Sir,

Sub:-- RAMNAD DISTRICT BOARD -Elementary Education Funds- Revised Budget for 1949-50 and Budget Estimate for 1950-51 .

Ref:-- 1) Your letter C.No.1905-B1/49 dated 22-10-49.
2) Government Memo No.87233-B2-49-1 Education dated 10th November 1949.

---:---

I forward herewith the revised estimate for 1949-50, and budget estimate for 1950-51 on the Elementary Education Fund of Ramnad District Board in the prescribed form together with the enclosures in duplicate. This is approved in District Board Resolution No.1651 dated 29-12-49 copy enclosed. Details for receipts and expenditure, are given in the appendix.

2. As the budget estimate ends in a heavy minus balance, barely the cost of running the existing schools has been provided. Within the limited allotments, the recommendations of the Educational Authorities will be observed as far as possible.

3. Provision is made for sanction of increments to teachers, and so the provisions in the budget estimate for 1950-51, exceed the actual expenditure for 1948-49. In many schools, for which buildings are rented, additional accommodation are got provided and so rents have been increased. Provision is made for payment of additional rents. Due provisions are made under furniture and equipments, and the recommendations of the Educational authorities are complied with, with regard to these items. A lump sum provision of Rs 5000/- is made for repairs to buildings. Though the Divisional Engineer, (Highways) Ramnad demanded a provision of Rs 12,400/- for repairs to buildings, this amount would not be fully provided, for want of funds. Only such of the school buildings which require repairs immediately, will be taken up during 1950-51, and a small provision of Rs 5000/- alone is provided. There is no proposal to repair the rent free buildings.

Capital account.

In the ~~capital~~ revised budget, a sum of Rs 10,000/- is provided and this is proposed to be utilised for additional shed in compulsory areas. For the budget year 1950-51, the ~~Dist~~ Divisional Engineer, (Highways) demanded a provision of Rs 85,000/- for school buildings. Owing to want of funds, a small provision of Rs 20,000/- alone is allotted, and this will be utilised for providing additional accommodations, in such of the schools as are found necessary by the Educational Authorities. A sum of Rs 10,000/- is allotted for supply of furniture to schools which are not fully equipped.

4. Even though, provisions, were ~~xx~~ curtailed to a large extent, the budget ends in a minus balance of Rs 6,87,926/-. This is due to the fact, that the income from Education tax is much decreased, owing to abolition of Zamins and rent reduction acts. But in the expenditure side, there is increase under all heads of accounts, and this cannot be avoided owing to the costliness of everything. During the year 1944-45, Government accorded sanction to pay subsidy for the additional expenditure owing to payment of Dearness allowance, in G.O. No.~~12~~ 1321 Edn., dated 11-9-44, and a similar subsidy was sanctioned during 1945-46 in G.O.No.1827 Edn., dated 7-11-45.

This was stopped in subsequent years, by Government presumably for the reason, that District Boards ~~x~~ were allowed to wipe off the minus balances occuring in the Budget Estimate from the Arrear Toll Compensation grants. Unfortunately, this grant is not sanctioned from 1949-50. This District Board has sanctioned the maximum amount of Dearness Allowance to teachers. So, the Government are requested to give ~~and~~ ~~x~~ aid to this District Board ~~has sanctioned the~~ by payment of the entire dearness allowance to Board School teachers, actually incurred by this District Board.

5. In order to increase the revenue, this District Board has increased the levy of Education Tax from 16½ pies to 3 annas in the rupee of land revenue for fasli 1360. It is also requested that the Government may be pleased to approve this proposal, and instruct the Collector of Ramnad to give effect to these rates of levy from the fasli year 1360.

6. The Budget estimate as sent herewith may be recommended to Government for sanction. Other means if any, for balancing the budget may also be suggested for adoption by the District Board.

7. A statement showing cost of compulsory Elementary Education is also appended. This expenditure is included in the various items of heads of accounts in the budget estimate.

Dear Sir,

Sub:-RAMNAD DISTRICT BOARD-Elementary Education Funds- Revised Budget for 1949-50 and Budget for 1950-51

-:-

I have already forwarded in my letter Roc.B.1. 102 Pdl of 50 dated 5-1-1950 to the Government through the Director of Public Instruction,Madras, the Budget wherein I have clearly explained in full the financial position of this Board and I have also requested the Government to sanction the increase in the education cess from 16½ pies to 3 annas in the rupee of the land cess with effect from fasli 1360 and also to sanction payment of subsidy towards the payment of Dearness allowance to elementary school teachers. Government have in their Memorandum No.1563 Bd/48-1 Edn.dated 11-1-50, replied to submit this proposal through the Director of Public Instruction,Madras with concrete suggestions for avoiding the deficit anticipated. I have replied to this reference through the Director of Public Instruction, Madras on 4-2-50. I,therefore,request you to kindly call for the papers and pass favourable orders to wipe off the deficit of this Board.

Yours sincerely,

MEMORANDUM PRESENTED TO THE HON'BLE SRI K.MADHAVA MENON,B.A.,B.L.,
MINISTER FOR EDUCATION WITH THE GOVERNMENT OF MADRAS
M A D R A S.
-:-

The District Board has levied Education Cess at 16½ pies in the Rupee of rental value of lands and the Collector of Ramnad is realising the cess and adjusting it in twelve monthly instalments for every fasli year. Till fasli 1356, the Education Cess was levied at 14 pies in the rupee of rental value and the annual income from Education Cess was as below as per actuals:-

46-47	..	2,86,045
45-46	..	1,73,843
44-45	..	2,45,643

As the funds under the Elementary Education during those years were about to work in minus balance , the rateof cess was increased to 16½ pies in the rupee. Yet the probable income from cess for 49-50 as estimated by the Collector of Ramnad, is only Rs.2,85,100. Not only that, but the Collector had demanded to refund a sum of Rs.2,57,669 being the excess amount of education cess adjusted during 47-48 and 48-49. Refund of this sum in 20 annual instalments as applied for to Government is also provided in the Revised Budget for 49-50 and Budget for 50-51. The Board has again moved the Government to sanction full remission or to sanction the repayment in easy instalments. Orders of Government are awaited on this both for land cess and education cess. Cesses realised at 16½ pies for 47-48 and 48-49 are furnished below:

1947-48	..	5,64,992
1948-49	..	5,13,810

So the Board has to refund the amount of Rs.2,57,669 out of the amounts shown above. Now to meet the heavy deficit of Rs. 6,87,926 , the Board has resolved to increase the levy of education cess from 16½ pies to 3 annas in the Rupee from fasli 1360.

The other receipts and Government contributions have been duly taken over and a sum of Rs.85,000/- has also been

as contribution from General Funds. Taking all these into account the total receipts both ordinary and capital come to Rs.6,32,470/-.

Coming to the expenditure side, the barest minimum required for Ordinary Expenditure is Rs.10,65,920/-, for Capital Expenditure the Board has provided Rs.20,000/- for lands and buildings and Rs.10,000/- for furniture and apparatus.

There is increasing demands from public throughout the District for opening of new schools and for providing additional teachers in the existing schools and provision of furniture etc., to schools. The Board is not able to allot any sum for all these.

Even though provisions were curtailed to large extent the Budget ends in a minus balance of Rs.6,87,926/-. This is due to the fact that income from Education Cess is much decreased owing to abolition of Zamin and Rent Reduction Acts. But in the Expenditure Side there is increase under all heads of account and this could not be avoided owing to the costliness of everything. All the sources of revenue due to the Elementary Education Funds have been tapped. Education cess also has been increased at the rate of 3 annas in the Rupee of annual rental value of lands. The probable additional income that may accrue to this Board if the Government is pleased to sanction the increase at 3 annas in the Rupee will be approximately Rupees 3 lakhs. Even this 3 lakhs will not be sufficient to wipe off the deficit. There will still be a deficit of Rs.3,87,926. Now the amount of Rs.3,22,000 is being paid as Dearness Allowance to teachers. If this sum is paid as grant by Government to this Board, the Board

34

19

can balance the Budget. The Board therefore looks to the Government to aid the funds of Elementary Education Account by sanctioning grant towards the payment of Dearness Allowance to teachers as was done during the years 1944-45 and 1945-46, and to sanction the levy of Education Cess at 3 annas in the Ruppee with effect from Fasli 1360 as resolved by the Board.

Sub:-Ramnad District Board-Elementary Education funds- Revised Budget for 49-50 and Budget ~~x~~ estimate for 50-51

Ref:-1.Your letter C.No.1905-B1/49 dated 22-10-49

I forward herewith the revised estimate for 49-50, and budget estimate for 1950-51 on the Elementary Education Funds of Ramnad District Board in the prescribed form together with the enclosures in duplicate. This is approved in D.B.R. No.1651 dated 29-12-49(copy enclosed) Details for receipts and expenditure are given in the appendix.

2.As the Budget estimate ends in a heavy minus balance, barely the cost of running the existing schools has been provided.Within the limited allotments, the recommendations of the educational authorities will be observed as far as possible.

3.Provision is made for sanction of increments to teachers and so, the provisions in the budget estimate for 50-51, exceed the actual expenditure for 48-49. In many schools, for which buildings are rented, additional accommodation are got provided, and so rents have been increased.Provision is made for payment of additional rents. Due provisions are made under furniture and equipments, and the recommendations of the Educational authorities are complied with, with reg-rd to these items. ~~A~~ x lump sum provision of Rs.5000/- is made for repairs to buildings. Though the Divisional Engineer (H) Ramnad demanded a provision of Rs.12,400/- for repairs to buildings, this amount could not be fully provided for want of funds. Only, such of the schools buildings which require repairs immediately, will be taken up during 1950-51, and a small provision of Rs.5000/- alone is provided. There is no proposal to repair the rent free building.

CAPITAL ACCOUNT:

In the revised budget, a sum of Rs.10,000/- is provided, and this is proposed to be utilised for additional shed in compulsory areas. For the Budget year 50-51, the Divisional Engineer Highways demanded a provision of Rs.85,000/- for school buildings . Owing to want of funds, a small provision of Rs.20,000/- alone is allotted, and this will be utilised for providing additional accommodations, in such of the schools as are found necessary by the Educational authorities . A sum of Rs.10,000/- is allotted for supply of furniture to schools which are not fully equipped.

4.Even though, provisions were curtailed to a large extent, the budget ends ~~x~~ in a minus balance of Rs.6,87,926.This is due to the fact, that the income from Education tax is much decreased, owing to abolition of zamins and rent reduction acts. But in the expenditure side, there is increase under all heads of accounts and this ~~amount~~ cannot be avoided owing to the costliness of everything.During the year 44-45, Government accorded sanction to pay subsidy for the additional expenditure owing to payment of Dearness allowance in G.O.No.1321 Edn. dated 11-9-44, and a ~~s~~imilar subsidy was sanctioned during 1945-46 in G.O. no 1827 Edn.dated 7-11-45. This was stopped in subsequent years by Government, presumably for the reason, that District Boards were allowed to wipe off the minus balances occuring in the Budget Estimate from the Arrear Toll Compensation Grant. Unfortunately, this grant is not sanctioned from 1949-50. This District Board has sanctioned the maximum amount of Dearness allowance to teachers . So, the Governmen are requested to give aid to this District Board by payment of the entire Dearness allowance to Board school teachers, actually incurred by this District Board.

5.In order to increase the revenue, this District Board has increased the levy of Education tax from 16½ pies to 3 annas in the rupee of land revenue from fasli 1360.It is also requested that the Government may be pleased to approve this proposal and instruct the Collector of Ramnad to give effect to these rates of levy from the fasli year 1360.

6.The Budget Estimate as sent herewith may be recommended to Government for sanction .Other means if any, for balancing the budget may also be suggested for adoption by the District Board.

7.A statement showing cost of compulsory elementary education is also appended. This expenditure is included in the various items of heads of account in the Budget Estimate.

Sub:- Elementary Education Fund - District Board, Ramnad - B.E. for 1950-51.

Read: From the President, Dt. Bd., Ramnad, No.El-102/PDL-50, dated 5-1-1950.
From the D.P.I., Endt. No.18-B4/49-50, dated 21-2-1950.

The D.P.I. has forwarded with his remarks the R.E. for the year 1949-50 and the B.E. for the year 1950-51 of the Ele. Edn. Fund under the control of the Dt. Bd., Ramnad.

2. R.E. for 1949-50: There is a huge fall in the income under education tax. It is reported that this is due to the operation of the Rent Reduction Act. The R.E. may close with a deficit of Rs.2.25 lakhs. No subsidy has so far been paid to the Dt. Bd. towards the expenditure of Rs.3.20 lakhs incurred by it in the current year on the payment of dearness allowance to teachers in ele. schools. A subsidy may therefore be paid to cover the deficit of Rs.2.25 lakhs.

3. B.E. for 1950-51: The total income from education tax at the rate of 16½ pies in the rupee of land revenue will be Rs.2.85 lakhs. The President has suggested that the rate may be raised to 3 annas, so as to provide funds for ele. edn. If the tax is raised to 36 pies the addl. income in 1950-51 will be Rs.2.5 lakhs. According to the recent Cabinet decision, the Dt. Bd., in this case will be eligible for an addl. contribution in respect of education tax up to 9 pies. The addl. contribution will be Rs.91,000. If this addl. contribution is also paid, the deficit at the end of 1950-51 be reduced to Rs.1.23 lakhs. A subsidy may have to be paid towards this deficit, as this is mainly due to the expenditure of over Rs.3 lakhs on dearness allowance. L.A. may be requested consulted whether any addl. contribution can be made from the General Fund towards the deficit.

4. The President has stated that the Board has to refund a large sum of Rs.2.57 lakhs to Govt., being the excess education cess adjusted to the credit of the E.E. Fund during 1947-48 and 1948-49 and that the Govt. have been addressed for repayment in easy instalments. It is understood that the file on this subject is under consideration in L.A.Dept. They may also be requested to note at what stage the matter now is.

5. The file may be sent to L.A. and Finance for remakrs. They may be requested to treat the case as special as the question of payment of subsidy this year is involved.

'A' above:- The President's letter referred to at 'A' above regarding repayment of excess land cess has been referred to the Board of Revenue for remarks. The Board's reply has not yet been received.

LOCAL ADMINISTRATION DEPARTMENT 9263 3-MAR1950 SECRETARIAT, MADRAS

"Z" on page 1 above in para 2 of the Edn Deptt's note.

2. The R.E. for the current year (1949-50) opened with a balance of Rs.10.25 lakhs under General Account and is expected to close with a balance of Rs.3.60 lakhs after providing for a capital expenditure of Rs.4.87 lakhs from the ordinary account and after meeting the anticipated revenue deficit of Rs.1.78 lakhs in the account. The details of the provision made for the said capital expenditure are as shown below:-

	Rs. (in lakhs.)
Roads ..	3.52
	0.08 (half share on village road works)
	0.12
Rest Houses ..	0.53
Tools & Plant ..	0.37
Secondary Schools	0.25
Other items	
Total	4.87

The provision made for roads is in addition to the provision of Rs.6.49 lakhs made for "ordinary maintenance" and another sum of Rs.3.40 lakhs for post-war Road Development works for which credit for full grant has been taken. The Dt. Bd. should meet the anticipated deficit of Rs.2.25 lakhs in the Ely. Edn. Account for the current year either from the closing balance of Rs.3.60 lakhs under the General Account or by postponing capital expenditure from ordinary revenues. No doubt the Dt. Bd. has to refund to Govt. an excess payment of land cess and education cess to the extent of about Rs.6 lakhs. The Dt. Bd. has proposed to refund the amount in twenty annual instalments and necessary provision has been made in the B.E. for 1950-51 for the first instalment towards refund. Though the refund in 20 annual instalments may not be permitted, an advance to meet the refund can be paid and the advance may be made repayable in 5 or 10 annual instalments with interest according to the financial position of the Dt. Bd. permit. The Dt. Bd. may be asked to make a contribution of Rs.2.25 lakhs in addition to the contribution of Rs.1,03,000/- (Rs.85,000/- usual contribution plus Rs.18,000/- additional contribution already ordered) from the General Account to the Ely. Edn. fund in the current year.

"Y" on page 1 above in para 3 of Edn Deptt's note.

The E.E. budget for 1950-51 is expected to close with a deficit of Rs.1.23 lakhs which should be met by a grant from Govt. No additional contribution can be made from the General funds to meet this deficit, as the General Account itself may have a deficit balance in 1950-51 consequent on the proposed additional contribution of Rs.2.25 lakhs in the current year. The deficit in 1950-51 under the E.E. fund may be greater than Rs.1.23 lakhs if the Board is to refund the entire excess payment of education cess namely Rs.2.27 lakhs.

With reference to 'Z' on p.1 above regarding the anticipated deficit of Rs. 2.25 lakhs in the R.E. for 1949-50 in the E.E. Fund, L.A have stated that the Dt. Board can may be asked to make a further contribution of Rs. 2.25 lakhs from the General Account to the E.E. Fund in the current year. (Therefore no deficit in the E.E. Fund in the ct. year and) Hence, there is no need for the grant of a subsidy by the Govt to cover the defich.

As regards the deficit in the E.E.
