The Hon'ble Minister of Industries

Dear Sir,

We beg to lay the following:

On 9th July 1949, We applied to your colleague, the hon'ble Education minister, to give recognition to the Examinations of Rashtrabhasha Prachar Samiti, Wardha, but no action was taken so far. We are sending again a reminder to him.

Now when our Constituent Assembly have declared 'Hindi' and Devanagari to become the official language and script of the Indian union, We deem it most opportune moment to ask your assistance in giving recognition to our Examinations by your Govt. These Examinations, from the very beginning, are conducted on the lines of the recent declaration of our Constituent Assembly and now have become widely popular in many non-Hindi speaking provinces of India.

Our representative Syt. Madanmohan Vidyasagar of Temali (Andhra) would ask to meet you and will place before you our point of view.

Hoping your kind assistance,

Yours faithfully,

Sub: Recognition of the Rashtra Bhasha Examinations.

54422

Dear Sir,

We beg to lay the following for your favourable consideration.

Ours is a National institution solely devoted to the propagation of the Rashtra-Bhasha (National Language) Hindi in Devanagari script in all the Non-Hindi-Speaking provinces throughout India.

This national institution was started in April, 1936 at Wardha by our national leaders like Mahatma Gandhi, Dr. Rajendra Prasad, Pt. Jawaharlal Nehru, Shri Purushottamdas Tandon and others. Now it has grown into a huge affair extending its activities in all the non-Hindi-speaking provinces of India.

It propagates Rashtra-Bhasha through its various examinations, viz. Prarambhik, Pravesh, Parichaya, and Kovida (the degree examination). It is a real delight for us to note that these examinations are now becoming exceedingly popular. Every year, number of examinees is increasing by leaps and bounds. The last year alone more than one hundred and twenty thousand examinees appeared for our examinations.

Herewith we are sending, ^{separately with registered book-post} some literature giving the needed facts and figures.

Now to come to your purpose:

In the interest of the Nation, some provincial Govts. (The C.P. & Berar and Orissa Govts.) have recognised our examinations without even our requesting them to do so. The Orissa Govt. have, in particular, spent thousands of Rupees to popularise examinations in their

~~examinations in their province.~~

But, it has been brought to our knowledge that in Madras, the diploma holders of Wardha-Rashtra-Bhasha-Examinations are confronting a lot of difficulties in getting a job as a Hindi-teacher in Government schools. We hope it is not so, and if unfortunately the reports are true, we trust that the matters will be set right through your good grace.

Hereby, we approach you and request you that our popular Government of Madras will, kindly, consider about it and give recognition to our ^{also} examinations and thus render help in this national cause.

Hoping and solicitting again your earliest consideration:

Yours Obediently,

Arund Kausalyagan

Schools - Secondary - Hindustani Teachers - Qualifications - Rashtra Basha Prachar Samithi, Wardha - Recognition.

From the Secretary, Rashtra Basha Prachar Samithi, Wardha d/18-10-49

From the Jt. Secretary B.B.H.P. Sabha, Madras No 2080/49 d/16-11-49.

(R)

In G.O. No. 293 Edn d/7-2-49 and G.O. No. 1330 Edn d/29.4.49, the Govt. have prescribed the qualifications for Hindustani teachers in Secondary Schools and they have accorded recognition to the diplomas awarded by certain organisations like the Dakshina Bharat Hindustani Prachar Sabha, Madras. The Secretary, Rashtra Basha Prachar Samithi, Wardha has now represented that they are also conducting examinations in Hindustani and that the examinations may be recognised by the Govt. The Secretary Dakshina Bharat Hindustani Prachar Sabha, Madras to whom the matter was referred, has remarked that the examinations conducted by the Samithi are merely of a literary nature and that therefore it cannot be considered equivalent to the Pracharak Examination (of the B.B.H.P. Sabha) which is a technical teaching examination and is ~~very~~ much more comprehensive. In view of this it is for consideration whether the Secretary, Rashtra Basha Samithi, Wardha may be informed that the examination conducted by the Samithi can not be recognised as the requisite qualification for Hindustani Teachers.
