Sir,

13402
In continuation of my letter dated 17-12-1949, a copy of which is herewith submitted, I request that I may be permitted to continue as headmaster of this school for 2 months and odd i.e., from 23-3-50 the date of completion of my 55th year to 12-6-50 the date of reopening of the school for the following reasons:-

(a) As reported in the Hindu dated 20-2-50 - page 10 - under the heading Prof. A. Rama Iyer's (Principal) retirement "the Madras Government has authorised the Director of Public Instruction to continue members of staff of Educational institutions who might be about to retire by any age rule till the end of the academic year"

(b) The services of the Headmaster of Municipal High School at Salem or Coimbatore has been, I hear, extended for many months for the same reason.

I also request that the Headmaster's post may kindly be considered as a technical one and orders may kindly be revised if already passed adversely

and the benefit of the new orders of the Government may kindly be extended to me at the earliest.

Sir,

I am due to retire on 22nd March 1950.

I request that my service after retirement may kindly be extended or I may be reemployed for two months and odd only i.e., till the reopening of the school after summer vacation for the reasons given below. If I cannot be allowed to service in the same cadre as Headmaster of a complete High School I am willing to work during the period on the maximum pay of an assistant as the Headmaster of such a Secondary School as at Koradacheri under the same management as allowed in G.O. Ms. 2889 Edn. dated 14-10-49 which states "The Government will however have no objection to proposals being made to them to the reemployment of such persons (ii) as L.T. assistants on the maximum pay of the scale applicable to L.T.s in the same schools under the same management. In this connection the following facts may kindly be taken into consideration:

1. Memorandum No. 95111-G3/47-3 Edn. dated 4-5-1948 of the Government of Madras states "If the teacher in question is efficient and otherwise desirable... he may be reemployed after retirement and the period of such re-employment should be for a period coinciding with the end of the school year."

2. I have served the District Board faithfully and long for 25 years out of which I was the Headmaster for 20 years in such big institutions as Beard High School, Tiruvarur and all through my service was not only quite unblemished but also meritorious in all possible ways viz., in maintaining discipline and building character, in producing the best results, in giving good training in sports, games etc., and also in increasing such extra curricular activities as literary association, music, gardening, etc.

3. Though I was started as Headmaster on a scale of Rs. 150-10-250 in 1930 yet in 1933 a heavy cut without any compensation was imposed so that I had to mark time on Rs. 175/- for 15 years. I had also to lose one increment for want of a few days only when the revised scale was brought to force. As a result I had to lose over Rs. 10,000.

Hence I request that this grace of extension or re-employment for a few months may kindly be shown to me as a sort of consolation so that I may feel grateful to you.

Yours faithfully,
Sd/- T. S. Velayutham Pillai.
