(e) & (f) The University has been contributing every year from its general funds a sum of Rs.55,000/- to the Permanent Endowment Fund in order to offset the fall in interest due to conversion. During the war years, allotments made for various purposes such as books for library, equipment for laboratory etc., could not be fully utilized and the savings effected thereby were also transferred to Permanent Endowment Fund. The total investment of the University in the Permanent Endowment Fund is to face value of Rs.70 lakhs. This includes investments of the face value of Rs.60 lakhs purchased from the endowments made by Government and Rajah Sahib at the time of the inception of the University in 1929.

CONSTITUTION OF FUNDS.

The Committee feels the imperative necessity to constitute 'funds' for the following purposes:-

1.	Annual Repairs Fund.	Rs. 25,000 shall be set apart each year.
2.	Building Fund.	Rs. 25,000 shall be set apart for expenditure on such additional buildings as might be needed from time to time.
3.	Gratuity Fund.	Rs. 1,000 shall be set apart towards payment of gratuity to menials of the University not entitled to the benefits of Provident Fund.

4.

22

4. Permanent Endowment Fund.	An addition of Rs.55,000 each year should be made to counteract the certain fall in income in 1955 and 1960 when the 4½% and 4% Government securities of 1955-60 and 1960-70 mature.
5. Reserve Fund.	This fund will be constituted out of the savings, if any, after the allotments to the above four funds are made.

The closing balance of each year shall not be less than Rs. 25,000. The surplus, if any, over Rs. 25,000 shall be immediately transferred to the Reserve Fund to be utilised for unforeseen expenditure of a non-recurring and casual nature.

* 79 *Q.*—SRI R. SURYANARAYANA RAO: ~~Will~~ the Hon. the Minister for Education be pleased to state—

(*a*) whether under the Annamalai University Act, an annual statutory grant is due to the University; and, if so, what the amount is;

(*b*) whether, besides the statutory grant, grants for other purposes have been made during the past twelve years; and, if so, what the amounts and the purposes for which the grants have been made are (year-war);

(*c*) whether before grants are made, statutory or otherwise, the financial condition of the University is examined;

(*d*) what has been the income of the University from various sources since 1939–40 (year-war);

(*e*) whether it is a fact that a large percentage of the income is transferred to investment funds;

(*f*) if the answer to (*e*) is in the affirmative, what the total of the investments at the end of 1948 was;

(*g*) whether the Government have provided grants to the University in 1949–50; and, if so, what the amounts and the purposes for which they are proposed to be made are; and

(*h*) why, in view of the large amounts at the disposal of the University, the Government have found it necessary to provide these grants?

THE HON. SRI K. MADHAVA MENON:—" (*a*) Yes; up to 1941–42, the block grant under section 43 of the Annamalai University Act stood at Rs. 1·5 lakhs a year. This was raised by Rs. 40,000 in 1942. Subsequently, additions were made due to the opening of the Engineering College and the revision of scales of pay of the Vice-Chancellor and the staff. The annual grant now paid is Rs. 4,99,000.

" (*b*) Yes, a statement[a] showing the amounts so sanctioned is laid on the table of the House.

[a] Printed as Appendix III on pages 847–848 infra.

* Includes the sum of Rs. 20 lakhs endowed by the Founder and the sum of Rs. 27 lakhs given by the Government at the time of establishment of the University (Section 41 of the Act).

" (*h*) The grants were sanctioned as the Government were satisfied, after an examination of the University's finances, and its requirements, that the schemes concerned could not be financed from the income of the University."

11-45 a.m. SRI R. SURYANARAYANA RAO:—" May I know if, in spite of the large amounts at the disposal of the University, the Government still felt that its financial position was so bad that they should go to its help? "

THE HON. SRI K. MADHAVA MENON:—" The University could not spend from out of its capital resources like the endowment fund and the interest from the endowment fund is not sufficient to meet the recurring requirements."

SRI R. SURYANARAYANA RAO:—" Have the Government satisfied themselves that a large amount out of the recurring income is not being put into different funds not required by the statute? "

THE HON. SRI K. MADHAVA MENON:—" I am not sure of that."
