Memorandum of the Commissioner, Udipi
Udipi, dated 27. 9. 1949.

Sri V. Balagangadharan, B.A., (Hons.)

A copy of my notes of inspection of the library dated and extracts from the Audit Report and A.O.S for 48-49 are communicated to Sri U. Muddu, Librarian, Municipal Public Library. Following charges are framed against him.

1. That by failing to send the keys of the Library and Reading Room to the Municipal office before availing himself of casual leave on 29.7.49 and 30.7.49 he caused the closure of the Library and Reading Room on these 2 days and consequent inconvenience to public.
2. That he is keeping the library and the Registers very shabby.
3. That he frequently neglected his duty by:

(1) not taking action for the return or renewal of books over from members.

(2) Not writing up the Register of members for 1949-50

(3) Not taking any steps to collect subscription which is in heavy arrears in several cases and by his habitual irregularity in opening the library and Reading Room as evidenced by his not opening the same till 9.20 A.M. on 1.8.49 and 9.25 A.M. on 12.8.49.

4. That he caused loss of Municipal funds by:

(a) issuing books to persons who had neither paid the deposit prescribed or subscription.

(b) failure to produce 80 books as detailed below ^{list enclosed.} which were found short during the stock check of the library completed on 22.9.49.

(c) by keeping the lights of the library burning through out the night on two occasions in July 1949.

5. That he defied orders of his superior by:

continuing to issue books to members who are in arrears of subscription, against the express provision in the library Regulations and orders from this office dated 18. 1. 49.

He is requested to submit his explanation to the above charges within 7 days from the receipt of this, with replies to the following questionnaire:-

1. Has he any objection to the form of the charge?
2. Does he wish to be heard in person?
3. Does he desire an oral enquiry to be held?
4. If so, in respect of which of the allegations in the charges he desires an oral enquiry to be taken?
5. Does he wish to give evidence himself? If so, on what points?
6. Does he wish to have any witnesses examined on his behalf?
7. If so, he will state their names and note briefly the matters on which they are called upon to be deposed?

Pending enquiry into the charges against him and to avoid inconvenience to the public by non-issue of books (issue of books has been suspended from 15.8.49 for checking stock; he cannot be trusted to do this work properly in the present state of affairs), he is suspended from service from 1.10.49. He will hand over charge of the Library and Reading Room to Sri B. Shivanna Shetty, Municipal Bill Collector on 1.10.49, fore-noon.

During the period of suspension he will be paid subsistence allowance at $\frac{1}{4}$ of his salary plus full Dearness allowance.

Copy of -- Audit Reports-- Parts II --Accounts.

Library Accounts: The accounts of the library are not being properly maintained: The demand, collection and balance statement for 1948-49 was not worked out and the arrear demand register for 1949-50 written. It was therefore not possible to find out the arrears as on 31.3.49. The collection made during the year were not also reconciled with the account.

(b) Several discrepancies pointed out in item 16 of the Annual objection statement for 1947-48 and item 8 of the objection statement for the half year ending 30th September, 1948 were not rectified till the date of close of audit though it was stated that the Municipal Revenue Inspector was deputed to check the accounts etc. The demand collection etc. would need a thorough check to arrive at the exact arrears as on 31.3.49.

(c) The stock of library books was not verified and annual verification certificate recorded.

Sri U. Muddu, Acting Librarian, Municipal Library & Reading Room was suspended from 1.10.49 pending enquiry into the charges against him in this office Memorandum No.Rec.No.A1-3892/49, dated 27. 9. 49 (copy enclosed). Since then several petitions have been received from members of the Library regarding non issue of receipts for amounts paid to the Librarian; it has also been seen that in certain cases amounts -acknowledged by the Librarian by issue of receipts have not been credit by him to the Municipal Office. The accounts of the Library therefore require a comprehensive check. As the same had not been properly written up for the last two years, the checking of the accounts takes more time than originally expected. Three months from the date of suspension was over on 1.1.50. To complete the check of the accounts and the enquiry into the charges, some more time will be required. I therefore request that Government may be pleased to sanction the suspension for a further period of 3 months from 1.1.50 of Sri U. Muddu, Librarian, (under suspension under powers vested in them by G.O. No.3524, L.A., dated 4. 10. 40.
