for Director of Public Instruction.

Respected Sir,

Enclosed is an invitation requesting you, your kind presence at the Provincial Conference of the Headmasters on 28th and 29th instants.

You will find from the programme, Sir, that the Conference is purely of an academic nature intended to acquaint the Headmasters in the moffusil with the main aspects of the Reorganised Scheme of Secondary Education. The Conference does not propose to discuss any problem relating to salaries and service conditions of the Head-Masters.

As the Conference is purely of Educational interest may I on behalf of the Headmasters, request you to use your good influence and see that the expenses of the visiting Headmasters are approved for purposes of grant. This will enable a large number of mofussil Headmasters to attend the conference and benefit by the discussions.

I sincerely trust that you will do the needful in this matter which deserves your kindness and sympathy.

Grant - Teaching - Provincial Headmasters' Conference -
Expenditure on Travelling Allowance.

From the D.P.G. Re. No. 3178 L4/49 d/18-12-49.

The President of the Headmasters' Association, Madras, has proposed to convene a conference of the Headmasters of Aided Secondary Schools on the 28th and 29th of December 1949 to discuss the reorganised scheme of Secondary Education and to visit the Educational Exhibition. He has suggested that the expenditure on payment of travelling allowance to the headmasters who attend the conference may be reckoned as an item of approved expenditure for purposes of assessment of teaching grants to the

institutions concerned. The D.P.G. agrees to the proposal. The expenditure to Govt. is estimated at Rs 1250 and the total expenditure on this account at Rs 2500. Presumably it is the Director's intention that it will be sufficient to give a half grant towards this expenditure even though the basis of assessment of teaching grant is two-thirds of the net cost of maintenance of this school. This will necessitate the calculation of grant for this item of expenditure separately as in the case of dearness allowance.

3. The reorganised scheme of Secondary education was introduced from the school year 1948-9. If even by this time, the headmasters of Secondary Schools have not clearly understood the implications of the scheme and if a conference of the kind proposed to be held will be of any use in implementing the scheme, it does must be organised by the Dept. and it must be applicable to headmasters of secondary schools under local bodies also. A D. Conference will be more useful & less costly than a Conference at P.W.D. of assessment of teaching grant. It will create an inconvenient precedent. In view of the need for all round economy it is for consideration whether the Director's proposal that a half grant may be sanctioned towards the expenditure on travelling allowance paid to the headmasters of aided secondary schools invited to attend the conference should be approved.

3. The file may be sent to Finance v.o for remarks.

It is understood from Mr. Natarajan, Secretary that this conference was actually suggested by the D.P.I., when he was presented with the difficulties and anomalies in the reorganisation. It is doubtless that the conference is in public interest and the headmasters should not be out of pocket. Govt recognises such conferences at a district level and this may be recognised at a provincial level, with a proviso that in future sanction should be obtained in advance.

Please see the D.P.I.'s letter and its enclosure on pp 1-2 cf. and the note of E & P. H. on pp 1-2 above. Presumably, the intention of the D.P.I. is that a special grant not exceeding Rs. 1,250/- may be sanctioned to the Head Masters Association in order that the head masters who participate in the conference may be reimbursed with one half of the expenses incurred by them on journey etc, and not that the proposed grant should be paid to the management as part of the teaching grant. In the circumstances stated by the Secy to P.H. above, it is subd. that the proposal may be agreed to in Finance as a special case.

Apparently the proposal is to recognise

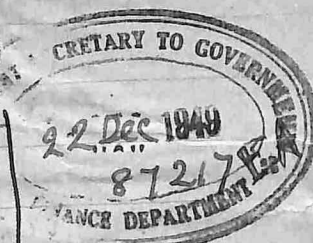

the convening of a Conference of the Headmasters of Aided Secondary Schools ^{at a Provincial level} as an annual affair and to allow a half grant towards the expenditure on travelling allowances of the headmasters - Cf. 15 on page 2 above. The expenditure for the current year is estimated at Rs. 2500 and it is proposed to sanction a grant not exceeding Rs. 1250. This may be agreed to, as a special case, subject to orders being taken in circulation including H.M. (Finance).

In the ~~linked~~ file, it has been decided to sanction a contribution of Rs. 2000 a year to the South Indian Teachers' Union from 1950-1 onwards and the S.P.I. is proposed to be asked to submit specific schemes for the approval of the Govt. It seems that the half grant for the purpose dealt with in this file may ^{be considered as one of the items to} be met from this contribution. Finance may advise accordingly.

The proposal is to sanction to the Headmaster's Assn (Madras City) of a grant not exceeding Rs 1250 towards expenditure on payment of travelling allowance to the headmasters of aided secondary schools who attended the conference held on the 28th and 29th December 1949 to discuss the reorganised scheme of secondary education. The conference was suggested by the D.P.I. It is proposed to inform the D.P.I. that prior sanction of Govt should be obtained for convening such provincial conferences in future. Finance have agreed to the proposal.

2. In this connection the Finance Dept have suggested

that in future the half grant towards ~~towards~~ expenditure on travelling allowances of delegates may be met out of the annual contribution of Rs 2,000 proposed to be sanctioned to the South Indian Teachers Union for conducting research and experiments in education. The suggestion may be accepted if the Conference of headmasters of aided secondary school is to be convened by the Union. The file may be circulated to H.^u. (Edn and Law) and H.^u. Fin and HPR for approval.

In the linked file it has been suggested that the Finance Dept. ^{view} should not be accepted. The proposal in this file relates to the reckoning for purposes of allotment of teaching grants to individual schools by the D.P.G. of the expenditure on travelling allowance incurred by headmasters in connection with their recent visit to Madras to attend the Headmasters' Conference. It is unlikely that such conferences will be held in future years, nor does it seem necessary to club the grant proposed to be paid to the South India Teachers' Union towards educational experiments with the proposal in this file. H.^u. (Edn) has already agreed to this proposal being approved.

2. As regards 'A' on p. 4 above, E & P. In the former case, it may not be possible to limit the expenditure to Rs. 1,250 as in the latter case.

Finance may agree to a half grant towards the travelling allowance incurred by headmasters in connection with their recent visit to Madras to attend the Headmasters' Conference.
