Re.No.2775 L2/49 dated 14-11-1949.

Sir,

Sub: Madras Educational Rules - Training Schools -
Ootacamund - Enhanced rates of stipends to
Secondary Grade Students - Sanction of -
Requested.

90443

I have the honour to report that the Secondary grade training class in the Government Training School, Ootacamund has been opened from the School year 1949-50. Normally the students of this class are eligible for stipends at Rs.18/- p.m. The District Educational Officer and the Divisional Inspector of Schools, Coimbatore have recommended that the stipends may be enhanced by 50% of the normal rate in view of the fact that the school is in a hill station.

In this connection kind attention is invited to G.O.Ms.No.1573 Idn., dated 17-6-1948 wherein Government have sanctioned stipends to the Higher Elementary Grade training students at the enhanced rate of Rs.18/- p.m. Similarly the Secondary Grade Training students may also be paid an enhanced rate of stipends.

I therefore request that early orders of Government may kindly be obtained for the payment of stipends to Secondary Grade training students at the enhanced rate of Rs.27/- p.m.

Yours faithfully,

Slipends - Payment of enhanced slipends to Secondary grade students of Govt. Training School, Colacacunda

From the D.P.I. No. 2775 L2/49 dated 14-11-49 and 28-12-49.

T/P13CF

P1CF

On the analogy of the orders in L.O. No. 1573 Edu dated 17-6-48 sanctioning the payment of slipends at ^{enhanced} ~~increased~~ rate of Rs 18/- p.m. to the Higher Elementary grade students in the Govt. Training School, Colacacunda, the D.P.I. proposes that the rate of slipends to be paid to the Secondary grade students of that school admitted during 1949-50 may be enhanced to Rs 27/- p.m. The extra cost to Govt. involved in the proposal will be Rs 2,520 during the current year. Attn.

Attention is invited in this connection to the minute of the late H.P. (Edu) on Page 3 N.F. of L.O. No. 1573 Edu dated 17-6-48. The proposal of the D.P.I. may therefore be supported in this depth.

Fin (sup)

The usual rate of slipends admissible to students undergoing Higher Elementary grade training is Rs 12/- p.m. As the cost of living in Colacacunda was higher than in the plains, the D.P.I. recommended in October 47 that stipends at an enhanced rate of Rs 18 p.m. might be paid to students undergoing the training in the Govt. Training School in return. and orders were issued accordingly in G.O. No. 1573 Edu, dated 17-6-48. The D.P.I. has reported that the Secondary grade training class has been opened in the above school with effect from 49-50. He has recommended that on the analogy of the enhanced

rate of stipends sanctioned in the case of the higher elementary grade students, the secondary grade students may be granted stipends at the rate of Rs 27 pm. as against the usual rate of Rs 18 pm., involving an increase of 50%. E.P.H. supports the proposal. Finance may see.

2. The extra expenditure involved in the grant of stipends at the enhanced rate during the 1st year is reported to be Rs 2,520. This apparently represents the expenditure for the first year class which has been opened only this year. As the duration of the secondary grade course is for two years, there will be two classes from the next year onwards.

The expenditure during the next year will therefore be almost double the amount now reported by the D.P.I. The actual ultimate extra expenditure will depend on the number of candidates admitted from the next year onwards. As the ultimate extra expenditure is likely to exceed Rs 5,000 p.a., E.P.H. may be requested to take orders in circulation including H.N. (Fin) & H.Pr.

3. As the current academic year is coming to a close, As pecuniary concessions are not to be given with retrospective effect, this Dept. may suggest that the enhanced rate of stipends, namely, Rs 27 pm., may be given effect to from the next academic year first of the month in which orders are issued.

The proposal in the file relates to the payment of stipends at the enhanced rate of Rs 27/- pm. to the students of the secondary grade training class in the Govt. Training School, Gotalamund. The students in the higher elementary grade training class of the school are already being paid stipends at enhanced rate of Rs 18/- pm. Slipends - Payment of slipends undergoing training in
Golacammund at enhanced rates.

From the D.P.D. T.M. dated 15-3-50 and No. 2715-12/49 dated 11/4/50

Vide orders in (T) & (K)

Due to the high cost of living in Golacammund, the Govt. sanctioned the payment of slipends at enhanced rates of Rs 18/- and Rs 25/- respectively to students undergoing Higher elementary grade Training and Secondary grade Teachers Training in the Govt. Training School, Golacammund. The D.P.I. now desires to know whether the students in other training schools, also may be paid at these enhanced rates. The other training school in Golacammund is the Beltham Secondary Training School consisting of for women consisting of 3 students in Secondary training section and 20 students in Higher grade training section. The extra cost to Govt. if the students in this training school are also paid at the enhanced rates is ^{shown below} as follows.

At normal rates	Rs	At enhanced rates	Rs
3 x 18 x 21 (Secondary grade) = 1134		3 x 25 x 21 (Secondary) = 1575	
20 x 12 x 21 (Higher grade) = 5040		20 x 18 x 21 (Higher grade) = 7560	
Total 6174		Total 9135	

Extra cost to Govt. (Rs 9135 - 6,174) = 2961 Rs.

On the analogy of the orders in respect of the Govt. Training School for males, Golacammund it would appear that the students of the students of the Beltham Secondary Training School may also be paid slipends at the enhanced rates of Rs 25/- and Rs 18/- for Secondary grade and Higher grade students respectively.

Finance may see for remarks

KB

10/4/50

Higher rate of slipend both to the Secondary grade as well as to the Higher Elementary grade students in the Govt. Training School, Golacammund was sanctioned on account of the high cost of living obtaining in the hills. As the Beltham Secondary Training School for women is also in Goby and as the same higher cost of living would apply to this school

also the students in this school may also, as the analogy of those in the Govt. Training School at Gtly, be paid the higher enhanced rate of stipends at Rs 18/- & Rs 25/- for the Higher Elementary grade and the Secondary grade students respectively.

The usual rates of stipend admissible to students undergoing Higher Elementary Grade training and Secondary Grade training are respectively Rs. 12/- and Rs. 15/- per mensem. Having regard to the higher cost of living in Ootacamund than in the plains, the rates of stipends payable to the students undergoing Higher Elementary Grade training and Secondary Grade training in the Government Training School for Masters, Ootacamund, were raised to Rs. 18/- and Rs. 25/- each per mensem respectively - vide G.O. There is another training school at Ootacamund viz., Beltham Training School having 3 students in the Secondary ^{grade} training section and 20 students in the Higher Grade training section. As the reason at A above will apply to this school also, Edu. Dept. propose that the students in this school too may be paid stipends at the enhanced rates of Rs. 18/- and Rs. 25/- each per mensem.
