Dear Sir,

You may perhaps know that the
Tamilnad Branch of the All-India Spinners'
Association is publishing a series of

books on Gandhism and Constructive Programme
in Tamil and English. We have published
so far thirty books. Some of them deal
with the science and technique of khadi
and the various aspects of the implements.
There are some other books on Gandhism
and Sarvodaya. All these books are in
use in the Teacher's Training schools.
Some of the books are very useful for
boys in schools. They can be prescribed
as text books.

I am enclosing herewith a list

4845
Request (1) is
for G2 + request
(2) is for C2
so to be given
to G2 as the
first request
is for that section.
24/1/50.

(1) ||

2
of books published so far by the Sarvodaya publications of the A.I.S.A. (Tamil Nad).

There is also a monthly magazine called "Khadar Malar" and a monthly Sarvodaya Bulletin, the samples of which are sent by separate post.

For propagation of Gandhism and Sarvodaya ideals these books magazines would be very useful.

(2) I would request that all libraries, reading rooms, and schools in Tamil Nad may be requested to subscribe for these magazines.

I may add that as far as Tamil Nad is concerned, no other publisher has come forward to propagate the Constructive Programme and Sarvodaya ideals. The responsibility has fallen on the Charka San to undertake this mission along with khad can do more effective service if the education institutions give us the necessary support.

Yours sincerely,

R. Ramaswami
