Admission of pupils for training in basic education at
Kuruvikulam.

* 333 Q.—SRIMATHI V. LAKSHMI AMMAL: Will the Hon.
Minister for Education be pleased to state—

- the number of pupils admitted for training in basic education at Kuruvikulam in Tirunelveli district this year;
- the present number on the rolls of the institution; and
- the reasons for the change in strength?

THE HON. SRI K. MADHAVA MENON:—“(a) The parti-
culars are as follows:—

In the senior section—39.

In the junior section—43.

“(b) The number on the rolls at present are as below:—

In the senior section—35.

In the junior section—38.

“(c) The figures do not reveal any fall which can be con-
sidered around.”

SRIMATHI V. LAKSHMI AMMAL:—“Sir, is it not a fact
that many students have left the school and may I know what
is the reason for it?”

THE HON. SRI K. MADHAVA MENON:—“Sir, only five
students in one case and four in another case have left the
school; the rest are all there in the school. In the case of
senior grade students, out of the four who have left the
school after admission, two left the school since they got
appointment elsewhere, one due to an urgent call for manage-
ment of his lands and the other on account of his inability

to adjust himself to the new scheme of education. Out of
the five candidates in the junior class who left the school,
one left on account of continued illness, one for continuing
his high school studies, and two left since they were not
accustomed to manual labour and the kind of food prepared
here with ragi and cholam. These reasons are given by the
students themselves in their written statement.”

SRIMATHI V. LAKSHMI AMMAL:—“Sir, is it a fact that
the meals served there were not satisfactory to the students?”

THE HON. SRI K. MADHAVA MENON:—“Yes, Sir. I said
that in the case of two students, they were not accustomed to
manual labour and the food prepared out of ragi and cholam
did not suit them.”

JANAB MOHAMED ABDUL SALAM:—“Sir, whenever the
question of basic education comes up is it not a proper thing for
Hon. Minister for Education to consult his predecessor in office,
who is an authority on basic education?” (Laughter.)

THE HON. SRI K. MADHAVA MENON:—“That is not a
question arising out of the present question. Anyhow I shall
reply it. I shall certainly consult the ex-Minister, whenever
it is necessary, as it will be helpful to me.”

The papers may now be recorded.
