Request for.

I have the honour to state that all the officers in this office have no good table writing pads and much difficulty is experienced by them for want of writing pads. The Superintendent, Government Press who was addressed in the matter replied that sanction of Government has to be obtained for supply of writing pads to the Officers.

2. In the circumstances, I request that Government may sanction the supply of table writing pads to the officers in this office.

Yours faithfully,

K. R. Srinivasan

Sir,

Sub: Table writing pads - Supply to the Officers
in the office of the Director of Public
Instruction, Madras.

Ref: Government Memo. No.7783A/53-1-Education
dated 25-2-53.

I submit that as per Appendix F of the Printing Manual, Part I, 1938, the supply of table pads is restricted to Officers in the departments of the Secretariat only. The supply of 15 table pads made in April 1950, was a special case, because the Government ordered the supply. Even for Secretariat Officers, new supplies are made only when new posts are created. It will be a very awkward precedent if this work of the heads of departments are to be taken up as a matter of course, and what is more if fresh supplies are to be made at such frequent intervals.

~~The S.P.I. is informed that~~ AS per Appendix F of the
Printing Manual, Part I, 1938, the supply of table pads is
restricted to officers in the departments of the Secretariat.

The Dir is informed ^{in 1950} that the supply of 15 table pads ^{to his office} was sanctioned as a special case and that even for Secretariat
officers, new supplies are made only when new posts are created.
In these circumstances, the Dir's request for the supply of 15-

new table writing pads by the S.G.P. Press, cannot be complied with.
He may, however, ^{the} request to send old pads to the Press for necessary repairs.

Ref: From the DPI no 57 C/53 dated 11.2.1953

From the Superintendent, Govt Press, no 27/5-1953

dated 6-3-1953

In 1950, the DPI requested the Govt to accord necessary sanction for the supply of table writing pads to the officers in his office as much difficulty was experienced for want of writing pads. In G.O. No 615 Education, dated 27.2.1950, the Govt accorded the necessary action. ^{Accordingly} the S.G.P. supplied 15 table pads to the Dir's office.

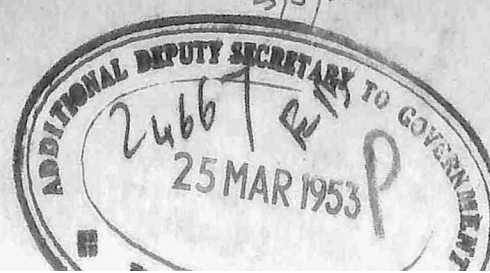

2. The Dir in his letter at p. 1 CF has requested the Govt to accord sanction for the supply of 15 pads as the pads supplied served for nearly 3 years and that most of them have worn out by fair use and require replacement. The S.G.P. who was consulted in the matter has stated that the supply of table pads is restricted to officers in the Dept of the Sect only, that the supply in 1950 was made as a special case that even for secretariat officers new supplies are made only when new posts are created and that it will be an awkward precedent if the work relating to the supply of pads for the Heads of Sects are taken up as a matter of course and that if fresh supplies are to be made at frequent intervals. In the circumstances, it is for orders whether the views of the S.G.P. may be accepted and the Dir informed accordingly. The Dir may be requested to send the old pads to the Press for necessary repairs etc.
