With ref. to the telegram read above, I am directed to invite a reference to this Dept's Lrs No. 57141 C2/47-7 Edn dt 9-8-47, No. 57141 C2/47-8 Edn dt 3-9-47 and No. 57141 C2/47-9 Edn dt 19-9-47. There are no duplicate copies of the questionnaire duly filled in by the Scholars (and forwarded with this Dept's letters referred to) on record in this Dept. to verify whether the Scholars have indicated their provisional or final choices of employment. It is, however, observed from the covering letters sent by the Scholars in forwarding the questionnaire that all of them except Mr. M. Narasimha Rao, a candidate selected in 1946-47, wish to serve the Rest of India in case their services are not required by this Govt. Mr. M. Narasimha Rao prefers to serve in the Rest of India, but has no objection to consider any offer of employment in Pakistan. But it is not known whether ~~Mr. Narasimha Rao~~ he has indicated his final or provisional choice in the form of questionnaire duly filled in by him and forwarded with this Dept's letter dt 3-9-47. I am therefore to request that ~~the G of I~~ you will be so good as to furnish the names of those Scholars who have indicated a provisional choice so that the Scholars' final choices may be obtained and forwarded to the G of I.

Sub: Financial adjustment arising out of the option of Provincial Sponsored Scholars of the Overseas Scholarships Scheme .

84

Sir,

I am directed to refer to the unanimous note, dated the 14.7.47 signed by the Education Department Sub-Committee on the subject of option to be exercised by the Central and Provincial Scholars of the Overseas Scholarships Scheme (copy enclosed for ready reference) from which it will be seen that the Provincial Scholars of the Scheme (cost shared on 50 : 50 basis between the Central and Provincial Govts.) were also permitted to exercise the option and those who wished to serve Pakistan became the responsibility of that Govt. with effect from the 15.8.47. It was further provided in regard to these Provincial Scholars that any candidates from India electing to serve Pakistan or vice versa would become the sole responsibility of the Central Government concerned who will make such adjustments as are necessary with the Provincial Govt. in connection with the cost already met. In accordance with this agreement, adjustments are to be made in respect of the expenditure already incurred by the Provincial Govts. on the scholars who have since opted for the Dominion other than the Dominion to which their Province belongs, subject to the general proviso contained in the decision of the Partition Council on this subject (copies of relevant extracts enclosed). These adjustments are to be effected by affording credits to the Provincial Govts. concerned and raising corresponding debits against the joint account of the late Central Govt. which have been kept open for this purpose till the 31st March 1948 with the concurrence of both the Dominion Governments.

Vide p. 89/ ante

2. So far as this adjustment pertaining to the Provinces of the Indian Dominion is concerned, a statement showing the names of the Provincial Scholars of the Dominion of India who opted for Pakistan, together with the amounts already met by the Provincial Govts.concerned before 15th August '47 is enclosed. The total amount for which credits are to be afforded to the Provincial Govts. comes to Rs.1,35,819/12/4 and a corresponding debit for this amount is to be adjusted under the Head of Account "Central Govt. Suspense" opened to accommodate transactions pertaining to the late Central Govt. The A.G.C.R. is being requested to carry out the above adjustment in the books of this Dominion provisionally subject to acceptance of the figures shown in the statement by the Govt. of Pakistan.

p141 infra

85

3. A similar adjustment in respect of the Provincial Scholars of the Provinces included in the Dominion of Pakistan is to be carried out by the Pakistan Government on the lines indicated above, if not already done. In case such an adjustment has already been carried out by the Pakistan Government, the details of the adjustment may kindly be communicated for this Ministry's formal acceptance.

In this connection copies of letters No.S-36(7)-D/45, dated the 12.12.47, 24.12.47, 6.1.48 and 12.1.48 from the Govt. of Sind are also enclosed. There appears to be some misunderstanding on the part of the Provincial Government on this issue, as the question of debits being raised against the new Dominion of India or Pakistan does not arise. These adjustments pertain to the period prior to 15.8.47 and are, therefore, to be made in the joint account of the late Central Govt. The Provincial Govts. concerned of the Pakistan Dominion may kindly be apprised of the correct position in this regard.

4. I also enclose a copy of letter, with enclosure, received from our Education Liaison Officer in the U.S.A. communicating that the three N.W.F.P. non-muslim scholars who have elected to serve in India have been warned by the Pakistan Embassy, presumably at the instance of the Government of N.W.F.P.,

P.T.O.

that if they fail to return to that Province on completion of their course of studies, action will be taken to recover the amount spent on their education by the Provincial Government. This position also seems to have arisen from some mis-understanding on the part of the Provincial Government. The Government of India hope that the Pakistan Govt. will take necessary action to inform their Provincial Govts. of the correct position in this respect.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- K.L. Joshi
for Secretary.

1. Copy with a copy of the statement, forwarded to the A.G.C.R., New Delhi with the request that the adjustments mentioned in para 3 may be carried out before 31st March '48 provisionally pending receipt of a formal acceptance of the figures by the Pakistan Government. This acceptance will be communicated to him as soon as it is received.

Sir,

I am directed to invite a reference to this Ministry's letter No. 1164(49)-N&I dated 7th April, 1949 on the above subject (copy enclosed for reference) and to state that the question of evolving a method for the recovery of dues from the muslims awarded scholarships for overseas studies who have since migrated to Pakistan without fulfilling the terms of the contract, have for sometime past been under the consideration of the Government of India, and Pakistan Government were approached for an equitable settlement of the whole issue. As, however, it has not been found possible to settle the issue with the Pakistan Government on a reciprocal basis, the Government of India have now decided that Provincial/State Governments should, if there be no objection, insist on the payment of the money spent by them on such scholars sponsored by them, by the respective sureties of these stipendary scholars concerned. I am further to state that if it is found that these sureties have also migrated to Pakistan then the authorities concerned should file third party claims against the properties (left in India) belonging to the scholars as well as those of the sureties, with the Custodians of evacuee property, in whose jurisdiction the properties are situated.

Subject:- Muslims awarded scholarships for overseas study-Non-fulfilment of the terms of the agreements executed by them.

....

Sir,

It has been brought to the notice of the Government of India that there have occurred several cases in which muslims were awarded scholarships for higher study or training overseas by the Provincial Government or by semi-Govt. institutions in the Province, who, on return to India after completing their training abroad, declined to serve the Provincial Government or the institution concerned, or having joined them did not complete the terms of agreement. In all such cases these ex-scholars have emigrated to Pakistan.

2. It will be appreciated if the Provincial Governments/you will kindly let this Ministry have full particulars regarding these ex-scholars, including their names, terms of agreements entered into by them with the Govt. (or semi-Govt institution), the amount spent on each of them by the Provincial Government (or the institution concerned) and the action taken or proposed to be taken by the Provincial Government/you for the breach of agreement.

3. This informatinn is required in view of the fact that the Pakistan authorities have been penalising the non-muslim ex-scholars (or their collateral sureties) for having emigrated from Pakistan to India without fulfilling the full terms of the agreement executed by them in respect of the stipulated period of service to be rendered under the Pakistan authorities. It is proposed to take up the matter with the Government of Pakistan and arrive at some agreement on reciprocal basis.

An early reply will be appreciated.

Yours faithfully,

As Mr Hussain has opted for service in Pakistan, his services will not be available either to this Govt or to the Govt of India according to the terms of the bond ~~which he~~ which he had entered into, with this Govt. 2. As the services of Mr Abdulla Hussain will be utilised, on his return from abroad, by the Govt of Pakistan, that Govt should bear the entire financial responsibility of the Scholar's~~s~~ studies in the Foreign Country. Mr Hussain was admitted in the Michigan State College in 1946 and he sailed to the States by the boat "Lynosi" ~~on~~ ~~29~~ which left Bombay on 29.7.46 and reached America on 25.8.46. The normal period of his Scholarship for 2 years will expire by

the end of August '48. The financial responsibility ~~of~~ for the Scholar's studies till Jan '48 rested with this Govt. as well as the Govt. of India. The Govt. of Pakistan will take up this responsibility from Jan '48 as is evident from the Endt. on p115 CF. But the amount of scholarship and allowances so far spent on the Scholar should be recovered from the Govt. of Pakistan and ~~debited~~ credited to the Central ~~as well as~~ and the Provincial revenues in equal proportions. Attention, in this connection, is invited to the Memo. of the G of I. and its enclosures on pp 38-40 CF. With ref. to (C) on p 39 CF, the G of I.x may be asked to address the Govt. of Pakistan to make arrangements for the refund to this Govt. of the cost already met by them upto Jan '48 in respect of Mr. Husain's studies abroad.

x The Provl. Govt. are discouraged from addressing direct the Govt. of Pakistan

[Previous notes need not be read].

Please see the G of I's letter at p143 c.f. regarding the recovery of the amount spent by the Govt on ~~the~~ overseas scholars, who have since migrated to Pakistan without fulfilling the terms of the Contract. The G of I have decided that Provl Govts should, if there is no objection, insist on the payment of the money by the respective sureties or if the sureties also have migrated to Pakistan, file third party claims against the properties belonging to the scholars as well as ~~[illegible]~~ the Sureties. with the Custodian of Evacuee Property concerned.

2. Of the private scholars sponsored by this Govt, only one scholar opted to Pakistan. He is the 1945 scholar, Janab T. Abdulla Hussain. He sailed to the U.S.A in July 1946. This Govt have spent Rs 5,259-6-0 on him upto 15-8-47, when the Pakistan Govt agreed to take over his responsibility. (Vide the statement on p141 c.f.) This amount has to be recovered.

3. The bond executed by the scholar is put up at Ⓔ. It was signed by the scholar and his two sureties, K. H. Tahir

Hussain Sahib and Syed Ghouse Mohinuddi Sahib, in the presence of the Collector of Madr The scholar gave his address as: C/o K. H. Tahir Hussain Sahib, 2/18 Latturam St, Mount Rd, Madras. If it is decided to recover the amount, copies of the G of I's letter and the bond may be sent to the Coll. of Madras for necessary action.

p3 c.f.
p41 c.f.

4. All overseas scholars were ~~[illegible]~~ asked to state whether they desired to serve India or Pakistan on completion of their studies. Janab Abdulla Hussain chose to serve Pakistan and the G of I in their cablegram of 22.1.48 informed the Indian Embassy, Washington that his name might be deleted from the list of Madras Scholars that he was no longer their responsibility and that all further correspondence regarding him should be with the Govt of Pakistan. The scholar thus opted to Pakistan with the knowledge and approval of the Govts concerned and he was in no way responsible for the subsequent failure of the two Dominions to come to an agreement on financial matters in respect of such opted persons. When the bond was executed by him and his sureties, the question of partition with its consequences was not in the picture. It is therefore a point for consideration whether in consequence of subsequent events the amount spent on the scholar can be recovered on the strength of the bond executed by ~~him~~ the scholar. The sureties may raise legal objections against the proposed action. The views of the Legal Deptt may therefore be invited in the matter.

The recovery of the expenditure incurred on behalf of the overseas scholar can be enforced against the sureties under the bond at (E) only when there is a breach of the terms of the bond. According to the terms of the bond, it can be enforced if continuous adverse reports are received regarding the progress of the candidate or his conduct, or if, on the completion of the study, the candidate refuses to serve this Government or the Govt. of India as directed. None of these conditions can be said to have been violated in this case. The option to serve either India or Pakistan was given to the candidate by the former Govt. of India apparently without the knowledge and consent of the sureties, and consequently a substantial variation of the terms of the contract has been made without the consent of the sureties. This would discharge the sureties from their obligation. - See s133 of the Indian Contract Act, 1872.

(E)

2. In the letter at p143cf, the Govt. of India have suggested the recovery of the amount from sureties only in respect of those muslim scholars who have gone to Pakistan without fulfilling the terms of the bond. In the present case, however, the candidate opted to Pakistan Govt. from the 15th August 1947, with the consent of both the Governments, and it is not possible to proceed against the sureties under the terms of the bond.
