From: Sri V.V. Subramanian, Superintendent of Stationery, (Madras) at Guindy, Madras.15.

To: The Secretary to Government, Education & Public Health Department, Fort St. George, Madras.

50. Dated: 15/2/50.

Sir,

Sub: Advances - Permanent advance - Stationery Office -
Reduction - proposals -
Ref: Audit Inspection of the A.G. Madras on the accounts of
1947-48 and 1948-49.

The permanent advance allowed to the Superintendent of Stationery is Rs.300/-. It has been observed during the course of audit that taking into consideration the average monthly expenditure actually incurred from the permanent advance, the amount allowed is excessive and it has been suggested that steps may be taken to reduce the amount of the advance. I enclose a statement showing the expenditure incurred every month during the year 1948-49 and that for the months of April '49 to January '50 during the year 1949-50. It would be observed that the expenditure has exceeded Rs.200/- only once in April 1948. In the remaining months the expenditure is well below Rs.200/-. It is therefore considered that a permanent advance of Rs.200/- would be sufficient to meet the normal requirements of this office. I request that Government may be pleased to issue orders reducing the permanent advance to Rs.200/-.
