The Government, in their Orders referred to above,  
have accorded sanction for the employment of a Film Librarian,  
an Operator, a clerk and an attender in the Central Film  
Library for a period of one year from the date of appointment.  
The sanction expires by 31-3-1950.

Many Schools and Colleges in the Province have purchased  
projectors, screens etc. A larger number of Schools and Col-  
leges will go in for projectors and other Visual Education  
equipment during the year as the 25% of the proceeds of the  
fees collected from pupils for Visual Education are ear-marked  
for payment of loans raised by the managements of schools for  
purchase of equipment - vide G.O.No.40 Edn. dated 6-1-1950.

So far, projectors, films, filmstrips and other equipment  
for Rs.52,858/- have been purchased for the Central Film  
Library and the films are being issued on loan to Schools  
and Colleges.

The Government have, further, accepted the proposals  
of the Director for giving training to teachers in the use  
of Visual Education apparatus. At least 12 training courses  
are likely to be conducted during 1950-51.

EXPLANATORY NOTE.

In 1948, the Government approved the scheme for the reorganization of Secondary Education in this Province and it was given effect to from the school year 1948-49. According to this scheme, the students in the Secondary Schools should be taught in the methods of Citizenship for two periods in a week. In order to enable the teachers employed in the Secondary Schools to impart instruction in the subject effectively and on right lines, it was found necessary to give them a short training. The Government, therefore, sanctioned the organization of a series of training courses during the school years 1948-49 and 1949-50.

2. In order to train more teachers, the Director of Public Instruction has submitted the following proposals for consideration in connexion with the budget for 1950-51:—

- Organization of 10 training courses for men teachers.
- Organization of 12 training courses for women teachers.
- Organization of 6 training courses for the trainees in the training institutions.
- Organization of 12 training courses for headmasters of secondary schools.

The total number of men and women teachers proposed to be trained is 800 at the rate of 80 per centre and 480 at the rate of 40 for each centre, respectively. The Director has proposed the organization of 6 training courses for the 600 trainees in the training institutions to avoid the necessity to train them, after they get themselves employed in secondary schools. In order to make the teachers to do their work better, it is considered necessary to give short training courses for about 1,000 headmasters of secondary schools. The training course for the headmasters is for a period of four days and that for all others is for 10 days.

3. The teachers, the trainees and the headmasters will have to be provided with food. The expenditure on this account is estimated at Rs. 1-8-0 per head per day for headmasters and at Re. 1 each for others. In addition, expenditure will have to be incurred on the purchase of equipment, contingencies and on the travelling and daily allowances to Instructors deputed to conduct the training courses. The extra expenditure involved in the proposals is Rs. 30,100 non-recurring. As the organization of the courses is necessary to implement the reorganization of Secondary Education, the Finance Department have agreed to

the proposals being considered as a Part II Scheme for 1950-51 ; but in view of the present financial stringency, they have suggested that the organization of the number of courses may be restricted to 50 per cent, thus reducing the expenditure to Rs. 15,000.

4. This Department accepts the suggestion of the Finance Department and recommends that necessary provision as shown in the summary above may be made in the Budget Estimate for 1950-51.
