Extract from the file relating to the Amendment of the Elementary Education Act fixing maximum limits of rates of Education tax.

1317

XXX

XXX

XXX

There is no objection to the Amendment Act of 1941 being allowed to lapse on 30-4-1950. In that case the amendment to be made to the Elementary Education Act should be brought into effect from 30-4-1950 itself so that there may not be any interval between the date of expiry of the Amendment Act of 1941 and from the date of coming into force of the new Amendment Act.

The view has been recorded that the maximum rates of education tax may be incorporated in the Act itself namely 36 pies in the case of district boards and 5 per cent of property rentals in the case of municipal councils. At present the District Board, Salem and the following municipal councils are levying education tax at more than the stipulated maxima as indicated below:-

Local Body	Rate of education tax
District Board, Salem	37 pies in the rupee of land revenue.
Municipal Council, Bhimilipatnam	6% of property rentals
" Hindupur	5 $\frac{3}{16}$ % "
" Prodattur	6 $\frac{1}{2}$ % "
" Gudiyatham	5 $\frac{1}{2}$ % "
" Tiruvannamalai	6% "
" Tirupathur	7 $\frac{1}{4}$ % "
" Udumalpet	6 $\frac{17}{24}$ % "
" Tellicherry	6% "
" Cochin	5 $\frac{1}{2}$ % "
" Tiruvallur	6 $\frac{1}{4}$ % "

(There may be a few other municipal councils who may be levying education tax at more than the stipulated rate of 5%)

In the case of municipal councils which are now levying education tax at more than 5 per cent the rate of tax has to be brought down to 5 per cent with effect from 1-4-1950. If not, the levy of the tax at rates higher than 5 per cent will be illegal soon after the amendment of the Act. Separat action will be taken in this regard.

As regards the District Board, Salem, the rate of education tax may have to be brought down to 36 pies with effect from the current fasli itself. Action will be taken separately in this regard also.

PRESIDENT,
District Board, Salem.

Salem District Board Office,
Dated: 27th May 1950.

Rec.No.E4.9181/50.

To
The Secretary to Government,
Education Department,
Fort St. George, Madras.

From
Sri K.S.Subramaniam,
President,
District Board, Salem.

Sir,

TAX - Education - District Board, Salem - Reduction
in the rate of Education Tax - copy of resolution
of this Board - forwarded.

G.O.No.795 Education dated 10-3-50.

I enclose a copy of this Board's resolution No.
29(29) dated 12-5-50, agreeing to the levy of Education
Tax at the reduced rate of 36 pies in the rupee of land
revenue with effect from Fasli 1359.

PRESIDENT,
District Board, Salem.

r/27-5-50.

Extract from the proceedings of the District Board meeting
held on 12-5-50 in the Board High school at Edappady.

29 (29) Note of the President placing before the Board G.O.Ms.
No.795 Education dated 10-3-1950 reducing the rate of Education
tax levied in the area of this District Board from 37 pies in
the rupee of land revenue with effect from Fasli 1359 and
requesting sanction of the Board for the above reduction in
the rate of Education tax.

Note: -In G.O.NO.366 Education dated 25-3-48 the rate of
Education tax was raised from 17pies to 37 pies from Fasli
1357 in the rupee of land revenue and the same was accepted
in D.B.R.No.684 dated 23-3-48. Now the Government have
ordered the reduction in the rate of Education Tax from
37 pies to 36 pies from Fasli 1359 that is from 1-7-1949.
In the Budget Estimate for 1950-51 a credit of Rs.6,71,090/-
has been taken under receipts from Education Tax and this
will be reduced by nearly Rs.18,000/- on account of reduction
in the rate of tax from 37 pies to 36 pies.

D.B.R. Sanctioned.

1. The following are the main points of the report:

- (a) The first point is that the results of the experiment are in good agreement with the theoretical predictions.
- (b) The second point is that the experimental errors are small and the results are reliable.
- (c) The third point is that the experiment was carried out under ideal conditions.
- (d) The fourth point is that the experiment was repeated several times to ensure accuracy.
- (e) The fifth point is that the experiment was carried out by a team of experienced scientists.
- (f) The sixth point is that the experiment was carried out in a well-equipped laboratory.
- (g) The seventh point is that the experiment was carried out in a safe and secure environment.
- (h) The eighth point is that the experiment was carried out in a timely manner.
- (i) The ninth point is that the experiment was carried out in a professional manner.
- (j) The tenth point is that the experiment was carried out in a thorough manner.
