Dear Mr. Madhava Menon,

Re:-GOVERNMENT MUSLIM HIGH SCHOOL
FOR GIRLS, BROADWAY, MADRAS...

I am forwarding herewith a Memorial signed by the residents of the George Town Area whose children (Girls) are receiving education in the above institution for your kind consideration and favourable orders. You are aware that the number of state-aided Muslim institutions in this Province are very few and the few that are in existence may be allowed to continue as usual. You have already given me an assurance in your letter dated 7th September 1949 that the policy declared in G. O. No. Ms. 266 Edn, dated 7-2-1949 will be strictly adhered to, that nothing will happen to such schools at least for another 5 years to come and that any change in their constitution, if contemplated after that period, will be effected only after consulting Muslim public opinion. I am, therefore, confident that nothing will happen to Muslim High Schools run and maintained by the Government.

With regard to the strength of the institution, the signatories to the Memorial enclosed have given an undertaking that it will be appreciably increased in due course.

Thanking you and with best regards,

Yours sincerely,

HONY. SECRETARY.

Government Muslim Girls' School, Broadway,
Madras - Management and Maintenance - Transfer contemplated. 3

We are shocked to hear that the authorities are considering if the management and the maintenance of School could be transferred to any private organisation. We may at the outset state that there is no organisation of sufficient financial status in the city fit to shoulder the responsibility. We feel that any such transfer, if effected, will result in producing adverse result on the Muslim Community. We submit that the Provincial Government should feel that it is their duty to raise the Muslims educationally so that they may keep up pace with other communities. It will only then be possible to be ensured that an important section of the city's population is redeemed from illiteracy.

Sir,

Government Muslim Girls' School, Broadway,
Madras - Management and Maintenance -
Transfer contemplated.

We the undersigned parents and guardians of the pupils and the prospective pupils of the Government Muslim Girls' School at Broadway beg to bring the following for your immediate consideration:-

We are shocked to hear that the authorities are considering if the management and the maintenance of School could be transferred to any private organisation. We may at the outset state that there is no organisation of sufficient financial status in the city fit to shoulder the responsibility. We feel that any such transfer, if effected, will result in producing adverse result on the Muslim Community. We submit that the Provincial Government should feel that it is their duty to raise the Muslims educationally so that they may keep up pace with other communities. It will only then be possible to be ensured that an important section of the city's population is redeemed from illiteracy.

In the foregoing circumstance we request you to kindly drop the consideration to transfer the management and maintenance to any private organisation. We may however assure you that the School in the course of five years is bound to improve in attendance, and that all classes will be full.

The form-war strength of the Government Secondary School
for Muslim Girls, G.T. Madras is as shown below:-

Form VI	8	X
Form V	7	X 29
Form IV	14	X
Form III	27	
Form II	59	
Form I	59	

It may be seen from the above, that the High School
classes do not have the economic strength laid down in
G.O. Ms. 2671 Education dated 24-8-49.

The Inspectress of Girls' Schools III Circle, Madras
has, however, reported that a meeting of the Advisory Co-
mmitttee of the school was held on 4-1-50 and that the
committee is of the opinion that, now as the Middle school
forms are strengthened, the school will come upto the eco-
nomic level in 2 years. The Inspectress recommends that
in the spirit of para 3 of G.O. Ms. No. 2671 Education dated
24-8-49 relaxation for 2 years of the limit of 45 pupils
in the High School classes is justifiable in the case of
this school. I agree with the Inspectress.

Yours faithfully,

For Director of Public Instruction.
