No. C-516/49 dated Srinagar, 27th October, 1949

Reservation of seats for Kashmir candidates for training in Civil Engineering and Electrical Engineering Degree course for the session 1950

****

Sir,

I have the honour to address you on the subject noted above, and to say that in connection with the various development schemes under contemplation in the State ,the Government of Jammu and Kashmir stand in need of technically trained personnel for the engineering services,for carrying out such schemes. With this object in view,it is proposed to depute annually four candidates for undergoing training in Civil Engineering Degree course and one candidate for Electrical Engineering Degree course from the year 1950.

2. With a view to enable the Government to select suitable candidates and to depute them on the due date for joining the training course , it is necessary to have seats arranged in advance . I am therefore directed to request that you will kindly arrange for the reservation of four seats in the Degree course (Civil Engineering) and one seat in the Degree course (Electrical Engineering) for

for the 1950 session in any of the institutions shown below:

1. Department of Engineering & Technology, Annamlai University
2. Engineering College, Anantpur
3. Arthur Hope College of Technology, Coimbatore
4. College of Engineering, Guindy, Madras
5. College of Engineering (Vizagapattam) Coconada

3. I am to request that intimation about reservation of seats may kindly be sent as expeditiously as possible, in order to enable the Kashmir Government to make all arrangements in time.

3

4. The following information may also kindly be sent for selection of suitable candidates :-

1. Basic qualification and certificates prescribed for admission
2. Age limit
3. Date of commencement of session in 1950
4. Six copies of application forms of the institutions concerned for admission
5. Date of application
6. Duration of Degree course (both theoretical and practical)
7. Details of fees payable for each student for the 1st year and subsequent years
8. Average monthly expenses for board and lodging
9. Cost of books for the full course
10. Any other relevant information

Yours faithfully,

Secretary, External Affairs,

I have the honour to state that admissions to the B.E. Degree course in the Annamalai University are entirely left to the University authorities and the Government of Kashmir and Jammu may therefore be advised to take up the proposal for reservation of seats for their students in that University direct with the University authorities. As regards Government Engineering Colleges in the Province there is an overwhelming demand for Engineering studies within the Province itself and even the seats reserved at present for candidates from outside the Province are distributed among the three Engineering Colleges other than the one at Guindy - vide Government Memo. 52005-A/48-A Edn., dated 29.7.1948. However, in view of the pressing need for technical personnel for Engineering Services in Kashmir and Jammu as pointed out in the letter No. C. 516/49 dated 27.10.1949 from the Secretary, External Affairs, Srinagar, Government may consider the reservation of 2 seats (1 for Civil and 1 for Electrical Engineering) in the College of Engineering, Anantapur.

Sub: Engineering Colleges / Reservation of seats for students from Jammu and Kashmir

Ref: Your No.C.516/49 A dated 27-10-49

p. 1-3 c.f.

With reference to your letter cited, I am directed to inform you that the Govt. have decided to reserve two seats in the Engg. College, Anantapur, (one for Civil Engg. and one for Electrical Engg.) for students from Jammu and Kashmir, with effect from the academic year 1950-51. It is regretted ~~and to say~~ that in view of the limited number of seats available and the large number of applicants from this State itself, it is not possible to allot more seats for Jammu and Kashmir students. I am also to inform you that your Govt. will have to pay a contribution of Rs.900/- (Rupees nine hundred only) per annum ~~p.a.~~ for each of the students admitted, as non-Madras students are charged at this rate at present.

As regards reservation of seats in the Dept. of Engg. and Technology, Annamalai University, ~~I am to inform you that~~ you may address that University direct in the matter.

2. With reference to para 4 of your letter cited, I am to enclose an extract from the letter of the Principal, Engg. College, Guindy, containing the information required, together with 6 forms of application for admission to B.E. Degree Course.

Subject:- Reservation of seats for Kashmir candidates for the Session 1951 in the Engineering Degree Course.

Sir,

I am directed to invite reference to your letter No:622-Education dated 27th February 1950 in which you communicated the approval of the Government of Madras to the allotment of two seats in the Engineering College, Anantapur for Kashmir candidates for the 1950 Session. The paucity of trained engineering personnel in the State is acute and the need for trained engineers is great. I am, therefore, directed to request that as only two seats were allotted to Kashmir in 1950 a larger number may kindly be reserved for Kashmir candidates for 1951 Session and for future years. I shall be grateful if you will kindly intimate the maximum number of seats that the Madras Government may be pleased to allot for Kashmir for 1951 Session in the various Engineering Colleges in your State and also supply the following information :-

- i) Basic qualifications and certificates prescribed for admission;
- ii) Age-limits;
- iii) Date of receipt of applications by the Principals of Colleges;
- iv) Date of commencement of Session in 1951;
- v) Duration of the Degree course;
- vi) Details of fees payable for the first year and subsequent years;
- vii) Average monthly living expenses;
- viii) Cost of books, instruments etc per annum;

Kept below (K)

In enclosing herewith a copy of the letter R.C.No.8-B/51 dated 9-2-1951 from the Principal, College of Engineering, Guindy (together with the application forms etc.) I have the honour to state that the circumstances under which only 2 seats were reserved for students from Jammu and Kashmir State in Government letter No. 622 Education dated 27-2-1950 continue to exist and the Principal's remarks make it difficult to justify the allotment of any more seats unless the Government are pleased to consider otherwise.

Yours faithfully,

ENCLOSURE:

Copy of letter R.C.No.8-B/51 dated 9-2-1951 from the Principal, College of Engineering, Guindy to the Director of Public Instruction, Madras-

------

Sub: Colleges - Engineering - reservation of seats for students from Jammu and Kashmir State.
REF: Proceedings No.R.C.47-K.2/51 dated 15th January 1951.

With reference to the Proceedings cited above I wish to state that a large number of applications are received from students of the Madras State for admission to the four Engineering Colleges. The number of applications received for the last three years are given as under:-

1948:- 2,320/-; 1949:- 2,027; 1950:- 2,284;

According to the orders received from Government from time to time 25 places are reserved for students from other States as follows:-

East Africa.	2	Refugees	3
Ceylon.	4	Travancore.	2
Orissa.	2	Hyderabad and Mysore.	2
Cochin.	2	Jammu and Kashmir.	2
Indonesia.	4		
Coorg.	2		

A

From the above it will be seen that in 1950, 2 places were specially reserved for students from the Jammu and Kashmir State. In addition provision has been made for any displaced personnel to apply for admission to the four Engineering Colleges in the Madras State, their applications being considered on merit but without domicile. A large number of students from the Kashmir State, therefore, apply as displaced personnel and have been considered for admission by the Selection Committee. There are, therefore, sufficient chances for

8/ 20

A/ these students to be admitted into the Four Engineering Colleges provided they have merit.

In the circumstances explained above and on account of large number ~~of~~ seeking admission to the four Engineering colleges in this State it is considered that further reservation for the Jammu and Kashmir State would not be fair to the students of the Madras State. However, a decision on this point has some bearing towards the policies followed by the Government and any further reservations may, therefore, be made by the Madras Government.

The following particulars are furnished as required by the Secretary, External Affairs, Government of Jammu and Kashmir, in his letter No.B.1663/50-EA., dated 27-12-1950:--

I. Basic qualification and Certificate prescribed for admission.	The Intermediate examination of the Madras or Andhra Universities with Mathematics, Physics and Chemistry as optional or an examination in some other equivalent there to by one of these Universities.
II. Age limit.	Must be under 22 years on 30th June of the year of admission but the limit shall be extended by 2 years in the case of Harijans, Muslim and Oriya candidates and those belonging to Agency tracts.
III. Date of receipt of application by the Principals of Colleges.	The last date for the receipt of applications for a B.E., course is 5th June of the year in which applications are called for.
IV. Date of commencement of session in 1951.	July, 1951, for the newly selected students.
V. Duration of the degree course.	Four years (for both the theoretical and practical).
VI. Details of fee payable for the first year and subsequent years.	Tuition fees Rs.216/-per annum; Special fees Rs.16/2/-. Examination fees: First B.E. Rs.30/- Second B.E. 40/- Third B.E. 45/- Fourth B.E. 65/- Instead of tuition fees capitation fees of Rs.900/- per annum should be paid by the Government ~~m~~for each student.
VII. Average monthly living expenses.	Boarding Rs.65/-per month for a non-Vegetarian section and Rs.55/-P.M. for a Vegetarian section, Lodging Rs.36/- plus Rs.1/8/0 per annum; Rs.18/-current consumption charges per annum.
VIII. Cost of Books -Instruments, etc. per annum.	Cost of Books: First B.E. Rs.110/- Second B.E. 40/- Third B.E. 75/- Fourth B.E. 40 Instruments.
IX. Arrangements for accommodation.	Students will be accommodated in the Hostel Rooms of the College.

Six prescribed application forms (common for all the four Engineering Colleges in the State) are enclosed. If forms are revised for 1951-52, copies of the same will be sent.

Note. In 1949, the Govt of Jammu & Kashmir requested the reservation of

B / 1-3 cf — 5 seats in the Engg Colleges of this State - 4 seats in Civil Engg and 1 in Electrical Engg. As a special case

B / 4 NF — this Govt agreed to the reservation of 2 seats in the Anantapur College - 1 in Civil Engg & the other in Electrical Engg - and suggested to that Govt to

B / 9 cf — address the Annamalai Uty direct for reservation of seats in the Deptt of Engg & Technology of that Uty. In Dec '50 that

B / 13 cf — Govt again addressed for a larger number of reservations for Kashmir candidates for 1951 session and ~~similarly~~ the reply

B / 21 cf — was given regretting inability to reserve more than 2 seats for Kashmir.

It may be said that in addn to these 2 seats, there are chances.

Sub: Colleges-Engg.-Reservation of seats for students from the State of Jammu & Kashmir.

pl-3 c.f. From the Govt. of Jammu & Kashmir, External Affairs No. C-516/49 EA. d. 27-10-49.

p7 c.f. From the D.P.I. No. 1330-K_2/48 d. 20.12.49.

Ⓣ/107 The Govt. have reserved a number of seats in their Engg. colleges for students coming from outside the Province as shown below –

Cochin State (now Union)	—	2
Ceylon	—	2
E.& S. African	—	2
Coorg	—	2
Orissa	—	2
Refugee Students from Pakistan	—	3
Indonesia	—	4
	Total.	17

The Govt. of Jammu & Kashmir have in their letter on pl-3 c.f. requested that four seats for the B.E. (Civil) and one seat for the B.E. (Electrical) course may be reserved for their students in any of the (four) Govt. Engg. colleges in this Province ~~or~~ in the Annamalai Uty.'s Engg. college. The D.P.I. has recommended that two seats (one for civil and one for Electrical) may be reserved in the Govt. Engg. College at Anantapur and that the Govt. of Jammu & Kashmir may be advised to address the Annamalai Uty. authorities for reservation of seats in their Engg. college. In view of the special conditions prevailing in the State, the recommendation of the D.P.I. may perhaps be accepted. The file may be circulated to H.M. (P.W.) and then to the Premier for orders. (The Kashmir Govt. will have to pay contribution of Rs 900/ p.a. ~~for~~ each St

Should not the reference have come through the Govt of India –

(2) If reservation is made for one Indian State, which has no claims as of neighbourhood, how can we resist similar claims from other states. I note that it is not the political condition but the economic development of the state, which is common to all states, that is urged as a reason for the reservation

Re economic

Para 2 above: It is submitted that it is unlikely that any other States or Provinces will ask for reservation of seats for their students in our colleges, if the request of the Kashmir Govt. is complied with. We have already reserved the required seats for the States and Provinces who wanted them as on p. ante, ~~and, if~~ further, neighbourhood is not the only criterion on which the requests for reservations of seats in our colleges are considered – e.g. in the case of Indonesia, & South and East Africa, it was cultural and political reasons that influenced the decision. Similarly, in the case of Kashmir also, we may take into account the peculiar economic as well as political conditions obtaining

in the State (though they do not mention the political conditions) and decide in favour of complying with their request though, however, to the extent recommended by the D.P.I. only.

E & P.H. notes from the middle of p. 2 ante may be perused. The file has been sent to this dept. for remarks with ref. to portion marked K overleaf. The instructions from the Govt. of India communicated to the Depts. of the Sectt. with G.O. Ms. No. 2763 Pub / Poll) d. 9.11.48 regulate only correspondence emanating from Provincial Govts. to former Indian State Govts. and not vice versa. It is likely that similar instructions would have been issued to all former states, but this dept. have no information. With these remarks the file may be returned to E & P.H.

The Kashmir Government have requested us to reserve five seats in our Engineering Colleges for their students. The reservations made so far in respect of States and areas are shown at page 1 and are in the total of 17. The D.P.I.

85463/49 A

recommends that two reservations at Anantapur may be made and that for a third the Kashmir Government may be asked to address the Annamalai University.

The position regarding Engineering Education is very acute and we are able to admit only a small fraction of the total number of applications So far, our reservations have been in favour of neighbouring States or of foreign countries for special reasons. If it is considered that Kashmir should be treated as a special case, we may make the reservation of 2 seats suggested by the D.P.I. If not, we can give only one seat and suggest that another seat may be available at the Annamalai University.

8/2/50

H.M.(P.W.) We may reserve 2 seats as suggested by the D P I ~~& ask~~ leave the third for the Annamalai University
