dated 1-12-1948.

2. Resolution No. 11 dated 28/5/49 of the
Headmasters' Conference.

--

Part I B (Education) of the Fort St. George Gazette was
supplied to all the board secondary schools till March 1947.
But objections were raised in audit with regard to the supply
of the same since the paper position was very keen and the
Government were addressed for according sanction for the purchase
of Part I B Fort St. George Gazette; but the sanction applied
for was refused by Government in Memorandum No. 49015-G.3/47.1
Education dated 27/6/47 on the ground that the paper position
had not yet improved much.

But subsequently the Government were requested in this
office letter RC.F2. 13090/48 dated 16/8/48 to accord sanction
for the purchase of three copies of Part I B Gazette (Education)
to be circulated among the various board secondary schools.
The Government were pleased to permit the purchase of three
copies of Part I B Gazette in their Memorandum No. 74238-G3-45-3
Education dated 1/12/1948.

Now there are fifteen board secondary schools. Much
inconvenience and difficulty is being felt in the circulation
of the Gazette. More over, corrections to the Educational rules,
List of books approved as text books, the reorganized
syllabus etc. are being published in the Gazette. It has
