OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION, Madras
 Rec No. 3553 B8/49 dated 23-1-50

Sub:- Education - Nursery schools and Creches - Corporation
 of Madras - 1948-49 - subsidy towards the maintenance

Rel:- From the Commissioner, Corporation of Madras E.D.C.No.
 B1-2265/49 dated 11-8-49

2. In G.O. Ms.No. 453 Education dated 5-3-1936 the annual subsidy payable to the Corporation of Madras for the maintenance of the four Nursery schools in question was fixed at Rs.6,300/- or half the total expenditure connected therewith, whichever is less. The expenditure on these schools during 1948-49 is reported to be Rs. 9382-9-10. Hence the payment of a grant of Rs. 4691/- which is less than the fixed subsidy is recommended.

3. Government have in G.O. Ms.No. 2855 Education dated 15-11-48 enhanced the subsidy fixed, by Rs. 671/- so as to include the subsidy payable towards the cost of maintaining a creche at Broadway. It is reported by the Commissioner that in 1948-49 in addition to that creche, one more creche was maintained at Ashokvihar. The cost of maintenance of these two creches during the year was Rs. 17584-14-0. If Government are inclined to pay half this cost by way of subsidy, an amount of Rs. 8792/- would be required.

4. The total provision in the current year's Budget is only Rs. 5371/- for both the Nursery schools and the Creche at Broadway. As the opening of the new creche was not reported to the Director no provision for payment could be made. Thus only an amount of Rs. 680/- is available for grant towards the maintenance of the creches in question.

G.O. Ms. No. 706 Edn., dated 3-3-50

In G.O. No. 453-Edn., dated 5-3-1946, the Govt. ordered that the subsidy payable ^{for} the nursery classes conducted by the Corporation of Madras in four of its elementary schools should be fixed at Rs. 6,300/- per annum or ^{one} ~~the~~ half of the total cost on account of the supply of meals to children in the classes, whichever was less.

In G.O. No. 2855-Edn., dated 15-11-48, the Govt. sanctioned the payment of a subsidy of Rs. 5,371/- made up of Rs. 4,700/- towards the cost of maintenance of the nursery classes and Rs. 671/- towards the cost of maintaining a creche at Broadway, Madras. The Govt. hereby direct that the subsidy payable for the creche at Broadway may be fixed at Rs. 3,000 (Rupees three thousand only) per annum ~~only~~ or one-half of the cost of maintenance whichever is less.

2. Govt. have under consideration a proposal to pay a block grant of Rs. 10,000 p.a. for 'Ashok Vihar' which should be deemed to include grant for expenditure on account of the creche also attached to it. No separate grant is, therefore considered necessary for that creche.

3. Sanction is accorded to the payment in the current year to the Corporation of Madras of a subsidy of Rs. 7,691/- (Rupees seven thousand, six hundred and ninetyone only) towards the cost of maintenance in 1948-49 of the creche at Broadway and the nursery classes conducted by the Corporation of Madras in its elementary schools.

4. The A.G. is requested to place the amount at the disposal of the Corporation. The Commissioner, Corporation of Madras, is requested to present the necessary bills

at the Treasury for obtaining payment of the amount or for getting it adjusted.

5. The expenditure should be debited to the head "37-Education - n. Special - Direct Grants to Non-Government Special Schools - A. General (1) Excluding Post-War Reconstruction - 1. Teaching - Voted" in the Budget Estimate for 1949-50.

Subsidy - Nursery schools and Creches -
Corporation of Madras - 1948-49 - Maintenance -
Sanction of. ---

The Government have been granting a subsidy to the Corporation of Madras towards the cost of maintaining ~~four~~ ^{classes in four of the} nursery schools and one creche at Broadway. The amount payable in the current year for institutions already admitted to aid is Rs.7871/- The D.P.I. recommends the grant of this amount. The payment may be ~~ordered~~ ^{granted} ~~granted~~ ^{granted}.

2 It has been represented that another creche has been opened by the Corporation at Ashokvihar and an expenditure ^(recurring and non-recurring) of Rs.10821-5-0 was incurred in 1948-49 on this institution. The D.P.I. raises the question whether this institution should not also be admitted to aid like other institutions in para 1 above. On principle the Corporation should be granted a subsidy towards the new creche. The Director reports that provision for the grant of subsidy to the new creche has not been included in the Revised Estimate for 1949-50. But he points out ^{that} the amount has been included in the final Revised Estimate submitted to Government. The ~~ex~~ recurring expenditure incurred by the Corporation on account of the maintenance of the new creche is reported to be Rs-7829-15-0 or Rs.7830/- roundly. If the Govt. agree to grant a subsidy towards this creche the amount that will have to be sanctioned this year will be Rs.3915/-. The total provision in the R.E. is Rs.5371/- only.

The notes of EPH on p1 above may be perused.

The proposal of that Dept to sanction a grant for the ^{nursery} ~~primary~~ schools and the creche at Broadway may be agreed to subject to the following remarks.

In go 453 Edu & 5-3-46 a maximum limit of Rs. 6300 per annum has been fixed for the grant to the ^{primary} ~~nursery~~ schools. But no such limit has been fixed in the case of the creche at Broadway in Rs 2855 Edu & 15 11/12.

When sanctioning a grant of Rs. 671. In 1940-41 the recurring expenditure was Rs. 6,359-11-0.

Perhaps a maximum limit of Rs. 3,000 ~~per annum~~ may be fixed for the annual grant payable to ^{each} ~~the~~ ^{the} ~~total~~ ^{total} grant payable for the institutions admitted to aid will be Rs.

Rs 7691 against Rs 7871 proposed by E.P.H. As regards the creche at Ashok Vihar, it is submitted that the institution has not been admitted to aid so far even though the Corporation has already incurred an expenditure of Rs. 7830 on recurring items. There is a separate proposal under consideration to pay a half grant for the maintenance of Ashok Vihar, as a whole. Hence this Dept may advise that no grant need be paid for the maintenance of the creche, ^{separately} ~~separately~~.

Finance agree to the payment of the annual subsidy of Rs. 7691/- in the current year for the cost of maintenance of the creche at Broadway. The nursery classes conducted by the Corporation stand in fear of its elementary schools. They also suggest that the ^{annual} ~~subsidy~~ payable towards the maintenance of the creche may be fixed at Rs. 3000. p.a. The suggestion may be accepted.

As regards the creche attached to Ashok Vihar. Finance suggest that as a block grant of Rs. 10000/- a year is proposed to be paid for Ashok Vihar, no separate grant for the creche attached to it need be paid. This suggestion also may be accepted.
