No. 340/49-1 B

Dated the 2nd February 1950.

Sir,

Subject: GOVERNMENT MUSEUM - Temporary additional clerk and one attender - Further retention-Sanction - Solicited.

Reference: G.O. Ms. No. 104 Edn. dated the 23rd Jan'47
G.O. Ms. No. 704 Edn. dated the 30th Mar'48
G.O. Ms. No. 890 Edn. dated the 28th Mar'49

I have the honour to invite reference to orders of Government cited and to state that the sanction for the continuance of the temporary staff of one Lower Division Clerk and attender is due to expire on 31st March 1950.

As already referred to in my letter No. 375-1/49 dated 12th February 1949 disposed of in G.O. Ms. 890 Edn. dated 28th March 1949, the work in the office continues to increase on all sides, due not only to the introduction of the Tottenham system and the system of accounting as revised on the lines recommended by the Collector of Madras, but also due to the increased activities of the Museum. In addition to this steady increase in the volume of work, the Pudukkottai Museum has also been brought under my administrative control with effect from March 1949 and consequently correspondence has further increased considerably. The services of the temporary clerk sanctioned are fully occupied in assisting the Head Clerk in accounts, maintenance of stock books of publications and photos, in addition to his current work of record issuing, scrutiny, preservation and destruction of old records etc. The volume of work relating to old records referred above is so heavy that the temporary clerk is able to clear only a small portion each day after attending to the sale of publication and photos, the maintenance of photo and publication registers and assisting the

Head Clerk in account work. As the services of the Lower Division Clerk and attender can be utilised only partially for record work, a considerable portion of old records remains to be sorted out, read through, selected, mended, stitched, and indexed and it will take considerable time ~~more~~ before it is completed.

3. Considering the present general increase in the volume of work on all sides, especially after the Pudukkottai Museum has been brought under my administrative control, I consider that the permanent retention of an L.D. Clerk and attender is essential to cope up with the work. I shall be addressing Government for the permanent retention of this temporary staff later on. For the present I request that Government may be pleased to accord their sanction for the continuance of the two temporary posts of one Lower Division Clerk and one attender for a further period of one year from 1st April 1950.

Early orders in the matter are solicited.

Yours faithfully,

A. Aiyappa
Superintendent. 3/2/50
