C.No.2295 E/47 dated 15-9-1947.

2

Sir,

Scholarships - Increase in the rates of scholarships awarded in Colleges and increase in the number of instalments from 9 to 10 in Secondary Schools - proposals - submitted.

74229

I have the honour to state that in G.O.Ms.No.952 Edn. dated 7-5-1946 and in G.O.Ms.No.1356 Edn., dated 13-7-46, Government were pleased to sanction the increase in the number of awards of Genral Scholarships and in the rates of scholarships tenable in Secondary schools and Colleges for all classes of pupils and special scholarships for Muslims and Mappillas with effect from 1946-47. In the case scholarships awarded to Muslims in Secondary Schools in the plains and to Hill Tribes in the Agency Secondary schools, the value of the scholarship only was increased. The above scholarships are awarded for nine months in the school or academic year.

(K) (P)

2. In G.O.No.1246 Edn., dated 14-6-1947 and in G.O. Ms.No.1431 Edn., dated 7-7-1947, Government directed that the rates of fees in Colleges should be increased by 25% and that the number of instalments of fees to be collected should be raised from 8 to 10 instalments in Secondary Schools with effect from the current year. The above increase in the rates and in the number of instalments will be a hardship in the case of scholarship holders in view of the very high cost of living and of books and stationery. Scholarships are not fee concessions, but are really meant to cover the college or school fees and incidental expenses. Before 1938, the scholarships were paid for 12 months, but in that year, it was reduced to nine months on the ground that fees are paid only for nine months. The same

B

A

p.t.o.

argument now justifies the recommendation to increase in the rates of scholarships in colleges and increase in the number of instalments of fees for which scholarships are awarded in secondary schools.

3. In view of the above, I consider that rates of scholarships now paid at Rs.12/- in the Intermediate classes and at Rs.16/- in the B.A. and Post Graduate classes should be raised to Rs.15/- and Rs.20/- respectively; The number of instalments remaining the same, on account of the revised rates of fees in Colleges and that the period for which scholarships are now awarded in Secondary Schools (i.e. nine months) should be increased by one month, so as to enable the pupils to pay the tenth instalment of fees in Secondary Schools.

4. The financial effect of the above proposal is as follows:-

	Total estimated expenditure on scholarships in 1947-48 for nine months.	Amount required to raise the rate by 25% in Colleges and to pay scholarships for one more month in Secy.Schools.
	Rs.	Rs.
In Colleges (excluding Research scholarships in the Presidency College and widow scholarships.)	75,888	18,972
In Secy.Schools.		
For boys.	1,89,030	21,003
For girls(excluding residential scholarships in the Govt.Mappilla Girls' High School, Thirur.)	53,577	5,953
		26,956
Total Rs.		45,928

A sum of Rs.45,928/- would be additionally required if the proposal referred to above is to be given effect to in the current year (i.e.)1947-48 and in future years.

5. I request that the above proposals may be kindly con-
idered by Government and approved with effect from the current
ear.

FINANCE (REORGANIZATION) DEPARTMENT.

The question of uniformity of Scholarships and Stipends was discussed by the Retrenchment and Reorganization Committee at its meetings held on 16th and 20th February 1948. A copy of the Committee's recommendations is extracted below:

Dev

1 "VETERINARY DEPARTMENT - Since the pay of the Veterinary Officers has recently been raised, there does not seem to be any dearth of students in the College. The Committee considers that the number of Scholarships given may be reduced. They will suggest, as a beginning, a reduction ~~of~~ by 50%.

2 MISCELLANEOUS DEPARTMENTS - Prince of Wales Royal Indian Military College, Dehra Dun Scholarships, Royal Indian Navy Scholarships and K.G.R.I.M. College Scholarships - Since Defence is a Central Subject and as these institutions are under the management of the Central Government these scholarships will have to be granted only by the Central Government.

Pub

3 SCHEME FOR TRAINING CLERKS - Since the Committee has recommended separately the abolition of the whole scheme, the stipends given for clerks undergoing training may be also abolished.

** ** ** ** 3

4 POLICE (KALLAR RECLAMATION), EDUCATION AND LABOUR DEPARTMENTS - The Committee met the Deputy Inspector General of Police, Railways and C.I.D., Deputy D.P.I and the Personal Assistant to the Commissioner of Labour and discussed with them the different classes of scholarships etc., given in the depts. under their control. [The Committee finds from an examination of the lists given by the P.A., to the Commissioner of Labour that Harijan pupils in Arts and Professional Colleges and Harijan girls in III Form and below get full fee concession, whereas Harijan boys in Elementary and High Schools and Harijan girls in IV Form and above get only half fee concessions. The Committee does not underst the rationale for this differentiation. They would recomme that all Harijan boys and girls in all stages of education should get full fee concession.

Dev
P
Scheduled caste list
Backward class list

5 The Committee recommends that the same concession should be extended to all boys and girls of eligible communities viz., aboriginal and hill tribes; and the same concession should also be extended to all boys and girls belonging to the Kallar and other similarly situated communities, now getting aid thro' the Police Dept.

Home

6 Boys and girls of backward communities as listed in the Education code are given half-fee concession, if the parents or guardians of the boys come under the category of 'poor'. This concession may be continued.

Edu A

7 The Committee recommends that in all these cases, the concession should be compulsorily given in all recognised schools and the Government may make up for any loss sustained by local bodies or private agencies under any system that may be in force.

Edu C

8 The Committee also recommends that the grant of half-fee concession to boys and girls belonging to other communities upto a limit of 10% of the fee income should be continued and it should be applied to colleges also.

Edu B

5 ~~8~~

E 9 The Committee also recommends that this concession should be claimed as a matter of right and should not be subject to any conditions, except those of poverty.

Edu C 10 The Committee finds that in the case of a student of the scheduled castes, unable to get promotion on account of illness, the fee concession will be continued. Such a provision does not seem to exist with reference to the concessions allowed to boys and girls of other communities. The Committee recommends that the same concession should be applied to all boys and girls eligible for the concession.

Rev 11 SCHOLARSHIPS - LABOUR AND POLICE(KALLAR) DEPARTMENTS - Harijan boys are now getting scholarships based on the amount charged by the ~~xxx~~ hostels in which they are residing and in relation to the sort of education. In professional institutions they are given the total cost incurred in hostels, whereas in Arts Colleges and other institutions, they are given Rs.20 per mensem when they are lodged in private hostels and Rs.25 per mensem when they are in the hostels attached to Colleges. These scholarships are limited by the Budget provision. Ordinarily all the boys reading in the professional colleges as well as about 50% of the boys applying from other institutions are given the scholarships. The Committee considers that this may continue.

12 The same arrangement may be made applicable to boys and girls belonging to Kallar and other similarly situated communities. 4

Edu D 13 EDUCATION DEPARTMENT - There are scholarships attached to colleges given by the Education Department of a general nature and given on the basis of merit and poverty and these are given by the Director of Public Instruction. The number of scholarships are not distributed institution-war but are given to promising boys of the Presidency taken as a whole. The rates of scholarships are very low and if it is intended to help boys and girls really to continue their education, these are too small. The Committee would recommend that the same rates as are given for Harijans be adopted for all the scholarships to whatever community they may be granted and that there should be some scholarships attached to each institution and given on the basis of merit and poverty.

Rev 14 NON-RESIDENTIAL SCHOLARSHIPS - LABOUR DEPARTMENT - In addition to fee concessions and scholarships above referred to, the Labour Department gives some grants, called non-residential scholarships, to cover the cost of books, special fees, examination fees, cost of dress etc. These rates seem to have been fixed long ago. They may require revision in the light of the present costs.

15 This remark applies also to such scholarships given in the case of Kallar and other similarly situated communities.

16 There are some scholarships given for scheduled Caste boys and girls undergoing training in industrial courses. The Industries Department is also giving scholarships to these and other communities for the same purpose. The rates of scholarships may be made uniform for both the Departments. The Kallar and other communities should be treated with reference to these scholarships in the same way as boys and girls of other communities receiving such scholarships.

Ind 17 MIDWIFERY SCHOLARSHIPS - Scholarships are given for training girls as midwives by the Labour Department and by the PoliceDepartment. These rates are lower than the rates of scholarships given by the Medical Department. There is no reason for differentiating among these scholarship holders. The same rate may be allowed in all Departments.

Edu F
G3

18 BOARDING GRANTS - The boarding grants that are given vary from Department to Department. Those given by the Education Department are at Rs.8 per head, those given by the Police Dept. are at Rs.12 per head and those given by the Labour Department are at Rs.15 per head. Where it is not given as boarding grant, the boys get Rs.9 p.m. in the mufassal and Rs.10 p.m. in the city as residential grant from the Labour Department. This gives rise to discontent where it is low and each department clamours for something more, only leading others to follow.

Edu E

19 EUROPEAN SCHOLARSHIPS - The scholarships and boarding grants given to Anglo-Indian and European boys and girls should be brought to the same standard as those given for other communities. There is no reason to give them higher grants.

Edu G

20 GOVERNMENT OF INDIA SCHOLARSHIPS - The Committee understands that there are some scholarships given by the Central Government for Harijans and others and these are generally of a much higher value than those given by the Provincial Government. This leads to discontent and there is also no reason why such scholarships should be given by two different agencies for the same purpose. It will be desirable to address the Central Government and ask them to give scholarships and make grants on the same scale as in the Province and for this purpose, all the funds they allot may be placed at the disposal of the Provincial Government.

21 2. A copy of the above recommendation may be sent to Home, Development, Education and Public Departments for further action. They may be requested to communicate to this section a copy of the orders issued together with an estimate of savings that is anticipate by accepting the Committee's recommendations

II There has been practically no difficulty in regard to the award of these concessions in all recognised schools and colleges but some difficulty appears to have been experienced in respect of the students studying in the constituent colleges of the Andhra and Annamalai Universities as no special compensation is paid to them under rule 92 Madras Educational Rules. This question is already engaging the attention of Government (vide Government Memorandum No. 14333-2/48-A-Education dated 15-4-1948).

VI Regarding scholarships tenable in colleges, I have already addressed Government for the enhancement of rates (vide my letter C-2295-E/47 dated 15--9--1947). As regards the Educational Department, there are no separate rates for general scholarships tenable in colleges for Harijans and non-Harijans. The question of instituting some scholarships in each institution as suggested by the Retrenchment Committee may be dropped for the reason that it may involve additional expenditure to the state~~, than this scholarship~~. The present practice of considering applications on a Provincial basis may be continued as the most deserving candidates can secure scholarships. Moreover, regional considerations are even now borne in mind in sanctioning the scholarships. Each institution has got its own endowments, scholarships free places, etc., from private sources to help deserving cases in each college.

I have the honour to report that I consulted the Inspector-General of Police and the Commissioner of Labour on the following points and the copies of their replies are submitted herewith.

1. The circumstances under which the per capita boarding grant has been fixed for their Departments.

2. The conditions relating to the award of the grant in their Departments; and

3. Amount of grant now given by their Departments.

(2) As regards the rate obtaining in this Department, I have to point out that formerly the boarding grant was paid at Rs.3/- only per pupil per mensem and this was raised by successive stages to Rs.8/- in the Government Orders noted below:

From Rs.4/- to Rs.6/- in G.O.No.168, Edn., dated 1-2-43.
From Rs.4/- to Rs.6/- in G.O.No.1259, Edn., dated 3-5-44.
From Rs.6/-to Rs. 8/- in G.O.No.1928 Edn., dated 7-10-46.

The main reason for this increase in rates is the increase in cost of living.

(3) At present the Boarding grant is paid at Rs.8/- per pupil and at this rate the cost works out to Rs.16.47 lakhs. If the rate is increased to Rs.15/- as in the Labour Department the cost will work out to Rs.30.88 lakhs.

2. The rates of the grants and the various conditions governing the grants, which were being adopted by the Labour Department were adopted by this Department also, without any change.

3. The information required by the Director of Public Instruction, Madras, is furnished below:-

(1) In G.O.No.Ms.1434, Home, dated 8-5-1946 - copy enclosed - the Government authorised me, to sanction boarding grant up to a maximum rate of Rs.12/- per mensem for each pupil. This rate was based on the rate adopted by the Labour Department in respect of pupils of communities eligible for help by the Labour Department.

In January 1947 I sent up a proposal to the Government for the sanction of a lump sum allotment of Rs.3,000/- for distribution to 25 deserving notified tribe pupils at the above rate of Rs.12/- per mensem for a period of 10 months. The Government sanctioned the above expenditure for 1947-48 in G.O.No~~x~~. Ms. 1386, Home, dated 8-4-47 (copy enclosed). A similar sum of Rs.3000/- was sanctioned for being spent during 1948-49 also in G.O.No.Ms.874, Home, dated 1-4-48.

Though the Government have sanctioned subsequently, an increase of the rate of boarding grant from Rs.12/- per mensem to Rs.15/- per mensem for each pupil in G.O.No.Ms.1794, Home, dated 6-5-1947 (copy enclosed) this increased rate is not being adopted in the case of the 25 grants sanctioned in G.O.No.Ms.874, Home, dated 1-4-1948.

The circumstances under which the per-capita boarding grant was originally fixed is not known.

(2) The main conditions relating to the award of the grant are given in the enclosed copy of the endorsement B2. 3010/48 dated 9-4-48. The various rules and conditions prescribed in the Labour Commissioner's printed notification dated 13-3-1945 (copy enclosed) are being followed by this department also.

(3)a. It is proposed to give a sum of Rs.3,000/- during 1948-49 as boarding grants to 25 Notified tribe pupils at Rs.12/- per mensem (The Commissioner of Labour has informed that the system of "individual grants" has been discontinued this year. The Government have, therefore, been requested to issue further instructions with regard to the 25 individual grants which have to be sanctioned by me.)

(b) The boarding grants given by this Department are tenable for a period of ten months.

4. In addition to the above sum of Rs.3,000/- a sum of about Rs.2,500/- is allotted for distribution as boarding grants to the children of the discharged settlers of Bitragunta, Nellore, District, studying in the A.B.M.Middle School at Kavali. As the Government have since ordered the abolition of the Bitragunta Reformatory Settlement, the grants which have to be sanctioned this year, have not yet been sanctioned--vide my letter B.2 7978/48 dated 24-8-1948, in this connexion -chief office reference No.1571-A/statl/48 dated 11-9-1948.

Sub: Boarding grants - Recommendation of the Retrenchment and Reorganisation Committee.
Ref: Your letter No.910 J/48 dated 11-9-48.

The information required by you on the various points is given below:

(1) Prior to 1943, the boarding grants of the Labour Department were being paid at Rs.6-8-0 each per mensem. The rate of the grants was increased by successive stages and copies of the following references which explain the circumstances leading to this increase are enclosed.

(i) From Rs.6-8-0 to Rs.10/- each p.m. - This office letter No.1437-43 dated 30-4-43 and G.O.No.1665, Public Works, dated 24-6-43.
(ii) From Rs.10/- up to a maximum of Rs.12/- each p.m. in really deserving cases - This Office letter No.2699/44 dated 29-5-44 and G.O.No.Ms.2343, Public Works, dated 18-8-44.
(iii) From Rs.12/- to a flat rate of Rs.15/- each p.m. G.O.Ms.102, Development, dated 9-1-43. 20

The rate of the grants was increased from Rs.12 to Rs.15 per head per mensem by the Government on their own initiative considering the increase in the prices of food stuffs and this rate is in force even now.

2. A copy of the rules governing the boarding grants paid by the Labour Department is enclosed (Annexure C). The grant is generally paid in advance. The amounts relating to the grant are audited by the Examiner of Local Fund Accounts, Madras. On his recommendation, the amount overdrawn, if any, by a hostel, or boarding home during a year is recovered in the next year, when the amount spent by the hostel on legitimate charges and the average number of boarders maintained will be known. The items of expenditure debitable to the boarding grant are contained in Annexure C to this letter. Though the grant is paid to each subsidised hostel for a prescribed number of qualified boarders, there is no objection to the management maintaining more number of qualified boarders out of the grants and if the average attendance of the qualified boarders maintained during each month does not fall below the prescribed number, no recovery is made from the grant, i.e., if the number of qualified boarders fed falls below the prescribed number, on any day, no recovery from the grant is effected provided the average number of qualified boarders fed during the month is equal to or above the prescribed number.

3. The total amount of the boarding paid by this department, at present is Rs.7,33,950 and the number of pupils for whom the grant is given is 4,685. The grant is awarded for a period of 10 months in the year at Rs.15 each per mensem.

17. Further increase in the rates of boarding grants in view of the rise in the cost of living and special rates in the cities. The letters of the President, Tamilnad Harijan Sevak Sangh, Trichinopoly and of Mr.Suryanarayana Rao of the Servants of India Society, Madras bearing the Government endorsements cited above were considered by the Provincial Advisory Board at its meeting held on the 24th and 25th March 1943. A copy of the resolution passed by the Board is enclosed.

2. The rate of boarding grants to the pupils of the communities eligible for help by the Labour Department was temporarily increased in G.O.No.Ms.3712, P.M., dated 13-10-42 to Rs.6-8-0 per pupil per mensem. Since then, the cost of living has considerably increased. The cost of living index number for the Madras City before the war was 98 - i.e., in August 1939. For the week ending the 24th April 1943 it was 172, which represents an increse of 74 points or 76 % over the pre-war figure. The rate of boarding grants originally sanctioned to each pupil before the war was Rs.5/- per mensem. On the basis of the increased cost of living index number for February 1943, there is justification for enhancing the rate of the boarding grants to Rs.8-13-0 per pupil per mensem as detailed below.

For Rs.100, the increase is	Rs.76/-
For Rs.5 the increase is	Rs.3-13-0.
Original rate of the boarding grant	Rs.5-0-0
Increased rate admissible.	Rs.8-13-0

In the case of individual boarding grants sanctioned under G.O.No.1445, Mis.Development, dated 24-8-36, the Commissioner of Labour is competent to vary the rate of the grants from Rs.5 to Rs.8 each a month. Similar powers have been delegated to the District Magistrate, Madura in regard to boarding grants for Kallar pupils in Item 4 (b) of App.15 of M.F.C.Vol.II. In view of the rise in the cost of living I support the recommendation of the Provincial Advisory Board and request that the Commissioner of Labour may be given general powers to increase temporarily at his discretion the rate of all boarding grants upto Rs.9/- per mensem per head as in the case of boarding grants for Kallar pupils in the Madura District and the individual boarding grants for the pupils of the Communities eligible for help by the Labour Department. The increase of the grants will be considered by the Commissioner only in cases where specific applications are received by him and such increase will be considered on the merits of each case. If any additional funds are required by the sanction of boarding grant at the enhanced rate necessary provision will be included in the Revised Estimate for 1943-44.

3. The letters bearing the Governments endorsements cited above are resubmitted.

Copy of Resolution passed by the Provincial Advisory Board at its meeting held on the 24th and 25th March 1948.

Increase in the rate of Boarding grants in view of the increased cost of living (By Sri R.Suryanarayana Rao).	There has been a gradual increase in the rate of boarding grants. The last increase was from Rs.6-8-0 to Rs.10/- p.m. for pupil with effect from 1-4-43. There has been no demand from the institutions concerned in the mofussil that this rate (Rs.10/-) should be increased. Resolved to await applications for increase from the institutions.

.....

Sub: Labour Department - Boarding grants for pupils of the eligible communities - Rate of Boarding grants - Increase - Requested.

Ref: G.O.No.Ms.1165, P.W. Department, dated 26-6-1943.

I enclose a copy of the resolution of the Provincial Advisory Board meeting held on 24-4-1944 on the above subject. Two applications have been received one from the Secretary, Harijan Industrial School, Kodambakkam and another from the Hon.Secretary, the Gokulam Method village Welfare Association, Madras for increasing the rate of boarding grants sanctioned to the hostel attached to the institutions. So far no other institutions in the mofussil have applied for the enhancement of the rate of the Boarding grants of this Department.

In the G.O. cited the rate of the Boarding grants was increased from Rs.6-8-0 and above to Rs.10/- per pupil per mensem with effect from 1-4-43. The cost of living under number on 1-4-43 was 172. On 1-4-44 it was 201. In accordance with the cost of living index on 1-4-44, the rate of the Boarding grants may be increased from Rs.10/- to Rs.12/- as detailed below:-

PTO

For 172 index number (on 1-4-43) the rate of
Boarding was Rs.10/-
For 201 index number (on 1-4-44) -. Rs.10/172 x 201 -
Rs.11-10-11 or Rs.12 (Round sum)

But it is not desirable to sanction a flat of increase for all the institutions concerned. When any application is received from an institution, the question of increasing the rate of the Boarding Grants may be considered on merits. The increased rate of Boarding grants may be allowed wherever necessary after ascertaining the average expenditure from the hostel accounts etc. To avoid going up to Government frequently for increasing the rate of the Boarding grants of this Department, I request that the Government may be pleased to empower the Labour Commissioner to increase the rate of Boarding grants in really deserving cases after taking into account the average expenditure incurred for each boarder, upto a maximum of Rs.12/- each per mensem.

Necessary additional amount involved in the proposed during the current year will be included in the Revised Estimate for 1944-45.

6.3.48.

Ref. U.S's orders above.

The following scholarships are granted by the Madras Govt. to boys who belong to this Province:-

1. Scholarships each of the annual value of Rs.1,160/- tenable at the Prince of Wales Royal Indian Military College, Dehra Dun.

2. 50 scholarships on the whole each of the value of Rs.65/- p.annum tenable at the King George Royal Indian Military Colleges, Bangalore and Belgaum and

3. Two scholarships of the value of £.116/- for training in the Royal Indian Navy.

21

Item (1).

8 scholarships have been granted so far. Of these 8, 6 have left the institutions and the scholarships granted to them have been stopped. The remaining two scholarships are in force and will continue upto August '49 and September '49. Two boys of this Province have been selected in January 1948 and these two have submitted applications for Govt. scholarships. These are awaiting the decision on the general question regarding continuance of scholarships raised by the Retrenchment and the Reorganisation Committee. The connected file has been sent to Fin.

Item (2).

So far 12 scholarships have been granted. The Comdt. has forwarded the cases of 9 more boys to Govt. and references have been ~~made~~ issued to the Collectors concerned for verification ~~and~~ of the domicile of the boys. The sanction of scholarships will await the decision on the general question referred to above.

Item (3).

One scholarship was granted in 1946 and the entire amount of the scholarship has been disbursed. No other application has been received for the above scholarship so far.

p.t.o.

The amount required for the grant of the above scholarship~~s~~ is provided in the B.E. under "37.~~xx~~q.Education - General-Scholarships." The D.P.I. disburses the amounts. As the D.P.I is under the control of the E. & P.H. Deptt., it seems appropriate that the subject of the grant of scholarships to boys of this Province who are selected for admission to Military and Naval courses referred to above ~~is~~ should be dealt with in E. & P.H. Deptt.

This file deals with the recommendations of the Retrenchment and Reorganisation Committee on the questio of standardisation of scholarships and fee concessions. These recommendations have been examined in the sectiona notes below. The stages of the various recommendations are set out below:-

pp 1-2 (a) of See

(E)

I. Full fee concessions should be given to all Harijan boys and girls in all stages of educatio

Orders have been issued in G.O.No.1667, Edn., dated 29.6.48 sanctioning the grant of full fee concessions to Harijan pupils in secondary classes (Form I to VI) for a period of ten years. Please see further notes on p2(a) of Sectional notes.

pp 3-4 of See notes.

II. (a) Half fee concessions given to boys and girls belonging to other communities up to a limit of 10% of the fee income should be continued and it should be applied to colleges also.

27

(b) That the above concession should be claimed a a matter of right and should not be subject to any conditions except those of poverty.

The D.P.I. has already submitted necessary proposals in this behalf in connection with the grant of the educational concessions to children of elementary school teachers. The later question has been taken to an informal meeting of Hon'ble Ministers and is awaiting a decision.

pp 5-6 of See notes

III. The concession that a Harijan pupil who does not get promotion on account of illness gets the fee concession for another year should be allowed for boys and girls of other communities also.

There is already a provision for this, in the M.E.R. - vide G.O.No.2042, Edn., dated 11.9.39. No further action is necessary.

(a)

pp 7-8 (b) of See notes

IV. (a) That a scholarships given to communities othe than Harijans should be of the same rate as are given to Harijans.

(b) that there should be some scholarships attach ed to each institution and they should be given on the basis of merit and poverty.

(c) that the rate of scholarships should be raised

As regards (c) above the proposal is being treated as a Part II Scheme.

(a) above. The D.P.I. says that there is no difference in the rate

(b) above. The D.P.I. does not recommend this and it is proposed to agree with him.

pp 9-10 of See Notes

V. It is desirable that the rates of the Boarding grant given by Education, Public H and Labour

Departments should be uniform and that the rates given by Education Dept. should be raised to that of the Labour Dept.

The D.P.I. has been asked to forward a report on the circumstances in which per capita boarding grant has been fixed for the Police and the Labour Depts. and the conditions relating to the grant in the two Depts. He has also been asked to give the reasons for the fixation of the existing rates as far as the Education Dept. is concerned. He has also been asked to forward an estimate of the cost involved by the proposal. His reply is awaited ~~and~~ He has been reminded.

pp 21-22 S.N.

VI. That the scholarships and boarding grants given to Anglo-Indians and European boys and girls should be brought to the same standard as those given for other communities, as there is no reason to give them higher grants.

p 11 Sec. Notes

This is being dealt with separately in another file relating to the Reorganisation of the Anglo-Indian Education. No action need be taken on this file.

VII. That it is desirable to address the Govt. of India and ask them to give ~~them~~ scholarships and make their grants on the same scale as in this Province and for this purpose they may ~~also~~ be asked to place at the disposal of the Provincial Govt. the funds they allot.

pp 13-14 Sec Notes for Harijans

The D.P.I. proposed that the allotment for the award and distribution of scholarships may be entrusted to the Commr. of Labour as ameliorative measures for the backward classes are undertaken by that Department. This recommendation was accepted and the suggestion was remitted to the Firka Dev. Dept. for further consideration. Firka Dev. is taking separate action on the recommendation. No further action is called for in this Dept.

VIII. That the grant of the educational concessions to the children and dependents of ex-service men may be restricted to only one year in each class and not to two years as at present; the concession however being granted on promotion to next higher class.

p 15 Sec. Notes

It has ~~been decided~~ been proposed to accept the recommendation. Sub-Para (6) of para 3 of instructions in G.O.No.610, Edn., dated 20.4.45 may be suitably amended. ~~It is proposed to give effect to~~ the recommendation may be given effect from the School or Academic year 1949-~~50~~.

Recommendations of the Retrenchment and Reorganization Committee.

p 3 eF

P The Committee finds from an examination of the lists given by the P.A., to the Commissioner of Labour that Harijan pupils in Arts and Professional Colleges and Harijan girls in III Form and below get full fee concession, whereas Harijan boys in Elementary and High Schools and Harijan girls in IV Form and above get only half fee concessions. The Committee does not understand the rationale for this differentiation. They would recommend that all Harijan boys and girls in all stages of education should get full fee concession.

A Boys and girls of backward communities as listed in the Education code are given half-fee concession, if the parents or guardians of the boys come under the category of 'poor'. This concession may be continued.

C The Committee recommends that in all these cases, the concession should be compulsorily given in all recognised schools and the Government may make up for any loss sustained by local bodies or private agencies under any system that may be in force.

32

Remarks of the Director of Public Instruction.

p 13 eF

D 'P' and 'A' above:- Under Rule 92 of the Madras Educational Rules the fees leviable in any institution from boys belonging to the backward classes reading in any class shall be one half of the rates actually in force in that institution provided they are certified poor, subject to prescribed income limits. Subject to the same conditions, no fee shall be levied for girls belonging to Backward classes in Form III and below and from students belonging to the Harijan classes. Government have been addressed to extend the full fee concessions to all Harijan students studying in Secondary Schools (vide my letter C.1882-E4/47 dated 11-8-1947).

E 'C' above:- There has been practically no difficulty in regard to the award of these concessions in all recognised schools and colleges but some difficulty appears to have been experienced in respect of the students studying in the constituent colleges of the Andhra and Annamalai Universities as no special compensation is paid to them under rule 92 Madras Educational Rules. This question is already engaging the attention of Government (vide Govt. Memo. No.14333-2/48-A-Education dated 15-4-1948).

Edn. & P.H.(C1).

The R. & R. Committee, at 'A' above, has recommended that the half fee concessions now granted to pupils and student of backward classes under rule 92 of the Madras Educational Rules be continued. There has been no move to discontinue the concessions. They are quite necessary and may be continu as recommended by the Committee.

At 'P' above, the Committee has recommended that all Harijan boys and girls in all stages of education should get full fee concession. The D.P.I's remarks at 'D' above may be perused in this connection. The question has since been decided by the Cabinet which approved the decision of the Standing Finance Committee in para 6 on page 3 of (M). Orders in the matter will be issued soon. No further action is necessary.

(E)1

Regarding the Committee's recommendation at 'C' above, attention is invited to the remarks of the D.P.I. at 'E' above. Concessions under rule 92 of the M.E.R. are compulsorily given in all educational institutions except in some University Colleges. Local bodies and private managements are already being compensated for the loss incurred by them on the grant of these concessions. The question of compensating the Universities also in this behalf so that they too may adopt the concessions in their Colleges, is separately under consideration. No action is, therefore, necessary in this file.

It may however be mentioned that the names of a few aboriginal and hill tribes are included in the list of Harijans appended to the M.E.R. and they are eligible for full fee concessions. The issues raised by the Committee's recommendations are large and have to be carefully examined with reference to its financial implications. The D.P.I. has already submitted necessary proposals in this behalf in connection with the grant of the educational concessions to the children of elementary school teachers. The latter question has been taken to an informal meeting of the Hon'ble Ministers and the proposals of the D.P.I. have also been incorporated in the note for the meeting circulated to all Hon'ble Ministers. A consideration of these proposals may therefore well await (or perhaps should necessarily await) a decision of H.Ms. at the informal meeting. The connected file has been submitted to the Principal Private Secretary to the Hon'ble Premier for reference during the proposed informal discussion by H.Ms. After its return, a copy of this note may be taken and added to it and the proposals further examined. p.5 C.F. (granted)

EDUCATION DEPARTMENT - There are scholarships of a general nature attached to colleges granted ~~given~~ by the Education Department ~~of a general nature~~ and ~~given~~ on the basis of merit and poverty. ~~and these are given by the Director of Public Instruction~~. The number of scholarships are not distributed ~~institution~~ district-war but are given to promising boys of the Presidency taken as a whole. The rates of scholarships are very low and if it is intended to help boys and girls really to continue their education, they are too small. The Committee ~~would~~ recommends that the same rates as are given for Harijans be adopted for all the scholarships ~~to whatever community they may be granted~~ and ~~that there should~~ there should be be some scholarships attached to each institution and given on the basis of merit and poverty.

---

p.4 C.F.

pp 1-2 C.F.

REMARKS OF THE D.P.I.

Regarding scholarships tenable in colleges, I have already addressed Government for the enhancement of rates (Vide my letter C-2295-E/47 dated 15-9-1947). As regards the Educational Department, there are no separate rates for general scholarships tenable in colleges for Harijans and non-Harijans. The question of instituting some scholarships in each institution as suggested by the Retrenchment Committee may be dropped for the reason that it may involve additional expenditure to the State. The present practice of considering applications on a Provincial basis may be continued as the most deserving candidates can secure scholarships. Moreover, regional considerations are even now borne in mind in sanctioning the scholarships. Each institution has got its own endowments, scholarships, free places, etc., from private sources to help deserving cases in each college.

---

36

E.& P.H.Dept.

It is presumed that the Committee's recommendations relate to scholarships in Colleges. The recommendations are two-fold: (1) that the scholarships should be distributed institution-war and (2) that the rates of scholarships should be increased at least to those given for Harijans.

The D.P.I., for reasons explained above, has not favoured the acceptance of recommendation (1) above. Ⓐ It may be mentioned here that under G.O. No.937, Education, dated 20-4-48, some scholarships will be available for each College. The D.P.I's views may be accepted. Regarding (2) above the Director says that so far as the Education Dept. is concerned there is no difference in the rates of scholarships for Harijans and non-Harijans. Govt. scholarships are intended to cover the College or school fees and incidental expenses. The present rates are fixed with reference to these criteria

A

[illegible] the rates of tuition fees the Director has proposed to increase all rates of scholarships which is noted ~~down~~ on below. Further, the principle of showing special considerations to Harijans in the matter of educational concessions has been accepted by Government for a long time past. In the circumstances, it does not seem that any change is necessary in the present system.

M | B

In the letter on pages 1-2 c.f., the D.P.I. has recommended that the rates of scholarships for Intermediate, B.A., and post-Graduate courses may be raised from Rs. 12 and 16 to Rs.15 and 20 respectively and that the instalments of scholarships in Secondary Schools may be increased from 9 to 10. The additional cost of the proposals is Rs. 46,000/-. The Director's recommendation is reasonable and may be accepted. Finance may see for remarks

2. The following remarks are called on the proposal of the D.P.I. in regard to the scholarships tenable in Secondary Schools and Colleges:--

(a) Secondary Schools - Students of Secondary schools are at present awarded scholarships for nine months in a year. The D.P.I. has stated that prior to 1938, students were granted scholarships for 12 months and that the period was subsequently reduced to nine months on the ground that the fees were paid only for nine months. As the number of instalments of school fees has been raised from 8 to 10 instalments in respect of both ~~the~~ Government and non-Government schools and in view of the increase in the cost of living, the D.P.I. considers it reason- ble to increase the number of instalments of scholarships also o 10. The expenditure involved in the proposal is Rs 26,956. .& P.H. support the proposal. Submitted that Finance need not object, but the proposal should ordinarily be brought forward as a Part II Scheme for 1949-50.

(b) Colleges - The rates at which scholarships are now granted to College students are as follows:--

Intermediate classes - Rs 12 for nine months.

B.A. and Post graduate classes - Rs 16 for nine month

The above increased rates were sanctioned in 1946, the rates prior to the increase being Rs 9 and Rs 14 respectively. The D.P.I. has proposed that the existing rates may be increased to Rs 15 and Rs 20 respectively, i.e., by 25 per cent over the increased rates sanctioned in 1946, as the college fees have also been increased by 25 per cent. The extra expenditure involved is Rs 18,972 per annum. E.& P.H. support the proposal. The Retrenchment and Reorganisation Committee also has observed that the existing rates are too ~~sound~~ small.

BOARDING GRANTS - The boarding grants that are given vary from Department to Department. Those given by the Educa tion Department are at Rs.8 per head, those given by the Police Department are at Rs.12 per head and those given by the Labour Department are at Rs.15 per head. Where it is not given as boarding grant, the boys get Rs.9 p.m. in the mufassal and Rs.10 p.m. in the city as residential grant from the Labour Department. This gives rise to discontent where it is low and each department clamours for something more, only leading others to follow.

Boarding grants: Kallar boys and girls are given boarding grants at the rate of Rs.8/- and Rs.10/- per mensem for the middle and high school classes respectively. The Dt. Superintendents of Police, Madura North and South, state that these rates need not be revised if the full fee concessions are extended to these pupils since they are supplied with free clothing and books to the limit of about Rs.4,400/- per annum. The Deputy Inspr.-General of Police, C.I.D., and Railways, has been empowered to sanction boarding grants upto Rs.15/- per mensem from 1948-49 in G.O. No. Ms.1794, Home, dated 6-5-1947 and the Dist. GOVERNMENT OF INDIA SCHOLARSHIPS - The Committee understands that there are some scholarships given by the Central Government for Harijans and others and these are generally of a much higher value than those given by the Provincial Government. Compensation for the grant of educational concessions given to the children and dependants of soldiers and ex-army me

The Committee agrees to the proposal of the Director of Public Instruction that the concession ~~are~~ is available may be removed and that the condition laid down for the award of concessions may be suitably amended as follows:-

" Concession which ~~are~~ is available now to pupils who stay for two years in one and the same class may be removed and restricted to pupils who stay in one and the same class for one year only; the concession being granted on promotion to the next higher class."
