of Sri P.R. Subramaniam, Physical Director, Presidency
College, Madras.
Ref: My letter Rc.2343 L4/49 dated 7-12-1949.

In continuation of my letter quoted above, I may state that
Sri P.R. Subramaniam, Physical Director, Presidency College,
Madras, reports in his D.O. Letter dated 17-12-1949 (copy enclosed)
that according to his salary he would be entitled to II Class
fare plus Rs.3/- as D.A. and they would be too meagre to meet all
the expenses at Poona. He therefore requests that he may be sanc-
tioned additional facilities viz. II Class--special and a Dearness
allowance of Rs.5-4-0, consistent with the status of a Provincial
delegate. I recommend that the request of the Physical Director
may be complied with.

Yours faithfully,

Ref: Your D.O. No. 2343 L4/49 dated 7-12-1949.

Let me thank you for having kindly recommended me to represent our Province in the All India Physical Education Conference to be held at Poona during the first week of January 1950.

If the Provincial Government should be pleased to accept your recommendation, I request you to recommend to Government to grant additional facilities to me that will conform to my status as Provincial representative in the matter of Travelling Allowance and Daily Allowance. This is too meagre for me to meet all the expenses in connection with the boarding, lodging and conveyance during my stay at Poona. As a Provincial representative I have to maintain a particular standard with other Provincial representatives. The grant of additional facilities would be commensurate with my position as the representative of the Madras Government. I therefore once again request you to recommend II Class-Special T.A. and a Daily allowance of Rs. 5-4-0 as a special case to Government for their early sanction.

The Director of Public Instruction has recommended that Sri Subramaniam, Physical Director, Presidency College Madras may be permitted to travel by II class (spl) and claim II class (spl) fare plus daily allowance at Rs.5/4/- per diem for his journey to and halt at Poona in connection with the second session of the All India Physical Education Conference. It is stated that he is entitled to travel only II class and a daily allowance of Rs.3/-. E & P.H. support the proposal.

Travelling Allowance: The reasons adduced by the Director of Public Instruction in support of his recommendation are not convincing. The Government are also opposed to the grant travelling allowance concessions. If any exception is made in the present case it will become an awkward precedent. Finance cannot therefore agree to the grant of II class (spl)

No exception can be made

to the Officer.

Daily Allowance: In connection with the deputation of certain Officers to New Delhi and Bombay, a higher rates of daily allowance (allowing an increase of 60% over the special rates laid down for those cities) ~~was~~ sanctioned. As Poona is a costly place - the Bombay Government reported so in another connection recently - the Physical Director may be allowed an enhanced rate of daily allowance at Rs.4/13/- applying the principle referred to at 'K' above.

E. & P.H. may be requested to issue orders accordingly
