Sub: Education - Secondary - Purchase of Godrej Cup Boards for Secondary

At the conference of Headmasters of Board Secondary Schools convened
on 20-8-1949 in the presence of the District Educational Officer, Mathurai
it was recommended to supply one Godrej cup Board to each of the Secondary
Schools in the District for keeping important and confidential records
of the school. At that time, the cup Boards were not available and the
price of each cup Boards was said to be Rs.400/-. In October 1949, the
local Agents of Messrs. Godrej and Boyee Manufacturing Company Ltd.,
were prepared to supply ten Godrej Cup Boards in lump at the considerably
lower rate of 250/- each excluding sales tax and delivery charges. As
the cup boards were available at the lower rate and as the required
number of ten cup Boards were available at the same time, orders were
placed for the purchase in anticipation of Board's sanction and that of
the Government.

Nine cup boards are to be supplied to the Nine Secondary Schools
under the District Board and one to be used in the District Board Educa-
tional Office. The District Board in its resolution No.177 dated
28-11-1949 (Copy enclosed) has sanctioned the purchase.

I request that the Government may be pleased to approve my action
as a special case, in having purchased ten Godrej "Storwel" steep cup
boards without inviting tenders.
