2. The variations between the Revised Estimate for 1949-50 and the Budget Estimate for 1950-51 have been explained by the President, Dt.Board.

3. Revised Estimate for 1949-50:

i) Credit has been taken by the Dt.Board for a sum of Rs.77,550/- under section 37 of the Elementary Education Act, 1920, whereas a sum of Rs.77,547-8-0 has been sanctioned in G.O.No.3940 Edn., dated 23-12-1949.

ii) The District Board has taken credit for a sum of Rs.204294/- under the proviso to section 37 and teaching and the actual amount sanctioned is Rs.205490/- with reference to G.O.Nos.1753 and 1754, dated 27-5-1949. There is a difference of Rs.1196/-. It has not been explained, why credit has been taken for a lesser amount.

iii) The expenditure under ordinary exceeds the receipt and there is a deficit of Rs.82,970/-. There is a balance of Rs.70/- under the head "Capital". Thus the closing balance is minus Rs.82900/-.

4. Revised Estimate for 1950-51:

PROCEEDINGS OF THE MEETING OF THE AD HOC COMMITTEE CONSTITUTED IN D.B.R.1298 dated 3-12-49 HELD AT 2 P.M. ON SATURDAY THE 17th DECEMBER 1949 IN THE DISTRICT BOARD OFFICE, TIRUCHIRAPPALLI.

---

TO CONSIDER THE DRAFT BUDGET FOR 1950--51.

AND THE REVISED ESTIMATE for 1949--50.

---

RESOLUTION.

The Committee views with grave concern the deteriorating condition of the Elementary Education Budget and feels that the Board cannot discharge its responsibility in the matter of imparting Elementary Education within its area unless the present Government modifies the policy of the Advisers' regime and contribites an equal amount of the Education Tax collected in the previous year;

(ii) That the subsidies paid under the proviso to Section 37 of the Elementary Education Act towards the maintenance of the Elementary schools should be at the rates equal to the existing scales of pay and dearness allowance now paid by the District Board.

If this is agreed to, the District Board will be able to wipe off the deficit in the Elementary Education Budget.

2. As regards the General Fund Budget, the Committee is of opinion that the Government should be addressed to ~~henace~~ enhance:—

(1) the contribution paid by Government under clause (a) to sub -saction 1 of Section 10 of the Madras Motor Vehicles Taxation Act and

(2) fees from licences on motor vehicles plying for hire and motor lorries, as the amounts now paid are with reference to the amounts collected in 1931 while the Government are now deriving good income under Licence fees from Motor vehicles, on account of increased number of vehicles.

(3) That all the ferries taken over by the Government for the reason that they lie near the Highways roads be re-transferred to the District Board so that the ferry income already enjoyed by it may not be affected.

(4) That grants paid for village roads be equal to the expenditure incurred on such new roads instead of half-grants as now paid.

(5) That the accumulations in the Railway cess account amounting to Rs. 60,000/- may be transferred permanently to General Account for expenditure on the formation of village roads not included in the Five years programme.

The Revised Budget Estimate for 1949--50 and the Draft Budget Estimate for 1950--51 as prepared by the President are commended to the Board with the above recommendations.

The Revised Estimate for the year 1949-50 opened with a minus balance of Rs.93,870/- against NIL balance as per Budget. The total Ordinary Receipts amounted to Rs. 13,40,120/- against Rs.11,50,350/-. BUDGET ESTIMATE 1950--51.

Receipts.

The Budget Estimate will open with a deficit balance of Rs 82,900/- . The total receipts will amount to Rs.930,530/- against Rs. 13,40,120/- as per Revised Estimate for 49-50. The decrease is due to payment of the normal contribution of Rs. 66,890/- only from the Geneal Account for want of funds A sum of Rs. 5,000/- is taken credit for as Government grant for the supply of equipment to schools. The total receipts both under Ordinary and Capital amount to Rs. 9,35,530/-.

Expenditure.

For want of funds provision is made absolutely for the recurring items of expenditure. A sum of Rs 10,000/- only is provided for repairs to school buildings. The total Ordinary expenditure will amount to Rs. 13,35,340/- against Rs.13,29,220/- as per the Revised Estimate. After adding the provision of Rs 5,000/- for the supply of equipment to the schools, the total expenditure both under Ordinary and Capital will amount to Rs. 13,40,340/-. The Budget will end with a deficit of Rs. 4,87,710/- at the end of the year.

The position of Elementary Education Fund is not at all satisfactory. The Board, while feeling it its main duty to improve Elementary Education, it is unable to help financially to meet the deficit in the Ely.Education Account, as the Gener resources of the Board have already been exhausted by payment of extra contribution to wipe off the deficit. As explained in the General Fund Budget, the Board requests the Government to revise their policy of payment of subsidy under Section 37 and its proviso and make Elementary Education Account self-supporting.

From the D.P.I., No.16-B4/49-50 dated 29-1-50

Order (Ms.) No. 650 Edn., dated 1-3-50

The Govt. pass the following orders on the R.E. for 1949-50 and the B.E. for 1950-51 of the E.E. Fund, under the control of the Dt. Bd., Tiruchirappali.

R.E. for 1949-50: To avoid the deficit of Rs.82,900 anticipated at the end of the current year, the President should take steps to reduce the expenditure under capital or under other heads of account.

B.E. for 1950-51:(1) The Govt. have ~~also~~ decided to sanction contribution to Dt. Bds., in respect of education tax up to 9 pies in the rupee of land revenue, provided they levy the tax at the rate not less than 18 pies. The Board may take credit provisionally for an addl. contribution of Rs.1 lakh due from Provincial funds.

(2) The Govt. consider that the rate of education tax should be raised to meet ~~a portion of~~ the deficit anticipated in 1950-51. The President, Dt. Bd., Tiruchirapalli, is requested to report whether the Board is willing to raise the rate of Education tax to 35 pies in the rupee of land revenue and if so, to forward to Govt. before 1-4-1950 a copy of the resolution of the Dt. Bd. proposing an increase in the rate of Education tax up to 35 pies from Fasli 1360. If the Board, however considers that the enhancement may be fixed at a lower stage, it should be prepared to make an addl. contribution from General Funds to make up the difference in income. The President, Dt. Bd., may be requested to submit a detailed report to Govt. as to which of the alternatives the Board would

SUB: Education--Elementary --Tiruchirappalli Dt. Board payment of dearness allowance to Elementary school--teachers--sanction of grant of 1949-50--requested

---

REF: G.O. No. 1173 L.A., dated 28-5-1945.

---

The Govt. in their order No. 1173 L.A., dated 28-5-1945 promised to consider separately the question of sanctioning grants from Provincial funds to each of the Municipal Councils and local Boards as are unable to meet, from their own funds the whole of the extra expenditure involved in the payment to their employees of dearness allowance at the revised rates. This opportunity was not availed of by the Board, then as the financial position of this District Board was somewhat satisfactory hitherto.

2. Now the Elementary school teachers are being paid dearness allowance at the rates admissible to other establishment and this has resulted in a huge deficit in the Elementary Education account for the year 1949-50. The revised estimate for the year 1949 -50 opened with a deficit balance of Rs. 93,870/- and is expected to close with a deficit balance of Rs. 82,900/- . Inspite of the contribution of Rs. 5,51,800/- from the General Fund account. The Budget estimate for 1950-51 opens with a deficit balance of Rs. 82,900/- and closes with a deficit of Rs, 4,87,710/- For want of sufficient funds no provision has been made for the opening of new schools, appointment of additional teachers and for capital works during the above year. An expenditure of Rs. 2,02,005/- has been incurred towards payment of dearness allowance to the Elementary school teachers for the first half year ended 30-9-1949 and an expenditure of Rs. 201,500/- is expected to be incurred for the remaining six months ie., till the end of March 1950. Unless Govt. come forward with a helping hand to pay full grant, equal to the amount of dearness allowance paid to the teachers, by this board, it is not possible to continue the payment of dearness allowance to the teachers and to administer the Education funds effeciently. The probable amount of dearness allowance to the teachers comes to Rs. 403,505/- for the year 1949-50. Out of this, a a sum of Rs. 40,372/- is expected to be received from Govt. as grant for dearness allowance on behalf of teachers working in elementary schools in compulsory area. Hence the net amount charged to Dt.Board funds comes to Rs 3,63,133/-

3. In the circumstances mentioned above, I request that the Govt. may be pleased to consider the request favourably and sanction a grant of Rs.3,63,133/ for the year 1949-50. Otherwise there will be deficit balance in the Elementary Education Fund and the District Board will not be able to pay even the salaries to the Elementary school masters from April 1950 onwards, as the financial position of the General Account of the Board is also not sstisfactory and as the anticipated closing balance of the Board for 1950-51 ( on 31-3-1951) is only Rs. 1,15,070/- including 2½% balance and that of Elementary Education fund is a deficit of Rs.487,710/-

Early orders of the Government may be obtained and communicated to me.

Read: From the President, District Board, Tiruchirapalli
No. 24925/49 dated 10.1.50
From the D.P.I., No. 16 0-4/49-50 dated 29.1.50.

The R.E. for ~~1950-51,~~ 1949-50 of the E.E. account fund under the control of the District Board, Tiruchirapalli, does not call for any special remarks. There may be a deficit of Rs. 82,100 at the end of the current year. There is no need to pay any subsidy, from provincial funds towards this deficit. The Board may be asked to reduce the expenditure under ~~some~~ capital on works heads, in order to wipe off this deficit. Perhaps this deficit may disappear in the actual working.

2. The B.E. for 1950-51 may close with a deficit of Rs.~~4~~.05 lakhs. This is due to the expenditure of Rs.4.~~21~~ lakhs on d.a. granted to teachers.

3. The question is as to how the deficit anticipated at the end of 1950-51 is to be met. Two alternatives are open - (1) raise the rate of education tax and pay a contribution ~~fmx~~ in respect of education tax upto 9 pies; even if there still be a deficit a subsidy may be paid for d.a. (2) a subsidy may be paid towards the expenditure on d.a; if there still be a deficit an addl. contribution may be sanctioned upto 9 pies. If the addl. contribution in respect of education tax is not able to cover the remaining deficit the question of raising the education tax may be considered.

4. The position under either of the alternatives referred to above is indicated below:-

| Alternative 1 | | Alternative 2 | |
|---|---|---|---|
| Deficit anticipated | Rs. 4,05,000 | Deficit anticipated | 4,05,000 |
| ~~Increase~~ edn. tax if the rate is raised to 1 3/4 pies | 3,10,000 | Subsidy for d.a. | 4,05,000 |
| Addl. contribution in respect of edn. tax upto 9 pies | 1,00,000 | Addl. contribution in respect of edn. tax upto 9 pies | No figure |

Subsidy for d.a. No paper

Addl. income of the enhancement of edn. tax — No need to raise this tax.

For orders which of the alternatives should be followed in the present case. L.A. and Finance may see for remarks before circulation. If the enhancement of tax from 17 to 25 pies is considered steep the increase may be kept at a lower level & a subsidy paid towards the remaining deficit for orders

11/2/50

11/2/50 S I H

Sooner or later all Boards will have to go up to 36 pies, and there is no reason why they should not do so, when land revenue, is almost the one tax which has not been adjusted to the change in the value of money - I prefer the first alternative

The General budget of the Dt. Bd. for 1950-51 has not yet been examined. The contributions shown in the E.E. budget and from provided for in the General ~~Account~~ budget are the same, viz., Rs.5,51,800/- for 1949-50 and Rs.66,890/- for 1950-51. The payment of these contributions from the General Account to the E.E. Acct. may be agreed to in this Deptt. and the file passed on to Finance Deptt.

The large deficit in the Ely Edn Account in 1949-50 is being

avoided by the payment of an additional contribution (Rs 4·85 lakhs) over the normal contribution of Rs 0·67 lakhs. The Dt Bd had been paying such additional contributions during the previous years also. The General budget of the Dt Bd for 1950-51 as approved by it is expected to open with a balance of Rs 5,70,890 & to close with a balance of Rs 11,070 as against the prescribed minimum balance of Rs 44,300. The Dt Bd should be able to make an additional contribution in 1950-51 also as in previous years from the general fund to the ely edn fund, though not to the full extent to cover the anticipated deficit in the ely edn Account for 1950-51. The extent to which the general account can afford to make an additional contribution can be correctly estimated only at the time of approving the R.E for 1950-51 & the B.E for 1951-52 of the General Account. In the circumstances this dept may suggest that the proposal to increase the rate of edn cess may be sent to the Dt Bd for opinion & that it may be asked to suggest the rate of edn cess which it agrees to levy & the amount of additional contribution from the General account which it agrees to pay to avoid the anticipated deficit in the ely edn account for 1950-51.
