I have the honour to state that the Government
sanctioned in G.O. Ms. No. 1176 Edn. dated 11th May 1948.

the appointment of two Assistant Curators to work as Guide
Lecturers in the Government Museum for a period of one year
from the date of appointment. Two lady Assistant Curators
were accordingly appointed on 12th April 1949 and their
period of appointment under the present sanction is due to
expire on 12th April 19450.

Regular batches of illiterate visitors are
taken every day at regular intervals by each of the Assistant
Curators round the galleries explaining the importance of
the main exhibits. This kind of instruction should, no
doubt, reach a considerable portion of the visitors, but it
is not possible for two guide lecturers to attend to the
entire bulk of visitors. With a view to extend this
instruction to a bigger number of illiterate visitors, the
Assistant Curators are also giving a course of training to
batches of Boys Scouts who are instructed to guide the
illiterate visitors on Saturdays and Sundays. The Assistant
Curators are also to assist the Curators in labelling,
cleaning and other preservative treatments given to exhibits.
Their services are also of considerable help to Curators
for the Museum Technique Course. Considering the steady
increase in the number of visitors to the Museum every day
the bulk of whom are illiterates, the services of the
Assistant Curators have become very useful and essential.

I therefore request Government to accord necessary sanction to employ them for a further period of one year from 12th April 1950.

Yours faithfully,

A. Aiyappa
Superintendent.
