From: Sri V.V. Subramanian, I.C.S., To

No.E.1.1235/49. Dated: 2/2/450.

Sir,

Stationery Stores - Lorry M.S.C. 8480 - Taken delivery from
the C.S. Transport Unit, Madras - Cart Contractor's
Services - Continuance till 31-3-50 - Permission - request of.

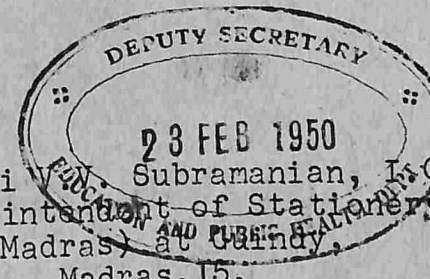

8882
As ordered in Government memorandum No.59069-C2-49-3 Education dated
10/10/49, lorry M.S.C. 8480 has been taken delivery of, from the Transport
Officer, Civil Supplies Transport Unit on 20/1/50. Registration certificate
etc., in respect of the lorry are awaited from him. As soon as they are
received, the lorry will be engaged for the proposed new system of
departmental working. But as it will take some time for this new lorry
and its staff to get settled in the new arrangement of work, I suggest
that the services of the Carting Contractor may be retained till the end
of the contract period viz., March 1950, so that there will be facility
for the new lorry staff to pick up and get used to the new work
without serious dislocation of work which may otherwise occur by the sudden
displacement of the Carting Contractor.

The new lorry will however be used from 31-1-50 onwards for booking
of consignments. But the clearance of the incoming consignments within
the allotted time is the only difficult part of the work, for which the help
of the Carting Contractor is needed. It is proposed to utilise the service
of the Carting Contractor for this work till 31-3-50 and this will be done
to the minimum extent possible. The proposal may kindly be approved.

Superintendent of Stationery.
