Copy of letter Rc.No.235/49A dated 21-12-50 from the Principal, Lady Willingdon Training College, Madras to the Director of Public Instruction, MADRAS.

I am submitting herewith an indent for additional furniture required for the college this year on account of the increase in strength and opening of additional classes during the year. The articles are absolutely essential.

The Superintendent, Penitentiary, has informed that the work cannot be undertaken by him. I am enclosing herewith two estimates received from local contractors and request that they may be approved for. The articles mentioned against their names as the estimate furnished is cheaper for the particular articles.

I request that an amount of Rs.1600/- (Rupees one thousand six hundred only) may kindly be sanctioned under purchase of furniture. The expenditure can be met from the allotment of Rs.3000/- sanctioned for the year after effecting the necessary economy as directed.
