Minutes of the meeting of the Advisory Committee of the Senior Division of the National Cadet Corps held in the University Buildings, Chepauk, Madras, at 5 P.M. on Wednesday the 4th January 1950.

PRESENT.

The Vice-Chancellor, University of Madras (CHAIRMAN)
The Vice-Chancellor, Annamalai University.
The Officer Commanding, 3rd Madras Engineering Centre, NCC., Engineering College, Guindy.
The Officer Commanding, 5th Madras Signal Section, NCC., Annamalai Nagar.
The Officer Commanding, 6th Madras Medical Co. NCC., Madras Medical College, Madras.
The Officer Commanding, Annamalai Independent Infantry Company, NCC., Annamalai Nagar.
Mr. J. F. Pereira, NCC., Officer, Loyola College, Madras.
Sri R. Krishnamurthy, M.A., Principal, Pachaiyappas College Chetput, Madras.
The Officer Commanding, 1st Madras Infantry Battalion, NCC., Fort. St. George, Madras (Member Secretary)

1. Considered letter No. 0065/49/NCC dated the 5th October 1949 from the Director, National Cadet Corps, Ministry of Defence New Delhi, to the Provincial Governments, forwarding certain suggestions regarding the issue and return of kit equipment issued to cadets, etc.

RESOLVED to recommend that--

(a) All students who are NCC cadets should, before they proceed on vacation, hand over the kit equipment to the Officer Commanding the Unit or Sub-Unit concerned.

(b) In the case of students who cease to be NCC cadets, the Officer Commanding concerned should send a statement to the Principal of the College not later than the 8th of March each year as to the students who have not returned the kit equipment. If such a statement is received by the Principal before the date specified above, steps will be taken by the Principal to see that the kit equipment is returned and only then will the transfer certificates or the hall ticket be issued to him.

(b) In cases where the cadet concerned does not want a certificate from the College and does not return the kit equipment after letters to him and his parents, the Officer Commanding should write to the Government explaining the whole case and request Govt. to write it off.

(c) In cases where clothing and equipment are not recovered from cadets due to the negligence of the N.C.C. Officers concerned the same should be submitted to Government for orders.

(d) In the opinion of this Advisory Committee, the system of taking a cash deposit against kit equipment is not feasible and will work deliteriously to the best interests of the promotion of the National Cadet Corps.

(e) No report should be made to the Police for the recovery of clothing and equipment issued to a cadet, who does not return it.

*Exhibit taken
for separate action
in CMO 7746 pages*

2. Considered the question of facilities to be provided to cadets on return from camp.

RESOLVED to recommend that when a cadet goes to Camp, while a journey ticket is given to him to proceed to the camp, the return may be either in the shape of a ticket to the place from which he started or an equivalent fare in cash to that place, with which he may go to his house.

3. Training of Officers.

RESOLVED that so far as training of officers is concerned, this Committee recommends that the best period for training in this area is the Months of March to June, say between the 15th of March and the end of June.

4. Attendance at Camps & parades. (A) The point was raised that attendance at parades and camps has not been satisfactory in some units and that frequent absences and disciplinary action have a baneful effect on the organisation.

(B) The Committee was informed that when the UOTC was invogue in the Madras University, there was a Prize to the Company which showed the maximum attendance during the year at parades by the cadets of the Company. It is suggested that this will be a stimulus for regular attendance at parades, and that Prizes on similar lines may be instituted in the different Battalions, such as a Rolling Cup or Shield.

(C) Any cadet who, in spite of warning by the Officer-Commanding the unit & the Principal or Vice-Chancellor concerned, continues to be irregular in attendance at parades should be discharged.

5. Civilian personnel for the Units.

Where there is only one clerk, as in the case of the Annamalai University Company, it is suggested that a clerk on the Upper Division, who has good qualifications in typewriting and some amount of clerical experience should be appointed.

6. Considered correspondence ending with letter No. 83473 B1/49-2 dated the 15th November 1949 from the Secretary to the Government of Madras, Edn. & Public Health Department, regarding relinquishment of Commission in the NCC by 2nd Lt. V.G. Rangarajan.

RESOLVED to recommend that Lt. V.G. Rangarajan, be permitted to resign from the NCC.

7. Considered letter No. 0085/5/109 dated the 3rd August 1949 from the Officer Commanding, 3rd Madras Engr. Pl. NCC., to the Vice-Chancellor, forwarding application of Lt. Kalyanaram for discharge from the Unit.

RESOLVED to recommend that the application be accepted, under rule 30(c) of the N.C.C. Rules.

8. Considered the suggestion to have a N.C.C. social centre for the Units, where the library could be located and facilities provided for sports, etc., met out of the welfare fund.

RESOLVED that the suggestion be referred to the Principals of Colleges with NCC units for consideration and report in consultation with the Officer Commanding the Unit or Platoon, concerned.

NATIONAL CADET CORPS - Senior Division Advisory Committee - Suggestions made at the first meeting Orders passed.

From the Secretary, Senior Division Advisory Committee N.C.C. No.24/19 dated 16-1-1950.

MEMO No. 4256-131/50-2 dated 3/2/1950.

The Govt. accept the following suggestions made by the Senior Division Advisory Committee of the National Cadet Corps at its meeting held on 4-1-50.

- (i) Provision of railway tickets to the Cadets for their return journey from the Camp or Payment of equivalent cash.
- (ii) Training of N.C.C. Officers during the Summer vacation.

They consider that there is no strong case for the employment of an Upper Division clerk instead of a Lower Division Clerk in the offices of the ~~the units as the clerk in the office of these small specialist units & the Annamalai Independent Coy as the units will be comparatively less than the work in the~~ offices of the 1st and 2nd Madras Infantry Battalions of 4 companies each for which an upper division clerk has been fixed in the scale of establishment for N.C.C.

2. Orders on other suggestions will be issued separately.

Institution of prizes every year.

In order to improve the attendance of the Cadets at camps + parades, the Senior Division Advisory Committee has, at its meeting held on 4.1.50, suggested that a prize such as the Rolling Cup or the Shield may be instituted every year for the NCC units as was done in the case of the distinct VOTC, and that it may be awarded to the Company which showed the maximum attendance during the year. I am directed to request you to take necessary action in the matter. No expenditure will be incurred from Provincial funds.

From the Secretary, Senior Division Advisory Committee,
24/19 dated the 16th January 1950.

Please see the letter from the Secretary of the
Senior Division Advisory Committee on pages 1-3 c.f. com-
municating the proceedings of the meeting of the committee
held on the 4th Jan. 1950. Relevant extracts have already
been taken in regard to items 1, 6 and 7 in the proceedings
and action ^{has been} taken separately. No action is ^{at present} necessary on
item 8 in the proceedings.

2. The other suggestions in the proceedings are
examined below:-

(1) Return of cadets from the camp:- The Committee has
recommended that the cadets may be provided with the neces-
sary journey ticket to proceed to the camp and that for
their return journey from the camp, either a ticket to the
place from which they proceeded to the camp or the equival-
ent cash may be paid to them. Presumably, the students will be
given the option to get the ticket for their return journey
or equivalent cash. According to the provisions contained
in para 3 of Schedule II to the N.C.C. Rules, the cadets
should be provided with free conveyance to and from the camp
or in the alternative the cost of conveyance should be
paid to them. ~~There is, therefore, no objection to providing~~
~~a ticket for the return journey from the camp site or to~~
~~pay the actual cost.~~ The Commendation recommendation may
be accepted.

(2) Training of Officers:- The recommendation
of the Committee is that the best period for sending the
Officers for training with the Regular Army Unit is from
15th March to 30th June. All the officers are being sent
for the training only during the summer vacation. ~~No action~~
~~is necessary on this recommendation.~~ ^{It} may therefore be accepted.

(3) Attendance of the cadets at camps

to improve the attendance of the cadets at the camps parades, the Committee has recommended that a prize such as the Rolling Cup or the Shield may be instituted every year that it may be awarded to the company which showed the maximum attendance of cadets during the year. It has been reported that such a practice was in vogue in the Ex-UOTC. Such a prize can be provided only for the 1st and 2nd Madras Infantry Battalions which have four companies each. The other units will not be benefitted by the institution of the prize, as they are small ones and have no companies or sub-units.

If prizes are provided for the units of the Senior Division only, it may also be necessary to institute one for the units of the Junior Division which have three sub-units each. For orders whether the recommendation is accepted or not, the Commander 2nd circle may perhaps be asked to furnish an estimate of cost.

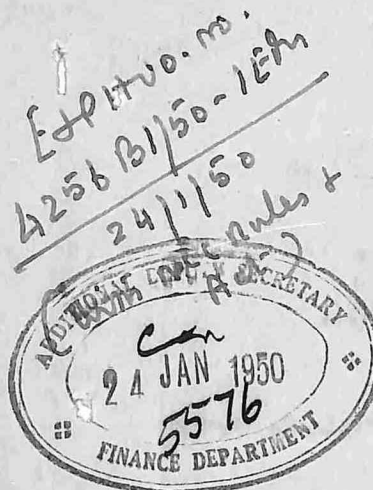

(4) Discharge of the cadets:- The recommendation of the committee is that if a cadet in spite of the warning by the Officer Commanding and the Principal or the Vice Chancellor of the University concerned, continues to be irregular in his attendance at parades, he should be discharged from the unit. The discharge of the cadets from the units is governed by rule 28(2) of the N.C.C. Rules. There is no provision under this rule for the discharge of the cadets of the kind contemplated. For orders whether The Director, National Cadet Corps, may be consulted whether necessary provision will be made in the N.C.C. Rules for the purpose.

(5) Employment of clerk in the N.C.C. Units:- The Committee has recommended that an Upper Division Clerk qualified in Typewriting and with clerical experience may be allowed for the units of the Senior Division which are having only one clerk. If this recommendation is accepted, the employment of five U.D. clerks will have to be allowed for the five units in this province, namely, Engineering, E.M.E., Medical, Signal and Annamalai Ind. Company. According to the scale of establishment for the N.C.C. units fixed by the Director, National Cadet Corps, these units are to be allowed only a lower division clerk. The clerical work in these offices will be considerably less than

companies each. It will be sufficient, if they have a lower division clerk. In view of the prevailing financial emergency, it is not possible to undertake the additional recurring expenditure of the proposed. The suggestion need not be accepted.
