SUBJECT: VISIT OF DR. DIEGO LUIS MOLINARI TO INDIA.

Sir,

I am directed to state that Dr. Diego Luis Molinari, President of the Foreign Relations Committee of the Senate of Argentina, who is now on a visit to Pakistan, will be visiting Delhi towards the middle of 4th February, 1950 and will stay in the Capital for a few days as a State Guest. Dr. Molinari is an elder Statesman of Argentina and as President of the Foreign Relations Committee and as a personal friend of President Peron he wields considerable influence in that country. He was educated partly in the United States of America and was formerly Professor of History and Political Law at the University of Buenos Aires. He has some knowledge of Indian Culture and History and is interested in Buddhism. After visiting Delhi, Dr. Molinari proposes to visit Calcutta, Bombay, Banares and probably some other centres. This Ministry has suggested to the Universities of Bombay, Calcutta, Banares and Delhi that in view of his eminence and political importance he may be invited to deliver one or two lectures under their auspices. It is understood that he will meet his own expenses during the tour. It will, however, be appreciated if he is offered necessary facilities in connection with his visit, taken round places of interest, and shown all the consideration due to a distinguished visitor. The date of his arrival there will be communicated in advance as early as possible.

I shall be grateful for a reply by return post.

Yours faithfully,

M. L. Kapur
(M.L. Kapur)
for Deputy Secretary.
