Subject:- Purchase of stationery from the Government
Printing Press, Madras.

Sir,

The Indian Central Tobacco Committee is a body constituted by the Ministry of Agriculture. It has shifted its headquarters from Bombay to Madras at the instance of the Madras Government and its then Minister of Agriculture, Hon'ble Mr. K. Madhava Menon (now Hon'ble Minister for Education). The Government of Madras were pleased to provide all facilities for the settlement of the Committee's Headquarters in Madras by allotting Government requisitioned premises for its office. The Government have granted the facility of opening a deposit account in the Dindigul Sub-Treasury. Also they have been pleased to grant the lease of lanka lands at Rajahmundry free of any rent.

While appreciating the help and co-operation rendered by the various Departments of the Government of Madras, the Committee will feel grateful if it is permitted like other local bodies to purchase its requirements of stationery and printed forms from the Superintendent, Government Press and Superintendent of Stationery on cash payment.

The Committee may also be permitted to print its proceedings and reports which will be about 250 pages a year of Royal Octavo size at the Government Press on cash payment.

An early reply will be highly appreciated.

Yours faithfully,
Chandrasekhar Vaidya
