p9 of BK no 40.

I have the honour to state that the inclusion of the following four schemes having been sanctioned by Government only recently in G.O.Ms.No.86 Education dated 11-1-50 no building operations have yet been started. It will take some time to get the plans and estimates finally scrutinised by the Joint Consulting Architect and to invite tenders as required in Rule 53(ii) of the Grant-in-Aid Code. Hence the four schemes may not qualify for advance payment during the current year.

1. Taylor High School, Narasapur
2. M.M.High School for boys, Ketti,
3. Mookkuthala High School, Nannamukku
4. St.Mary's Girls High School, Mangalore.

para 2 on p23 of f Ⓒ

2. In the order mentioned, Government have condoned the irregular action of the following two managements in having started the construction before the inclusion of the schemes.

i) M.N.M.High School, Gudavalle:-

The Assistant Engineer(Highways)Repalli has certified that the value of work so far executed amounts to Rs.14,202/- The Correspondent reports that work costing Rs.22,000/- will be executed before 10-3-50 and that the grant of Rs.11,000/- will be claimed during the month of March 1950.

ii) Ramakrishna Mission High School, Allur:-

16200
1800
18000
2 = 9000

The Correspondent has reported that 3 class rooms worth Rs. 16,200/- have already been executed and that the remaining work ~~xxxx~~ worth Rs.1800/- will be executed by 10-3-50.

p26 of f Ⓒ

The advance grant, not exceeding the amount sanctioned by Government, will be paid after obtaining the certificates of the Engineer in charge and management in regard to the value of the work and the actual expenditure respectively without insisting on valuation by the Public Works Department at this stage.

p3 of of Ⓔ

4. The title ~~xxx~~ deeds in respect of these two schemes have not been examined. It is presumed that in these two cases as well as other such cases the advance grant can be sanctioned pending scrutiny of the title deeds-vide also para 2 of G.O.Ms. 501 Education dated 17-2-1950.

5. The amount of grant in respect of these two schools was not included in the additional amount claimed in the final Revised Estimate under "37.g.Education Secondary Direct grants to non-Government secondary Schools - A.General -3 Buildings" Necessary additional funds ~~xxxx~~ may therefore be provided in the current year and I may be informed whether the payment can be authorised in March pending provision of funds.

P.T.O.

can be authorised in March pending provision of funds.

Yours faithfully,

p3 of Ⓧ In G.O.Ms.No.775 Edn. dated 9-3-50, Government declined to approve my proposal to disburse advance building grants during the current year to approved schemes, pending scrutiny of title deeds .

p3 infra

2. I submit herewith a list of schemes for which advance grants sanctioned in the G.Os cited above have to be disbursed during the current year, pending scrutiny of the title deeds. The schemes relate to institutions which are long-standing and well conducted. The managements could be relied upon to take expeditious action to rectify any defects which might be pointed out by the Government Solicitor as the balance of grant due would be paid only after the title deeds are examined and found to be in order.

3. The advance grant for each institution ~~is not~~ does not exceed much (Rs.12,000/- in any case ~~is the highest)~~ and it would be possible to recover this amount even from the teaching grants due to the school if circumstances necessitate such a course. I am therefore of opinion that the payment of advance building grants to the schools under reference pending examination of the title deeds is not likely to lead to any complications.

4. In the expectation that the managements concerned will show a clear title, advance grants were suggestedd As Government permitted the part payments of grants pending the examination of the title deeds in G.O.Ms.No.

in G.O~~x~~.No.Ms.2590 Edn. dated 16-10-48, it was expedted that a similar procedure would be allowed in the current year also; so the final Revised Estimate for this year "Building Grants"was framed in the expectation that it would not be necessary to hold-up the payment of the sanctioned advance building grants until the title deeds had been scrutinised and found to be in order. Further Government in their order Ms.No.2406 Education dated 25-7-49 sanctioned advance grants for 6 more schools for payment during the current year and the necessary additional funds were applied for in the final Revised Estimate.

5. In the circumstances explained above, I request that Government may be pleased to reconsider their orders and authorise me as a special case this year, to make part payment of building grants in the current year to the schools noted in the enclosed list upto the limits specified in column 4 pending examination of the title deeds.

p 3 infra

6. However if Government are not inclined to reconsider their orders favourably in the matter, I request that, alternatively, I may ~~atleast~~ be permitted to utilise the provision for making ~~meeting~~ further payment of grants to part paid schemes in respect of which the title have been examined and found to be in order. Attention is in this connection invited to paras 3 of G.O.Ms.No.2080 Edn. dated 28-6-49 No.2406 Edn. dated 25-7-49 and Govt.Memo.No.69166 B1/49-2 Edn. dated 21-9-49.

7. If the above is not done immediately, I am afraid a considerable Portion ~~allotment amount~~ of allotment will have to lapse necessarily. I request the favour of very early orders as the grants have to be first authorised for payment and then the bills countersigned, which will take some time.

2. Under para 54 of the Grant-in-Aid Code, whenever a scheme is approved and Govt. sanction a grant, the management shall be required to execute a deed of mortgage of the property concerned ~~or a deed of mortgage of the property concerned~~ or a deed of acceptance in respect of the grant payable. In exceptional cases, the Govt. have permitted the institutions to draw the grants pending execution of such mortgage deeds. In the present case, the D.P.I. has asked for general permission (besides the case of A.F.D.T. High School, Malikapuram) to pay the grants pending execution of the deeds so that payment can be made in the current year itself.

3. In the circumstances, Finance may agree to the D.P.I.'s proposals and accept the draft on p.1 above. H.M.(Fin.) may see.

There seems to be no proper security for recovery of the advance grant in case the title deeds are found to be defective. It does not therefore appear to be correct to disburse advance grants as a matter of course subject to the management giving an undertaking as at 'K' on page 1 above. Finance may advise accordingly. E.& P.H. may also consult Legal if they wish to press their proposal, and also consider whether it is not necessary to lay down up to what limit, i.e. up to what percentage of the total admissible grant, advance grant may be sanctioned.

C.S.K./11-2-50

p1 of (E)

The proposal of the D.P.I. seems to be based on the difficulty expressed at 'N' on page 1 C.F. regarding disbursement of the grant in a year subsequent to the one in which provision has been made for it, if no expenditure is incurred in the year in which provision has been made. The general rule is that if a new scheme of expenditure provided for in a year is not given effect to in that year, it should be considered as a Part II Scheme in the subsequent year. This rule may be relaxed in the case of grants-in-aid to schools for building puposes, so that if no grant is paid in a particular year for a sanctioned scheme, it may be paid in the subsequent year after necessary preliminaries are completed.

p1 of (E)

The proposal of the D.P.I. will, if agreed to, in effect, amount to materially modifying the time-long principle and a very necessary one, contained in para. 54 of the Grant-in-aid Code. This provision is necessary to ensure that the Government are not put to any loss on account of defective title in any case. If the proposal of the D.P.I. is agreed to, it will encourage managements to draw the grants in all cases on giving the undertaking and may in some cases result in a loss to the Govt. In exceptional cases, if there are valid reasons as in the cases dealt with in the papers at (C) and (Y), it is always open to the D.P.I. to come up to the Govt. and to obtain orders of Govt. for relaxation and for the drawal of a portion of the grants in advance pending the scrutiny of the title deeds, etc., by the Govt. Solicitor.

C. No. 14499 From the D.P.I. Rc. 537 D2/48 d/ 23-2-50.   p1 cf.

The D.P.I. has since reported that the title deeds in respect of two more schemes have not been scrutinised by the Govt. Solicitor. The two schemes are   p1 cf XX

(1) construction of a building for the M.N.M. High School, Gudavalle at an estimated cost of Rs 1,12,000   p 24 cf of (C)

and (2) construction of seven rooms and laboratory for the Ramakrishna Mission High School, Allur at an estimated cost of Rs 46,300/-. The Director has stated that the two schemes have already been executed to the extent necessary to render them eligible for ~~the p part grants sanctioned in respect of them.~~ part payment of the grant sanctioned for those schemes He ~~requests~~ recommends that the ~~disbursement of the part~~ first instalment of the grant ~~in respect of these two schemes~~ may be sanctioned for the two schemes in the current year ~~be sanctioned~~ pending scrutiny of the title deeds. If this is accepted he requests that additional funds may be provided to meet the expenditure.   p1 cf

Please see the letter from the D.P.I. on pp 1-2 of c and note from XX on p. 2 above. This department may agree with the suggestion at 'A' above.

With reference to 'B' above, it is noted that it is too late to provide additional funds in the current year. The grants may therefore be disbursed during 1950-1, provided title deeds are found to be in order.

Grants - Buildings Non-Govt Secondary schools
Part payment pending scrutiny of title deeds -

From the D.P.I. R.C. 537 D2/48 dated 11-3-50 — pp 1-2 cf

The D.P.I. states that he had framed ~~that~~ the final Revised Estimate for the current year under building grants to non-Govt secondary schools in the expectation that the payment of the first instalment of the grant will be permitted pending scrutiny of he title deeds to the 11 institutions specified in the list on page 3 C.F. and if the Govt do not allow such payment a considerable portion of the allotment will have to lapse. He states that the schemes relate to institutions which are longstanding and well established and that the managements would be relied upon to take expeditious action to rectify any defects which might be pointed out by the Govt Solicitor and that the payment of advance grant is not likely to lead to any complications.

para 4 on pp 1-2 cf

para 7 on p 2 cf

paras 2 and 3 on p 1 cf

2. The Govt have in exceptional cases allowed disbursement of the portion of grant due pending scrutiny of the title deeds as a special case and the objection of Finance to the D.P.I.'s proposal in such cases is that it should not be made a rule instead of being an exception. The D.P.I. has also recently brought to the notice of Govt certain cases where the titles of the mangements have been found to be defective by the Govt Solicitor. It seems therefore safer to disburse the first instalment of the grant to the managements whose titles have not yet been declared to be inorder early in the next year after the scrutiny by the Govt Solicitor is over. The Director's alternative proposal in para 6 of his letter to utilise the provision for further payment of grants for part paid schemes in respect of which the title deeds have been examined and found to be inorder

Grants- Buildings - Non-Government Secondary schools - schemes for which no grants were paid in 1949-50 - Disbursement of a portion of the grant in the Current year

p1 cf.

From the DPI Rc no 163. D6./50 d 8.4.50.

pp1-2 cf (Q)

A
20/4/50

p17 cf (Q)

Last year it was not possible to disburse grants to the managements of certain non-govt secondary schools towards the cost of construction of buildings even though the grants were claimed with reference to the expenditure actually incurred on the execution of the works as the title deeds had not been scrutinised & found to be in order by the Govt Solicitor. The DPI was informed that the grants in respect of such schemes might be disbursed in 1950-51 (current year) after the scrutiny of the title deeds is over.

2. The Director has now reported that the title deeds in respect of three schemes have been declared to be in order and that declaration is expected in respect of four more schemes from the Govt Solicitor shortly. He enquires whether grants may be disbursed in respect of the seven schemes detailed in his letter on p1 cf up to one half of the value of the work done. There is no objection to the Director's proposal. The first instalment of grant to be paid in respect of those schemes should not exceed the amount provided for them in the current year's budget. This is specified in the last col. of the St. on p1 cf.

A draft memo to the DPI. is submitted below for approval. It may be sent to Finance U.O. for acceptance
