One of the conditions subject to which grant was sanctioned in 1944 to the Annamalai University for the Engineering Courses was that ~~38.1% of the seats~~ in making admissions to the courses, arrangements should be made generally on the lines followed in the Government Engineering College, Guindy, in regard to such matters as the ~~preparation of~~ representation of communities, the proportion in which students are selected from the various linguistic areas of the province etc. According to the principle fixed for linguistic representation, 38.1% of the seats are allotted to the candidates from the group of districts which is predominantly Telugu, viz. Vizagapatam, East Godavari, West Godavari, Kistna, Guntur, Nellore, Cuddapah, Kurnool, Anantapur, Chittoor and Bellary. This principle should also be followed by the Annamalai University. It will be seen that this is in excess of the percentage referred to by the M.L.A., viz. 30%. A draft answer is submitted for approval. May be circulated to H.M.(E.&L) and H.M.(P.W.).
