4th September, 1948.

Sir,

I respectfully beg to lay the following lines before you for your kind and sympathetic consideration.

I, Sir, served in the Madras Guards AF(I) Fort St. George from 1941 to 1946. In 1947 I was canceled a Military Educational concession for my son Maurice D'Moore aged 14 who is attending Mary's High School, George Town, (my daughter Jean D'Moore aged 13 years) who is attending St. Kevins Middle School, Royapuram. Unfortunately for no explicable reason the Military Education concession which was conceded me during 1947 for my three children has been discontinued and I have been asked by the school authorities to apply for the same.

Congruent with their instructions I am appealing to you Sir, to kindly extend my three children the consideration which was extended them in 1947, under the Military Educational concession.

I beg to add I am now unemployed and therefore financially incapacitated from paying school fees. We have been advised by H.E. Governor General not to neglect the education of our children but in my present circumstances my children's education would be effectually neglected if they are not granted the Military Educational Concession, as the above mentioned schools are not prepared to allow them to continue their studies unless their fees are paid. In the circumstances, I most respectfully beseech you, Sir, to kindly continue the Military Educational Concession which was conceded to them in 1947,

Thanking you in anticipation.

Yours faithfully,

No. R.O.C. 2042 W2/48 dated 3-5-1949.

Sir,

Sub:-- War--Educational concessions to children and dependants of soldiers--Petition from Mr. E.C. D'Moore.

Ref:-- Govt. Endt. No. 66516/48-1 Cl Edn. dated 13-9-48.

In resubmitting herewith the papers referred to me for remarks with the Govt. Endt. quoted above, I have the honour to state that the above soldier was discharged from war service in 1946. He applied for the award of the educational concessions for his three children in 1947 and the Inspectress of Anglo-Indian schools, Madras sanctioned the educational concessions to the three pupils for that year. In 1948 he applied for the concessions on behalf of two pupils only (Relp D'Moore and Jean D'Moore). On production of the poverty certificate, the Inspectress of Anglo-Indian schools, Madras renewed the concessions to these pupils for that year. The concessions to the other pupil Maurice D'Moore for the year 1948 have not been sanctioned and the matter is under correspondence.

2. The grant of the educational concessions to these pupils for the years 1947- and 1948 is irregular, as the soldier on whom the pupils are dependent is not enrolled under the Indian Army Act, or British Army Act, or Burma Army Act. In this connection, I invite your attention to Govt. Memo. No. 79489/48-3 dated 17-12-48, declaring the children and dependants of A.F. (I) personnel, India to be ineligible for the concessions with reference to this Memo. The Inspectress of Anglo-Indian schools, Madras is being requested to recover from the party concerned the total amount on account of the irregular grant of the concessions to these pupils for the years ~~1947-48~~ 1947/48 and remit the same into a Government Treasury.

3. A further report will be submitted to Government in due course.

Roc.No.2042 W2/48 dated 19-11-1949.

Sir,

Sub: WAR - Educational Concessions to children and
dependants of soldiers - irregular grant of -
to the children of Mr. E.C.D'Moore.

Ref: Govt.Indt. No.66516/48-2 Cl Edn., dated 13-6-1949
and the reminder thereon dated 14-10-1949 and this
office letter Re.No.2042 W2/48 dated 25-10-1949.

The amount, which the children of Mr. E.C.D'Moore received, on
account of the irregular grant of concessions, is P.370 and the
Inspectress of Anglo-Indian Schools was instructed to recover the
same from the Party concerned. It is reported by the Correspondent
of the St. Kevin's School, wherein the children are studying that
Mr. E.C.Moore is unemployed and that he is not in a position
to refund the money. The Inspectress of Anglo-Indian Schools,
Madras, who was also responsible for the irregular sanction of
the concessions, was asked to state why she should not be held
responsible for the irregular sanction of the concessions to the
pupils especially when the soldier was not enrolled under the
Indian Army Act or British Army Act or Burma Army Act and why the
amount paid to the pupils should not be recovered from her. I en-
close herewith copies of letters Roc.No.27-42/49-50 dated 19-9-1949
and 4-11-49 from the Inspectress of Anglo-Indian Schools, Madras
explaining the circumstances under which the Educational concessions
to the pupils in question were sanctioned. In the circumstances
stated by her, I consider that the error, in awarding the concessions
to the pupils seems bonafide and I recommend that Government may be
pleased to ratify the action of the Inspectress of Anglo-Indian
Schools, in awarding the concessions to the pupils.

2. A copy of Proceedings Re.425 W/42 dated 22-8-42 referred
to in the Inspectress of Anglo-Indian Schools letter is also enclosed.

Yours faithfully,

Sub: Educational concessions to children and dependants of soldiers.

Ref: Your Roc.No.2042 W2/48 dated 25-8-1949.

My action was based on (1) the statement of the applicant in the application form that he was enrolled under the Indian Army Act whose terms of service included liability to serve overseas in a theatre of war.

(2) Recommendation of the Correspondent; and
(3) The poverty certificate from the Tahsildar. The circumstances under which the concession was sanctioned were clearly explained in my Rop.No.27-48/49 dated 24-4-49.

As such I submit that I do not feel I am responsible for the sanction which is pointed out as irregular.

Copy of Rop.No.27-42/48-49 dated 4th November 1949 from the Inspectress of Anglo-Indian Schools, Madras to the Director of Public Instruction.

Ref: Proceedings Rc.No.2042 W2/48 dated 11th October 1949.
Also ,, Rc.No.2042 W2/48 dated 3rd May 1949.

Sub: WAR - Educational Concessions to children and dependants of soldiers - Grant to the children of Mr. F.C.D'Moore - Recovery ordered.

It is pointed out that the grant of the educational concessions to the children of Mr. F.C.D'Moore for the years 1947 and 1948 to the extent of P.370/- is irregular as the soldier on whom the pupils are dependant was not enrolled under the Indian Army Act or British Army Act or Burma Army Act.

On a further scrutiny of the connected Government orders and Director's Proceedings regarding the grant of educational concessions to children of soldiers I consider that the grant of the concessions to the pupils referred to does not seem to be irregular.

In Proceedings Rc.No.425 W/42 dated 22-8-1942 it has been ordered that "Auxiliary Force (India)" may be taken as coming within the Indian Army Act. The father of the pupils in question served in the A.F.(1). Necessary certificates were produced from the Revenue Authorities and I granted the concession.

It is only after a subsequent reference from this office R.P. 27-48/49 dated 3-2-1949, Government have passed orders in their memorandum No.6583/49-1 C-1 Edn., dated 26-2-1949 (Communicated in Proceedings Rc.No.2530 W2/48 dated 11-3-49) that the children of A.F.(1) are not eligible for the award.

Since the concessions to the pupils were granted before the issue of the Government Memorandum I request that the Director will be so good as to ratify my action in having granted the concession for which they were eligible with reference to Proceedings Rc.No.425 W/42 dated 22-8-1942.

War - Educational concessions to children and dependants of soldiers - irregular grant of -
to the children of Mr.E.C.D'Moore.

In his petition dated 4-9-48 Mr.E.C.D'Moore has requested that his three children may be granted educational concessions ^{for their studies in} during 1948, as was done during 1947. The matter was referred to the D.P.I. for remarks. He states that the concessions were continued during 1948 in the case of two children of Mr.E.C.D'Moore whereas the question of sanctioning the concession to the third is under ~~exam~~ correspondence. ~~He~~ He points out that the concessions granted to the children of Mr.Moore during 1947 and 1948 are irregular with reference to the orders in Memo.No. 6583/49-1C1 dated 26-2-49. He states that the concessions were wrongly sanctioned by the Inspectress of Anglo-Indian Schools and that the amount needs recovery from the party. On a further report in the matter since received from the D.P.I. it is seen that the amount of concessions ~~wrongly~~ ~~granted~~ and received by the children of Mr.Moore is Rs 370/- and that it is not possible to recover ~~the~~ ^{it} from the party since he is unemployed. In this connection, he has forwarded ~~xxxxxx~~ copies of letters from the Inspectress of Anglo Indian Schools and recommends that the action of the Inspectress in awarding the concessions to the pupils may be ratified since the error in awarding the concessions is bonafide. From the letter of the Inspectress it is seen that the concessions were sanctioned on the statement of the party that he was enrolled under the Indian Army Act (vide Z on p.15 c.f.) and also with reference to the proceedings of the D.P.I. dated 22-8-42 in which the Auxiliary Force (India) was included in the list of departments coming within the Indian Army Act. The Inspectress therefore states that she is not responsible for the irregular sanction

2. The D.P.I. is requested to issue a circular to all authorities to ensure that ~~similar~~ concessions are not continued in future to children and dependants A.F(I) personnel.

3. The petitioner is informed that his request is inadmissible under the rules.

The D.P.I. has explained in his letter at p. 23 c.f. in detail.
