Please see the minutes of H.M.(Edn.) above. The Karnataka Sangha requests that the prize amount of Rs. 250/- may be raised to Rs. 500/- for the award of prizes for the best books in Kannada as in the case of Tamil and Telugu. The present orders fixing Rs. 250 as the prize amount for Kannada and Malayalam are based upon the decision of the Cabinet - vide pages 13-15 c.f. in G.O. No. 2627, Edn., dt.9-12-47. If the amount is to be raised to Rs. 250 in the case of Kannada, a similar increase will have to be done for Malayalam also.

Government have agreed to six prizes of Rs. 500/- each for Tamil and Telugu and siz prizes of Rs. 250Rs each for Malayalam and Kanarese literary productions. (p.15 of G.O. 2627, Flag (D)).In respect of the poet laureateships the late Minister for Education considered that no difference in the value of the prizes should be made between Tamil & Telugu on one hand and Kannada and Malayalam on the other through the population of the latter was only 11 per cent (p.5 ibid). specific reasons were given for the distinction in respect the prizes.

It must however be conceded that Kannada and Malayala cannot aspire to absolute parity with Tamil and Telugu the productions in which, most naturally, be more numerous in view of the larger population which they represent. It is ssible to reduce the prizes for Kannada and Malayalam to nd to enhance the prize money to Rs. 500/- without increas the financial commitment. This however cannot be done du the current year as the competition has already been noti to the public. It is suggested that the matter may be co sidered next year.

Govt. have decided that prizes for the best books in all languages should be announced simultaneously and by the Govt. funds disbursed for the purpose, vide Let. Ref. 42849/Ef2/49-2 d 21-7-49. p7-8/(K) Now the Pan-Kerala Literary Academy ~~have~~ has submitted proposals for the award of prizes p9 cf for the best books in 1949-50. As regards Tamil and Kannada works, proposals for the awards have been F below 96458/49 ~~also~~ promised and are awaited. But the Telugu Bhasha Samithi has stated that they can only submit their p9 cf / L.F proposals before the 1st of Apl. 1950. In this connection they have been informed that if the awards are p11-12 / L.F not made before March 1950, the budget appropriation will lapse and that fresh provision will have to be made for the awards in 1950-51. Their reply is being awaited. Otherwise the allotment of funds to all Associations will have to wait till April, resulting in the possibility of the provision remaining unspent. As an alternative each of the proposals as are ready can be announced & the grants disbursed so far as they are concerned. ~~It is submitted that it will be better not to hold up payments unnecessarily but to pass orders on the proposals as and when they are received.~~

2 Orders may now be passed on the proposal which has been agreed to by the Pan-Kerala Literary Academy that the existing six p7 cf prizes of the value of Rs 250/- each for the Malayalam p3 cf books may be converted into three prizes of the value of Rs 500/- each. Please see 'K' in the Secretary's note extracted on plante which was agreed to by H.M.

The value of the prizes for the best books in the regional languages are:-

(3) Malayalam - Six prizes, Rs 250 each	1,500

p3 cf

The proposal to reduce the no of prizes in the case of Malayalam and Kannada languages from six to three, each of the value of Rs 500 has been agreed to by the Pan Kerala Literary Academy p9 cf and the names of prize winners have also been intimated. In 1948-49, necessary funds were placed at the disposal of the Associations concerned for the award of prizes to the recipients and their names were not approved by Govt. pages 7-8 of (K) In July last, on the suggestion of Secy, the Associations were asked to make the selections before December '49 in order that the Govt. might take action to announce the awards and ~~place~~ allot the necessary funds. So far, the names of three prize winners in Malayalam language only p9 cf have been received; the other Associations have been reminded. The Telugu Bhasha Samithi authorities p9 of the linked file reported that it would be possible to intimate the list of prize winners before the 1st April '50. pages 11-12 of ibid They have been informed that the budget allotment for the current year (Rs 3000) is likely to lapse and that it would be necessary to find funds for two years next year. With a view to avoid the lapse of allotment, it would seem desirable to approve the lists as and when they are received and allot the necessary funds.

The [illegible] relates to the proposals for the award of prizes for books on six subjects in Tamil, Telugu, Kannada and Malayalam for the year 1949-50 in accordance with the orders in G.O. No. 2723, Edn., dated 19-12-47. The prizes are of the value of Rs. 500 for each of the books in Tamil and Telugu and Rs. 250/- each for the books in Kannada and Malayalam. There is a provision of Rs. 9,000/- in the current year's budget for this purposex as follows:-

J/99

114

Tamil Books	-	Rs. 3,000/-
Telugu Books	-	Rs. 3,000/-
Kannada Books	-	Rs. 1,500/-
Malayalam Books	-	Rs. 1,500/-
Total.		Rs. 9,000/-

2. The selections for the award of the prizes are made by the Tamil Academy, the Telugu Bhasha Samithi, the Karnataka Sangha and the Pan-Kerala Literary Academy. The order is that though the selections are made by the above bodies, the awards should be announced simultaneously and be announced by the Govt. from the current year. Proposals have been received for the languages except Telugu and they are now for consideration. It will be seen that the awards proposed are for the books on six subjects except in the case of Malayalam in which the Pan-Kerala Literary Academy, has accepted the Govt.'s suggestion to utilize the allotment of Rs. 1,500/- by offering prizes for three books at the rate of Rs. 500/- each. For Kannada, in one group, that is, 'Children's literature' two books have been selected for the awards. In that case the prize amount of Rs. 250/- has to be divided between the books. The proposals may be approved. Subject to orders, a draft order is submitted for approval. A copy of the order may be marked for the D.I.& P. who may release it to the Press. So far as the Telugu Books are concerned, the Telugu Bhasha Samithi has already been reminded. It may be informed that, if it does not submit proposals in time, the provision in the budget will lapse.
