Re.No.2823 E1/48 dated 14-2-1950.

Sir,

Sub: Education - Secondary - Training course in Homecraft for L.T. and Secondary grade women Assistants - Payment of actual expenses to local teachers - Recommended.
Ref: G.O.ms.No.1184 Edn. dated 19-4-49.

12/88

The Home craft training course for L.T. Assistants was conducted in the Queen Mary's College, Madras and that for Secondary Grade Assistants at different centers in the Province as reported in my letter Re.No.2823 E1/48 dated 30-12-49. Teachers employed in the city of Madras also attended the training course in the Queen Mary's College and in the Lady Sivaswamy Iyer Girls' High School, Mylapore. Under the Madras Travelling Allowance Rules teachers residing within a limit of 5 miles from the Homecraft Training centre are not eligible to draw daily allowance. Instead, they have preferred their claims for actual expenses incurred by them for attending the training course daily under rule 57 of the Madras Travelling Allowance. From a scrutiny of the actual expenses incurred by them with reference to the distance travelled, it is found that the claims are less than the daily allowance in some cases and higher in a few other cases. I therefore recommend that Government may permit the local teachers who are ineligible to draw daily allowance, to draw the actual expenses incurred by them or the daily allowance admissible to them under the G.O. referred to above whichever is less.

Yours faithfully,

D. O. Panchanathan
