Sir,

Subject: Stipends - Harijan and backward classes -
Pandits Training class.

I submit herewith the petition dated 5-2-49 of the trainees in the Pandits Training Class, Teachers College, Saidapet belonging to backward classes and recommend that a stipend of Rs.20/- p.m. per head may be sanctioned to the trainees belonging to Harijan and Backward classes undergoing training in the Pandits Training Classes as in the case of candidates in Training Colleges for whom Government authorised payment of stipends in G.O.No.Ms. 509-Edn dated 24-2-1949.

The cost involved in the proposal is roughly about Rs.9,000/-. The cost in 1950-51 and 1951-52 would be roughly about 10,000. In my letter R.O.C.No.7802-E.4/46 dated 13-9-48, I recommended the continuance of the Pandits Training Classes for a further period of two years from 1950-51 with reference to sanction accorded in G.O.No.818 Education dated 22-4-1947.

Yours faithfully,

for Director of Public Instruction.

Sir,

Subject:- Pandits Training Course - Sanction of stipends for
Backward and Harijan Communities - Request for.

We understand that the Government have been pleased to
sanction stipends at Rs.20/- per mensem for students of Backward
and Harijan communities who are undergoing training in the B.T.
class in their G.O.No. 509 Edn., dated 24-2-49. We request that
stipends may kindly be granted similarly to us also.

We are undergoing training in the Pandits' Training Course
(9 months' course) attached to the Teachers' College, Saidapet,
and belong to the Backward or Harijan communities.

While students for the Secondary Training are now given
a stipend of Rs.18/- per mensem and those in the B.T. class also
are now allowed stipends as stated above, we, the language teachers
are alone not given this help.

Coming from poor families, we find it very difficult to
maintain ourselves, in the city, in these days of costly living
without financial assistance.

Once again, we request the Government to kindly extend the
financial help to the language teachers undergoing Pandits' Training
Course also as is being done now to students undergoing other types
of training and sanction a stipend of Rs.20/- per mensem.

ORDER:

The Government direct that candidates belonging to
Harijan and backward communities undergoing B.T. and B.Ed.
training courses be granted stipends at the rate of Rs.20 per
a month for a period of two years with effect from the academic
year 1948-49.

2. In G.O.No.1918 Education, dated 21-5-46, the Government
Directed that the rates of stipends given to candidates undergoing
Elementary Grade and Secondary Grade Training be raised from Rs.8
to Rs.12 and Rs.12 to Rs.18 a month respectively. The question
has been raised whether this increase should be a permanent
measure and whether the Madras Educational Rules may be amended
to embody the increased rates. As the enhanced rates were
sanctioned primarily to induce more candidates to come forward
to undergo the training courses the Government consider that
the increase should be deemed as a temporary one. They accordingly direct.

EDUCATION - Secondary - Pandits' Training Classes -
Trainees belonging to the harijan and backward classes -
Payment of stipend.

From the Director of Public Instruction, R.O.C.No.2080-B4
of 1948 dated the 23rd September 1949.

In G.O.No.818 Edn. dated the 22nd April 1947, the
Government sanctioned the opening, as an experimental measure
for a period of three years from 1947-48, of four training
classes for the training of pandits in modern methods of
teaching, one each for Tamil, Telugu, Malayalam and Kannada.
~~at the following centres:~~ The classes were opened in the
following institutions:-

Tamil Teachers' College, Saidapet.
Telugu. Govt. Trg. College, Rajahmundry.
Malayalam. Govt. Trg. School, Calicut.
Kannada. Govt. Secy. and Trg. School ~~at~~ Mangalore.

The continuance of the above four classes during the academic
years 1950-51 and 1951-52 has already been sanctioned. The
trainees belonging the harijan and backward communities
undergoing training in the class at ^{the} Teachers' College,
Saidapet, have requested that they may be paid a stipend of
Rs.20 per mensem, as they find it very difficult to maintain
themselves in the City of Madras ^{due to} the high cost of
living. The Director of Public Instruction has reported
that a stipend of Rs.20 p.m. has been sanctioned by Govt.
for the trainees belonging to harijan and backward classes
undergoing training in the B.T. Training classes. He
recommends that a similar allowance may also be paid to the
trainees in the Pandits' Training classes who belong to ~~harijan~~
~~backward~~ those classes. The extra cost involved in the proposal
is Rs.9,000 in the current year and Rs.10,000 during the
next two years. It may be noted, in this connection, that
the question of paying a stipend of Rs.24 p.m. for all the
trainees was considered in 1946, when the proposal to open

-2-

also be awarded by the Director of Harijan Welfare,
after obtaining the sanction of Government in each
case. In the circumstances, the Government consider
that the proposal to pay a stipend of Rs.20/- p.m. for
each of the students belonging to harijan and backward
communities undergoing training in the Pandits' Training
classes should be taken up after some experience is
gained of the working of the scheme of ~~the~~ scholarships,
and when the Director of Harijan Welfare moves in the
matter.

This Department last noted at page 3 above. The further notes of E. & P.H. Department may be perused. The proposal relates to the grant of stipend at Rs. 20/- p.m. to the Harijan and Backward Community students undergoing training in the four Pandits' Training classes in Tamil, Telugu, Malayalam and Kannada. The D.H.W. has not offered any remarks on the proposal. E & P.H. Department have sent the file to this Department for specific remarks on this point. The D.P.I. has recommended that a stipend of Rs. 20/- p.m. may be given to the trainees undergoing training in the Pandits' Training Classes, who belong to Harijan and Backward Classes, on the analogy of G.O.Ms.No. 509 Education, dated 24-2-1949, in which the Government sanctioned a stipend of Rs. 20/- p.m. for the trainees belonging to Harijan and Backward Communities undergoing B.T. Course. The extra cost involved in the proposal is Rs. 9000/- in the current year and Rs. 10,000/- during the next two years. E. & P.H. Department support the proposal of the D.P.I. and suggest that the expenditure involved should be debited to Harijan Welfare Fund. But Secretary, E. & P.H. considers that the best of higher cost of living cannot be applied to only one class. It is understood that ^{no} fee is levied ^{R.T.} from the teacher trainees as in the case of those undergoing B.Ed. course and the grant of stipend at Rs. 20/- p.m. is intended for maintenance and other expenses of the teacher trainees. It may be stated here that it is not possible for the Harijan students to meet their ^{expenses} from out of their own pockets in view of their generally poor condition. The case of Backward Class students may be considered on a par with that of the Harijans. It may be presumed that on this consideration only a stipend of Rs. 20/- p.m. has been granted to the Harijan students undergoing B.T. course in G.O.Ms.No. 509 Edn., dated 24-2-1949. In the circumstances it is for consideration whether this Department may support E. & P.H. and agree to the sanction of stipends at Rs. 20/- p.m. per student for the Harijan and Backward Classes pupils.

After orders are passed the file may be passed on to

Finance Department.
