The selection commenced on the 27th March.

Four officers who were on duty in the schools have to be retrained. It is not, therefore, necessary to select officers in their places as they will be retrained along with others.

2. Regarding the additional officers now proposed, I have to state that two subunits have to be alloted to some schools before two additional officers can be selected. It is now too late to consult schools and allot additional sub-units. In these circumstances, I do not consider it necessary to select two more officers as proposed by the Commander, 2nd Circle National Cadet Corps in his letter No. 80/2 C dated 22nd March 1950.

Yours faithfully,

Sir,

Sub: NATIONAL CADET CORPS - Junior Division - 1950-51 - Raising of additional units to fill up the gap - Permission - Requesting.

I have the honour to submit herewith a copy of the letter No.82/ZC dated 8-6-50 from the Circle Commander, No.2 Circle, National Cadet Corps, Madras enquiring whether it will be possible to select additional teachers for training to complete the authorised strength. The present position is as follows:-

Year.	Sanctioned strength of Sub- Units.	Existing No. of Officers	Additional No. of Officers required.
1949-50	66	51	15
1950-51	69	52*	17
Total	135	103	32

* These 52 Officers are now under training.

To fill up gaps of 1949-50 six more officers are also under-training viz.

4 substitutes to rejected candidates
1 Ordered to be retrained
1 substitute to a candidate who left.
6 Total

One more candidate is on medical leave and he is expected back.

Deducting these seven officers from the requirement of 32 as noted above 25 candidates are required to be trained to complete the authorised strength. The training for 2 months may be so arranged as to confine the ensuing Desara Holidays so that their period of absence from schools can thus be reduced as far as possible to a little over a month. I request permission to select 25 officers and send them for training and to authorise the Joint Civilian Army Selection Board constituted in G.O. No. 612 Education dated 27-2-50 to make the selection of the candidates. The list of schools in which units of the National Cadet Corps may be formed will be submitted shortly. I request the favour of orders very urgently.

Yours faithfully,

SUB: Junior Division N. C C.

Sir,

I am to state that Madras State has so far been authorised to raise 45 Junior Div. NCC. Troops--22 for 1949-50 ~~Division~~ and 23 for 1950-51. For these 45 Troops, 135 NCC Junior Division officers are authorised. Last year 55 officers were commissioned, out of whom 4 have resigned. Four teachers who were sent for training along with the 55 Commissioned were recommended for re-training.

2, This year 67 teachers were selected Of these one did not report to Madras Regimental Centre for training and 9 more were discharged during training. Two o the 4 officer cadets recommended for re-training, last year, did not report to Madras Regimental centre for re-training. There are therefore only 59 officer cadets (57 new and 2 re-trainees) undergoing training at Madras Regimental Centre, Wellington.

3. Assuming that all the 59 officer cadets are accepted for grant of commission, we will still be left with 25 Officers (135-- (51 plus 59) deficient to complete the authorised strength- Leaving the two officer Cadets who are to be re-trained, 23 new teachers will have to be selected and sent for training.

4. As Madras Regimental centres are prepared to undertake a further batch of NCC officer cadets for training during this year iteslf, it is proposed to complete the authorised strength as soon as possible but before the end of this year.

5 May I, therefore, please be informed.

(a) When it will be possible for you to arrange for the selection of 23 teachers more who are required to complete the authorised strength.

(b) The approximate date when it will be convenient for the Officers selected, to commence their training.

(c) When the two Officers who did not report for re-training will be available so that they may be sent along with (a) above for re-retraining.

National Cadet Corps. Junior Division. Raising of units in 1950-51. Selection of cadet officers for training with Regular Army units.

From the Director, National Cadet Corps, No. 0238/50/NCC dated 12.1.50.

It has been decided that 23 units of the Junior Division of the National Cadet Corps should be formed during the next school year and necessary provision for the purpose has been included in the Budget Estimate for 1950-51. The total number of officers required to man these units is 69 at the rate of three for each unit and they will have to be trained in a Regular Army unit for a period of two months before they are commissioned into the N.C.C. The Director, N.C.C., has requested that necessary arrangements for their training are being made and that the details in that regard will be sent by the Circle Commander. He requests that the money on payment of travelling and daily allowances to the trainees may be paid to the Commanders for being dispatched to the trainees before they proceed to the training centre. Before the trainees are sent to the training centre, they should be selected by a Joint Civilian Army Selection Board in accordance with rules 16-21 of the N.C.C. Rules. The D.P.I. may be requested to report immediately whether he has already selected a sufficient number of teachers to appear before the Selection Board and if so, whether orders constituting the board may be issued. After the selection of officers is completed, the Director may be asked to furnish an estimate of Govt. on payment of travelling and daily allowances to the trainees for the period of the training.

2. According to the letter No. 0162/49/NCC dated 19.3.1949, the Selection Board should consist of the following members :-

(1) The Vice Chancellor of the University or the D.P.I. to be nominated by the Govt. Govt. as the chairman.

In this case, the D.P.I has to be nominated.

(2) An Army Officer to be nominated by the Hd. Qrs., of the Madras Area.

(3) A non-official member to be nominated by the Provincial Government.

The D.P.I. may be nominated as the Chairman of the Board and orders of H.M (E&L) may be taken later on, to the nomination of the non-official member. The Headquarters, Madras Area may be requested to nominate an Army officer to the Board.

From the Director of Public Instruction, R.C.No. 1149-W4/49 dated the 7th February 1950.

The Director of Public Instruction has forwarded a statement showing the district-war distribution of the 23 units of the Junior Division to be raised in the next school year and requests that the distribution may be approved urgently. It is observed from the statement that the Malabar District has been allotted 8 sub-units with a strength of 240 cadets and the South Kanara District, 6 sub-units with a strength of 180 cadets. Orders of H.M.(E & L) may be taken whether the distribution may be approved.

2. The Director has reported that arrangements are being made to interview the teachers at Madras, as was done in the last year and that orders constituting the Joint Civilian Army Section Selection Board may be issued by the Government. The Headquarters, Madras Area, have asked the Madras Sub Area to nominate a Regular Army member to the board and their reply is awaited. Orders constituting the board may be issued as soon as the reply is received. In the meantime, orders of H.M. (E & L) may be taken in regard to the nomination of a non-official member to the Board. Hm (E&L)

May agree to the new Units proposed to be raised as shown on page 9 c.f. subject to reconsideration of the allocation of 4 additional Sub Units each to Madras and Tiruchirapalli and 10 Sub Units to Tanjore. It appears to be of advantage that the Units are widely distributed, and specially in these districts which are far away from Military Stations. Madras has already 25 Sub-Units in addition to nearly a thousand men in the Senior Battalions Tiruchirapalli also has a Senior Battalion. No new Units, therefore, deserve to be added to these places unless the D.P.I. can give special reasons. In respect of Tanjore it should be sufficient to have 8 Units, as Malabar, a bigger district, has been given only

4. 4077 BI/50

that number. If these 10 Units are to be redistributed they may be given to those districts which have so far been given less than 3 Units.

We may agree to re-nominate Prof. Ruthnaswamy to the Board for the selection of teachers for training.

H.M.(E.& L.)

A | Perhaps the D.P.I. would have suggested the number of Units from the number of Colleges or Students. So let both Malabar & Tanjore have 9 each. pa

B | I have no objection to Prof. Ruthnaswamy though I would have preferred a younger man.
