SUBJECT: PROVINCIAL GOVERNMENT SPONSORED SCHOLAR
TO BE RELEASED FROM BOND DESIRING TO SERVE
GOVT. MAINTENANCE OF WAITING LIST.

I am directed to state that the Government of India, in the Ministry of Finance have agreed that a Central Government overseas scholar on return from abroad should not be compelled to accept a Government post after his/her ~~release~~ release from the terms of his/her bond for service with Government. In cases, however, where Central Scholars who are released from bond still desire to be considered for employment by Government as and when vacancies arise, the Government of India have decided to assist such scholars in their placement in suitable employment under Government. It has, therefore, been decided to maintain a waiting list of all such scholars.

This procedure is being followed and in each case, the Government of India, have decided to ask the Central scholar who is to be released from the terms of bond to state whether he/she wishes his/her name to be considered for employment under Government as and when it is available. The scholars are also asked to keep the Government of India fully posted with any change in their address. I am therefore to suggest that if the Provincial Government have no objection, they may also follow similar procedure in respect of those Provincial Government sponsored scholars who are to be released from bond and who desire to be considered for employment under the Provincial Government as and when vacancies arise.

Yours faithfully,

D. Madhavi

Overseas Scholars - released from
bond - Maintenance of a
waiting list.

From the C. of D. Ministry of Education
No. F.3-29/45-S2 of 29.12.49

Please see the letter cited.
Overseas Scholars of this Group are
appointed to gazetted posts and their
appointments are made directly by Govt
without the usual statutory reference to
the MPSC. The relevant rules regarding
qualifications are relaxed in their favour.
These concessions have been directed to by
some heads of depts under the P.W.D. because
they adversely affect those who are already
in service awaiting promotion to gazetted
ranks. In some cases Overseas scholars have
been appointed to gazetted posts only because
they are Overseas Scholars, overlooking seniority
and higher qualifs of those who are already
in service.

2. Under the bond executed by
Overseas Scholars they have to be offered
gazetted posts. But it is a special concession
shown by the Govt to Overseas Scholars that
they need not be selected by the MPSC for
gazetted appointment. The C. of D. appoint Overseas
Scholars only after they have been selected
by the F.P.S.C.

3. When once a scholar is released
from the bond, he and the Govt are not
bound by the terms of the bond. With ref to
the suggestion of the C. of D. to maintain a
waiting list of released scholars it has first
to be considered on what terms they should
be appointed ^{whenever vacancies arise} by Govt i.e., whether they should

be appointed to gazetted posts without reference to the M.P.S.C. Overseas scholars are not likely to accept non-gazetted posts because of the comparatively low scales of pay of the posts. Selection of candidates for appointment to gazetted posts is made by the M.P.S.C. after advertising the vacancies. It is open to the released overseas scholars to apply to the M.P.S.C. whenever vacancies are advertised and take their chances along with others. Their overseas qualifications may give them a better chance for selection. For this purpose a list of such scholars need not be maintained by this Govt. It would appear that a list need be maintained by Govt only if they are prepared to extend to the released scholars the concessions granted to them when they were bound by the bond viz. direct appointment to gazetted posts without consulting the M.P.S.C. and relaxation of rules re. qualifications. But it does not appear that these concessions should be shown to them in view of the legitimate grievances of those in service which have been referred to in para (1) above and because they are no longer bound by the terms of the bond. A list may be maintained if the released scholars will accept non-gazetted posts.

For orders whether the Govt may be informed accordingly.

I am inclined to agree with the Government of India. The Overseas scholars represent not only specialized knowledge but a considerable expenditure incurred by Government. It is necessary therefore to absorb them, as and when vacancies arise. The fact that no vacancies are available within

M

the stipulated period of 5 months should not be a bar to their appointments ^{later} on the same terms. In fact, if they are appointed later, they will be losers in so far as they will be losing seniority, not to speak of being unemployed in the meanwhile.

The proposal is that before an Overseas Scholar is released from the bond for ~~any~~ want of a suitable post, he should be asked whether he desires his name to be considered by the Govt for employment on and when vacancies arise and that a waiting list may be maintained of such released scholars who desire their names to be considered for future vacancies. Dev, Pw, Food & Agri and Finance agree to the proposal.

Too reply to the G of I seems to be necessary as they have not called for a reply in their letter in the C.F.

Subject:

Provincial Government sponsored scholars to be released from bond desiring to serve Govt. Maintenance of waiting lists.

Sir,

I am directed to refer to this Ministry letter of even number dated 29th December 1949 on the subject mentioned above, and to state that it has been decided to maintain in this Ministry a list of only such of the Provincial Government sponsored scholars who are to be released from bond by the Provincial Government for their inability to utilise their services and who are willing to be considered for employment to be indicated by the Government of India even after their waiting period. I am therefore to request that the Provincial Government may kindly furnish to this Ministry as and when occasion arises, particulars of only such scholars as indicated above in the proforma enclosed. Five copies of the particulars as in the enclosed proforma are to be forwarded to this Ministry in each case.

Endeavour to be made by this Ministry to place such Provincial scholars in suitable employment to be indicated by the Government of India is likely to be foiled, if these scholars refuse offers and as such I am to request that the Provincial Government may kindly ensure in each case that the offers will not be refused before furnishing the particulars of such scholars to this Ministry.

I am also to suggest that a waiting list of Provincial Government sponsored scholars who are to be released from bond desirous of serving the Provincial Government as and when vacancies arise should, however be maintained by you.
