The Supdt. of Stationery has proposed, that in view of the fact that no hand made paper will be available from Govt. sources, since all the hand made paper units of the Industries Dept have been closed, the future requirements of D.O. covers and note sheets may be procured from private agencies either in hand made or machine made variety, in case the former variety is not available. It has also been proposed that in view of the difficulty in procurement of D.O. covers and sheets and in the interests of economy, the supply of D.O. covers and note sheets may be restricted to the officers noted at A in p.1 of. Chief Secy & Finance agree to the proposals.

The file may be circulated to H.M.(E & L) and H.Pr. for orders.

To A.S.

Notes from p.1^{above} and orders in circulation at p.2 ante may be perused.

The proposal in this file relates to the purchase of requirements of D.O. covers and note sheets from private agencies either in handmade or machine made variety in case the former variety is not available in view of the closure of all the Govt. handmade paper units and also to restrict their supply to the officers mentioned at 'A' in the c.f. Chief Secretariat and Finance have agreed to the proposal. H.M.(E & L) has minuted that any amount of handmade paper for D.O. papers and covers and for all our purposes can be had from private agencies.

The Govt. are now considering a scheme for the starting of two handmade paper units one in the North and another in the South under Sri Iyyadurai, an expert in the manufacture of handmade paper trained under the All India Village Industries Assn., Wardha. This is being considered as a Part II Scheme for 50-51 and if the scheme is approved the Units may start functioning from the beginning of the next financial year.

Pending this the Supdt. of Stationery may perhaps be permitted to purchase his requirements from private manufacturers if the Coimbatore Jail and the Penitentiary are not able to meet his requirements in full.

1 P.S.D. may perhaps indicate the private manufacturers of Handmade paper.

I have seen the finest varieties of letter papers, covers in hand-made paper and

P.O.

and in some cases they look finer than machine made paper. We have got private manufacturers. I know One Sri. Nagaraja Rao, Vennar Bank, Tanjore who has got such stock. We can also invite applications from private people thro' advertisement asking them to supply us with a certain type of hand-made ~~hand-made~~ paper. The only thing is that private manufacturers are not given sufficient encouragement. Sri Nagaraja Rao may be asked to supply sample varieties.

To The Secretary to Government,
Education & P.H. Department,
Madras.

No. B-3-11637/48 dated 15-10-1949.

Sir,

STATIONERY - D.O. Covers and Note sheets - Procurement
and Supply - revised proposals - submitted -
Ref:- Govt. Memo. No. 5907-F1/48-3 Edn., dated 6-2-1948.
2. " No. 88439-2-C2-Edn., dated 20-4-1949.

81210
In the Government Memo first quoted above, it was --
ordered that the Hon'ble Ministers should be supplied with D.O.
covers and note sheets made of hand-made paper and that the --
paper required for their manufacture should be procured from
the Industries Department. Similarly in the Memo. second --
cited above, the Government ordered that Secretaries to Govern-
ment, the Hon'ble the Judges of the High Court, etc., should
also be supplied with D.O. covers and note sheets made of hand-
made paper. That being the case, the Director of Industries
and Commerce, Madras has reported that all the hand-made paper
units of his department have since been closed and that he
cannot therefore undertake any further supply of hand-made
paper needed for the manufacture of D.O. covers and note-sheets.
He has now despatched all the stocks of hand-made paper --
available at his disposal. These stocks will be utilised
for the manufacture of covers and sheets.

2. As there will be no further supply of hand-made paper
from Government sources, D.O. covers and note sheets cannot be
manufactured in the Government Press after the existing stocks
are exhausted. The future requirements of these items will
have therefore to be procured from private agencies.

3. In the circumstances, I request to be informed whether
the future requirements of D.O. covers and note sheets may be
procured from private agencies either in hand-made variety or
machine-made variety, in case the former variety is not --
available.

4. In view of the difficulty in the procurement of D.O.
covers and sheets and in the interest of economy, I request
that the supply of D.O. covers and note sheets of either ---
quality - hand-made or machine-made - may be restricted to
the officers noted below :-

- A
1. H.E. The Governor.
 2. The Hon'ble Ministers.
 3. Private Secretary to H.E. the Governor.
 4. Secretaries to Government.
 5. The Hon'ble Chief Justice and other Judges of the High Court.
 6. Members of the Madras Legislature.
 7. Members of the Madras Public Services Commission.
 8. Heads of Departments.
