of the Committee to Government after the meeting is over.

Yours faithfully,

SPECIAL: R.C.No. 15388/49-A4. Dated the 24th January, 1950.

Sir,

Sub:-- Post War Reconstruction -- Resettlement of Ex-servicemen -- Training of Physical Training Instructors in the Y.M.C.A., College of Physical Education, Madras Second Short Course-- Conducting of.

Ref:-- My letter No. 2154/46-C3 dated 17-8-48.
2. Your letter dated 13--9--48.

As you are aware, I submitted proposals in my letter No. 2154/46-C3 dated 17-8-48 for the training of forty ex-servicemen as Physical Training Instructors for a period of three months in the Y.M.C.A., College of Physical Education, Saidapet . The Post War Services Reconstruction Fund Committee was pleased to sanction the expenditure connected with this training course. Forty ex-servicemen were trained by the College for three months from 9-5-49 to 9-8-49. Thirty-nine of the candidates came out successful in the examination held at the end of the course.

2. The Chief Inspector of Physical Education, Madras, writes to me that there is a great demand for physical Education Instructors in the province, that a large number of ex-servicemen are anxious to undergo physical education training and that it would be most helpful in funds can be provided for this course, as was done on the last occasion. I enclose a copy of his letters for the information of the Committee.

3. I requested the Principal, Y.M.C.A., College of Physical Education, Saidapet, Madras to let me know whether he could undertake to run the course as before. The Principal has agreed to undertake the three months' course for training 40 ex-servicemen for a period of three months from March to May 1950 subject to the conditions and terms described in paragraph 4 of the note enclosed. He personally represented that it would not be possible for the college to run the course from May to July as on the last occasion because the staff of the College would be denied the benefit of summer vacation. He therefore, proposes to conduct the course from March to May 1950. As on the last occasion he requests that a sum of Rs.15,000 might be paid to the College towards the expenditure connected with the conduct of the course. The course will be run according to the conditions and instructions laid down by the Director of Public Instructions and in consulation with the Chief Inspector of Physical Education. As the last course has proved benificial to ex-servicemen and also met a demand for physical education instructors in the educational institutions in the Province I request that the Committee may be pleased to approve the proposal and sanction the expenditure of Rs. 15,300 for the course as per details furnished in the note enclosed.

4. On the last occasion, the Committee sanctioned Rs.15,000 towards the expenditure of the training course. The Principal of the College tells me that there should be wide advertisement so that ex-servicemen with suitable educational qualifications might apply for the training course. A sum of Rs. 300 is now included in the estimate to cover the cost of advertisement in the local dailies. I have already adopted the D.P.I. in the matter. I am keeping the Government informed of this proposal.

(Conted---2)

Their orders will be obtained after the Committee sanctions the necessary expenditure.

5. As already stated by me, the Principal, Y.M.C.A., College, proposes to commence the course by the beginning of March 1950. I therefore request that this subject may kindly be included in the agenda for the ~~xxxxxx~~ meeting to be held on 3-2-50, and to obtain sanction of the Committee for a grant of Rs. 15,300.

Yours faithfully,

(Sd) K. Subrahmaniam.

Sub:-- Physical Education Training for Ex-servicemen during the Summer of 1950.

--

With reference to training of ex-servicemen as Physical Education Teachers in the Y.M.C.A., College of Physical Education, Saidapet, during the ensuing Summer vacation 1950-51, I am to request you to be good enough to let me know if you would be in a position to allot sufficient funds for the conduct of a class for 50 students. All the arrangements in connection with the proposed training will be made by the Chief Inspector of Physical Education under directions from the Director of Public Instruction.

As there is great demand for Physical Education Teachers in the Province and in view of a large number of ex-servicemen being anxious to undergo physical Education training, it would be most helpful, if you could find the money for this course so that the problem of unemployment to an extent, can be solved in the case of ex-servicemen.

Sd. A.Padmanabha Naidu,
Chief Inspector of Physical Education,
Madras.

Copy of letter No.352/49 dated 14-11-49.

During my visit to the Andhra Districts I came across many ex-servicemen who are anxious to undergo Physical Training at the Y.M.C.A. College of physical Education in case you should be pleased to extend the concessions granted to ex-servicemen when they were selected for training during May to August 1949. In view of the demand for a large number of Physical Education Teachers in the province, the revival of the scheme that was sponsored by you during this year and its continuance for another period of 3 years will make it possible for the many talented young ex-servicemen to get absorbed in a profession best suited for their qualifications. If you should think of reviving this course, I will be very glad to make all the arrangements for selection and training of the candidates provided the cost of the training is met by your Department, as was done before.

Note on the Proposal for the training of 40 ex-servicemen as Physical Training Instructors at the Y.M.C.A. College of Physical Education--March to May 1950:

It was proposed to absorb demobilised military physical instructors in civilian jobs as Physical Training Instructors in the educational institutions under the control of Government and local bodies. The Directors of Public Instruction informed the Government that the army physical instructors, after demobilisation, could not be entertained in the educational institutions unless they successfully went through a short course of training for a period of six months in the Y.M.C.A. College of Physical Education. He was prepared to consider the Indian Army Special Certificate of Examination as sufficient qualification for admission for training as physical training instructors. The Board of Revenue requested the Government to accept the Director of Public Instruction's proposal in regard to relaxation of education qualifications for admission to higher grade training of physical instructor's course. Government also considered that the period of training should be restricted to three months in the beginning and might be prolonged only if the candidates did not show adequate progress during the period of three months. The Government of India regretted their inability to bringthis training under the purview of their vocational training. The Committee for the administration of the Post War Services Reconstruction Fund was then approached for a grant.

2. The Committee was pleased to sanction, at its meeting held on 2.9.48 a grant of Rs.15,000 to meet the expenditure connected with the conduct of the course. The course was conducted from 9.5.49 to 9.8.49, for 40 ex-servicemen. Sixteen candidates in the Higher Grade and twenty four in the Lower Grade. All the forty candidates were examined and 39 of them came out successful. Exemption from age and educational qualifications in respect of four candidates was obtained from Government.

3. The Chief Inspector of Physical Education, Madras has stated that there is a great demand for physical Education Teachers in the Province and suggested th t in view of a large number of ex-servicemen being anxious to undergo physical education training, would be most helpful if another course of training in the Y.M.C.A. College of Physical Education is arranged this year similar to the one conducted last year. This, it is believed, will solve the problem of un employment among ex-servicemen, on the one hand and will supply the demand for physical training instructors in the educational institutions on the other.

4. The Director of Public Instruction has been informed of this proposal and of the need for relaxation of the rules relating to the physical trainings instructor's course. His reply is awaited. The Principal, Y.M.C.A. College of Physical Education, Saidapet, Madras, is willing to undertake to run the course as before, for 40 ex-servicemen on the following terms and conditions:-
(i) That a sum of Rs.15,000/- will be paid to the College for conducting the course as was done in the previous course.
(ii) That the duration of the course must be three months viz., March to May 1950. (iii) That accommodation for the 40 candidates in tents should be provided. (iv) that sufficient number of cots may be arranged to be supplied through the Garrison Engineer as was done on the last occasion. (v) That the candidates should possess the following qualifications:-

LOWER GRADE: Candidates must possess the P.T.I. certificate either from the Army, Air Force or Navy in addition to a certificate ~~with fail in addition to a certificate~~ with fail or pass S.S.L.C. or with any other certificate which may be equivalent to the S.S.L.C.

HIGHER GRADE: Candidates must possess the P.T.I. certificate either from the Army, Air Force or Navy in addition to T.S.L.C. or pass in the Intermediate. (It is absolutely necessary that candidates chosen for training hold a P.T.I. certificate).

P.T.O.

(vi) That the candidates should not be over 30 years of age on 1.3.50. (This condition, if necessary may be relaxed in exceptional cases).

(vii) That applications should be received by the Registrar of Coop. Societies (Resettlement) by the 20th Febr ry 1950 and the selection of candidates made by the 25th February 1950.

5. In view of the need for training instructors and of the availability of ex-servicemen for undergoing training, it is considered worthwhile to conduct another training class for a period of three months for 40 ex-servicemen. The Committee may, therefore, be pleased to sanction a grant of Rs.15,300/- for the purpose. As in the case of last year the caution money of Rs.600 will be refunded to the Committee at the end of the training period. The Principal of the College suggests wide advertisement with a view to secure men with requisite qualifications. The cost of advertisement is estimated at Rs.300/-. Hence the request for a grant of Rs.15,300/- as against Rs.15,000/- on the last occasion.

The following statement gives an estimate of the expenditure for giving training to 40 ex-servicemen.

Sub:-- Physical Education Training for Ex-servicemen during the Summer of 1950.

--

With reference to training of ex-servicemen as Physical Education Teachers in the Y.M.C.A. Collegeof Physical Education, Saidapet, during the ensuing Summer Vacation 1950-51, I am to request you to be good enough to let me know if you would be in a position to allot sufficient funds for the conduct of a class for 50 students. All the arrangements in connection with the proposed training will be made by the Chief Inspector of Physical Education under directions from the Director of Public Instruction.

As there is great demand for Physical Education Teachers in the Province and in view of a large number of ex-servicemen being anxious to undergo physical Education Training, it would be most helpful if you could find the money for this course so that the problem of unemployment to an extent, can be solved in the case of ex-servicemen.

Sd. A. Padmanabha Naidu
Chief Inspector of Physical Education.

Sub:--

During my visit to the Andhra Districts I came across many ex-servicemen who are anxious to undergo physical Training at the Y.M.C.A., College of Physical Education in case you should be pleased to extend the concessions granted to ex-servicemen when they were selected for training during May to August 1949. In view of the demand for a large number of physical Education Teachers in the province, the revival of ~~xhxxaxxxxx~~ of the scheme that was sponsored by you during this year and its continuance for another period of 3 years will make it possible for the many talented young ex-servicemen to get absorbed in a profession best suited for their qualifications. If you should think of reviving this course, I will be very glad to make all the arrangements for selection and training of the candidates provided all the arrangements for selection and training of the candiates provided the cost of the training is met by your Department, as was done before.

No.15388/49-A4.Special Dated the 5th February 1950.

Sir,

Subject: Post War Reconstruction - Resettlement of Ex-servicemen - Training of Physical Training Instructors' - Second course - Conducting of.

Reference: Government Memorandum No.85773/48-II-C1 Education and Public Health Department dated 4-12-48.

(2) My letter No.R.C.15388/48-A4 dated 24-1-1950.

At its meeting held on 3-2-50, the Committee for the administration of the Post War Services Reconstruction Fund considered my proposal for the sanction of a grant of Rs.15,300 to meet the expenditure connected with the training course. I explained to the Committee the need for running a course of the kind proposed in order to meet the demand for physical instructors in the educational institutions in the State. The Committee has been pleased to approve my proposal and to sanction the grant. The Director of Public Instruction, Madras, has also agreed to my proposal- vide copy of his letter No.2061 W.1/46 dated 31-1-50 enclosed. In the circumstances, I am making the necessary arrangements for inviting applications from qualified ex-servicemen candidates and for the conduct of the course from March 1950. The selection of candidates will be made by a Committee consisting of my Joint Registrar(Resettlement), the Chief Inspector of Physical Education and the Principal, Y.M.C.A. College

of Physical Education, Madras, as on the previous occasion. If, however, the required number of ex-army Physical Training Instructors are not forthcoming, exservicemen with the required educational qualifications will be selected for the course as before. I shall approach Government for the relaxation of the relevant rules governing the issue of certificates, Higher grade or Lower grade as the case may be, as soon as the selection of candidates is completed.

Yours faithfully,

for Registrar
