Building Grant for the Railway High School
Golden Rock.

An application was made to the Government educational authorities by the Correspondent, Railway Schools, Golden Rock, for the usual building grant for the additional class rooms to be built for the S.I. Railway High School, Golden Rock. This request was turned down by the Director of Public Instruction, Madras, on the ground that no grant is admissible for the S.I. Railway High School "as it is a Central Government Institution".

2. The Railway schools have hitherto been given building grants as for other private schools and the grounds on which it has now been decided by your Government that the S.I. Railway High School is not eligible for such grants are not clear, but in support of the decision, the Director of Public Instruction has cited G.O.Ms.No.3710 Edn. dated 2-12-1949.

3. I should be glad if you would please let me know the circumstances under which a change from the existing procedure was made making the Railway Schools ineligible for building grants.

The D.P.I. recommended for inclusion in the list of approved works of the scheme for the construction of two additional class rooms in the S.I.R High school Golden Rock at an estimated cost of Rs 11, 280 rendering the institution eligible for a half grant of Rs 5,640 if and when funds become available provided all the conditions laid down in the Grant-in-Aid Code are complied with. 2. With reference to the above order, the D.P.I. has now raised the question whether the teaching grant due to the high school for 1948-9 may be disbursed in the current year or not. In this connection he has drawn the attention of Govt to ~~the order~~ G.O. No 1844 Education dated 8-12-44 recording the letter from the Govt of India on the subject. This order was not cited when the Director recommended the inclusion of the building scheme in the list of approved works. In view of the Govt of India Railway Dept's letter on 4 of the G.O. it would seem that ^{building and equipment} teaching grants should continue to be paid to the school as before. The D.P. may be informed accordingly. For may see for remarks.
