No. 155-D.7/50-2, dated 9th February 1950.

Sir,

Sub:- Madras Record Office - Access to records -
Sri R. Chandramauli - Permission - Requested.

I enclose an application which I have received from Sri R. Chandramauli, a research student of the Madras University, for permission to consult the records relating to the subject, 'A century of Madura, 1736-1836'.

2. According to the rules governing the access of the public to the records in this office for purposes of bonafide historical research, I am myself competent to grant permission to examine the records of all the departments except the Revenue and the Irrigation Departments upto 1856. The permission of the Government is necessary in the case of the records of the Revenue and Irrigation Departments subsequent to 1800. I have therefore granted permission to the research student to examine the records of all the departments except the Revenue and the Irrigation Departments upto 1836. Since the research student has stated in his application, that he wants to examine also the records of the Revenue Department upto 1858, the permission of the Government is necessary for examining them. I therefore recommend that the student may be granted permission to consult the records of the Revenue Department upto 1858.

3. As the records which the research student may like to examine are partly at the Egmore branch of this office and partly at Chittoor the research student may have to consult the records both at Chittoor and at Egmore. If the permission is granted, precautions will, as usual, be taken to see that he does not consult records which are not relevant to his subject and that the notes taken by him are scrutinised before he is allowed to make use of them. Care will also be taken to see that he abides by the rules governing research contained in G.O.No.58 Finance, dated 5-2-1932 and G.O.No.297 Finance, dated 2-5-1935.

Yours faithfully,

CURATOR,

9-2-1950.
