No.E.C.13241/49. Dated: 23/2/1950.

Sir,

Elections - New Constitution - Electoral rolls -
Printing at private presses - supply of paper -
work increased - Sanction of L.D. clerk - requested.

After the disbandment of the election staff sanctioned to this office, the election work which continues is being done by one of this office clerks in addition to the normal work. Inspite of several reminders, the acknowledgements of 42 presses as per list enclosed are still awaited from 11 districts. The receipt of these acknowledgements has to be watched and action taken to obtain from the defaulters. Further extension of the period of the special staff beyond 31/12/49 was not applied in the hope that after Government's circular No.192/50 -1 dated 12/1/50, there would not be delay in getting acknowledgements from presses and all the work regarding to printing of electoral rolls, would finally end. On the other hand, not only is there delay in the receipt of acknowledgements but several references are being received for additional supply of paper from Collectors which have to be attended to promptly after getting orders of Government. It is not possible for this office clerk to attend to this work also in addition to his normal work which is heavy.

The disposal of the surplus stocks with the various presses has also to be watched as and when reports are received in this office from different Collectors. In order to attend to all these items of special work, an additional clerk is quite essential. Hence I request that sanction may be accorded for the appointment of one Lower Division clerk on Rs.45/- with the usual allowances for a period of three months or till the necessity for it ceases, at an early date.

Sd/- V.V. Subramanian,
Superintendent of Stationery.
