R.O.C. B.2. 1600/49 dated 4-11-1949. 2

Sir,

Sub:- EDUCATION - Secondary - Municipal High School -
Physical Instructor Sri E. John Devasahayam -
Appointment over the minimum pay - Approval -
Requested.

I submit that the post of the second physical Training Instructor in the Municipal High School is kept vacant for year together for want of a qualified hand ever since the permanent incumbant died. Inspite of advertisements calling for application for the post from time to time no qualified hand could be secured and an unqualified instructor was working.

As no qualifed hand could be secured, the council in its resolution No.222 dated 30-3-49 sanctioned the deputation of a candidate for training. On advertisement calling for applications from person who are desirous of undergoing training only 14 applications were received. On receipt of applications, the Regional Inspector of Physical Education in his letter No. 29 P.E./49 dated 5-7-49 had stated that it was too late this year to depute one for training, (copy enclosed.) and the Principal of the College has also informed that the admission to the college were already closed.

Meanwhile one Sri E. John Devasahayam a fully qualified Physical Training Instructor of the Local Danish Mission High School had given an undertaking to serve the department if he is started on the same pay which he was drawing in the other institution then. He declined to accept the post if appointed in the minimum salary (copy of his letter enclosed.)

In view of the dearth of qualified hands, the appointment Committee after careful consideration had thought it fit to appoint the individual with a higher start viz. the pay he was drawing in the aided school instead of waiting till next year to depute one for training. The deputation also involves heavy expenditure.

Accordingly the Committee at its meeting held on 6-9-49 had appointed him on Rs.64/- per mensem (i.e) the pay which he was drawing then in the other institution subject to the approval of the Government. He joined duty on the after-noon of 6-9-49. Under the circumstances I request that the Government may kindly be pleased to approve the appointment on Rs.64/- in the scale of Rs.50-2-70-2½-90.

Sub:- Physical Education - Tiruvannamalai Municipality -
Deputation of a candidate for training in Physical Education.

Ref:- Your No. B.2. 5425/49 dated 23-6-49 and your telegram dated 27-6-1949. ---

The 14 applications are herewith retransmitted. It is too late this year to depute the candidate for training in Physical Education. It would not be possible to interview and select the candidates for training unless they are ready for interview on the date notified for the purpose. I have to plan selection tour programme for eight districts and it will not be possible to do it successfully unless the Managements co-operate in the matter of selection of candidates for training. It would be really difficult to make the selection of the candidates if the applications are called for and received as late as 23-6-49. The application for admission to the Y.M.C.A. College in the prescribed form has to reach the Principal on or before 15th June each year and therefore the applications of candidates for deputation have to be in your hands not later than the end of May. Under these circumstances, the question may be renewed early in May next year.

2. The Chief Inspector of Physical Education, Madras, has, in his R. c. No. 171/49 dated 24-3-1949, advised the Managements not to advertise for qualified Physical Training Instructors as they are not available in the open market and therefore you need not depend upon advertisement to secure qualified hands.

Yours faithfully,
V.S. Narayana.
Regional Inspector of Phy. Education,
Coimbatore.

Sanctioned.

Sd. P.U. Shanmugam.
Chairman.

Copy of the office note of the Municipal Commissioner, Tiruvannamalai dated 15-1-1950.

It is very difficult to get qualified hands especially for this post. The candidate appointed is a fully qualified hand with sufficient experience and it is but reasonable and legitimate that he is given a higher start in view of his service and the pay that he was drawing before joining this institution. Sanction may be accorded for starting him on a pay of Rs. 64/- in the scale of Rs. 50-2-70-2 1/2-95 from the date of joining as approved by the Appointment Committee at its meeting held on 6-9-1949.
