Ref:- Government Telephone Message dated 14-2-1950 regarding the purchase of site for play-ground for A.K.D. Dharmaraja Secondary School for girls, Rajapalayam.

The lump sum provision of Rs.25,000/- in the current year's budget for payment of play-ground grant does not include a specific provision for the scheme of the A.K.D. Dharmaraja Secondary School for Girls, Rajapalayam. This scheme came up for consideration in December 1949. The schemes which came up earlier, are likely to take up the full budget provision if all of them mature for payment in this year. If any of them fail to qualify for grant and if the scheme of the Rajapalayam School is approved by Government and put through by the management in the current year itself, then it may be possible to consider the scheme for grant in this year to the extent funds are available.

The management wishes to purchase the site before the end of this year. If they are permitted to do so, the question of grant for the scheme may be considered as and when funds become available in this year or later.

GRANT - Playground to A.K.D. Dharmaraja Secondary School for girls - Rajapalayam - Purchase of site -

From the D.P.I. No. Rc. 30D6/50 dated 9--2--50.

The D.P.I. brings to the notice of Govt. that A.K.D. Dharmaraja Secondary School for Girls, Rajapalayam, which caters to the needs of backward areas has no playground of its own and with its strength of 135 girls in Forms I to IV requires an acre of land for use as playground. He further says that the site of 1 acre of land in the centre of the town close to the new school site in which the building is rising up is an ideal one for the school and is available for sale. The management is reported to be negotiating with the owner of this land who is willing to sell it for Rs.16,000 (one acre only).

As girls schools should have playgrounds close to the building, the management think that unless the particular piece of land in question is not acquired for the school it may not have playground of its own within the town area.

The market value of the land in that area is reported to range from Rs.16,500 to 20,000 per acre. In the circumstances the D.P.I. requests that the school may be permitted as a special case to purchase 1 acre of land at Rs.16,000 per acre for use as playground and sanction an half-grant to the school on the basis of the actual purchase price or the Collector's valuation of the land whichever is less. According to this proposal the Govt. will have to pay a grant of Rs.8000 to the school.

In Memo No.78354-47-12-C1-Edn., dated 2-12-48, the Govt. ordered that the limit regarding the price of land that ^{may} be paid for an acre in municipal areas for acquisition as playgrounds for secondary schools should be only Rs.3,000 and the grant admissible for an acre of

land in a municipal area ^{should be} only Rs.1500. but in the case of Rajapalayam ^{school} the grant that may have to be paid for 1 acre of land will be Rs.8,000, i.e. Rs.6,500 more than the limit ^{laid down} prescribed for the payment of grant to secondary schools for playground purposes. In view of the need for the particular land as playground for the girls school at Rajapalayam and in view of the abnormally high price of land in that particular area it is for orders whether ^{Rs} 8,000 claimed as grant may be sanctioned as a special case.

Finance may see for remarks.

It is doubtful if land at Rs 3000/- will be available in any municipal limits. Exceptions therefore are to be made, when the need for any land is proved.
