C. RAMANUJACHARI
SECRETARY

29th October, 1949.

Dear Mr. Madhava Menon,

I daresay you remember my having approached you with an appeal in respect of the acquisition of premises No.2/19, Raghaviah Road, Thyagarayanagar, for accommodating the Hostel of the Training School of the Sarada Vidyalaya, which is chiefly intended for destitute young widows undergoing training as teachers. As instructed by you, I immediately wrote to you a letter containing fully the circumstances which led to our proposal to acquire the property; and how it has been held over by the Department without further action on the basis that all Training School have to be taken out of Madras. You very kindly promised to look into the matter and see that the proposal passes through well.

Though it is now 2 months I have not heard anything about the further progress of the matter. And enquiries do not enlighten me as to where the matter is. I am, therefore, venturing to submit to you a copy of the letter I addressed to you then, for further action if necessary now at least.

Pray forgive me for the trouble I give you.
With my best regards,

To
The Hon'ble K. Madhava Menon,
Minister for Education,
Secretariat,
Fort St. George,
Madras.

I remain,
Yours sincerely,

Ramanujachari

Sir,

Sub:--GRANT--Building--Sri Sarada Vidyalaya Training School, Thyagarayanagar--Purchase of a building for the hostel--Inclusion of scheme in the approved list.

Ref:--Government Memorandum No. 85030-B1/49-1 Education dated 11th November 1949. p2ante

14-9-10 mpa

In submitting herewith a copy of the letter dated 7-3-48 from the Correspondent, Sri Sarada Vidyalaya Training School, Tyagarayanagar, I recommend that Government may kindly sanction the inclusion in the list of approved works, of the purchase of premises No. 2/19 Raghaviah Road, Tyagarayanagar, for the hostel attached to the school.

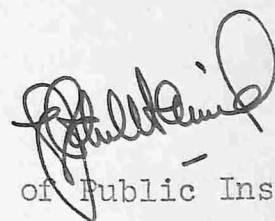

2. In January 1946, the Correspondent requested that the Collector be moved to de-requisition the premises No. 2/19 Raghaviah Road, Tyagarayanagar as the management of the Training School desired to purchase it at a cost of Rs. 25,000/- for locating the hostel. The building was eventually released and the Correspondent took it over in October 1947 and moved the hostel into it. Regarding grant for the purchase, he was asked to move in the matter after the building was de-requisitioned. Accordingly he made an application for grant in March 1948, which was not proceeded with as there was then under consideration a scheme for the construction of permanent buildings for both the High and the Training Schools and the hostels. This scheme has not, however, materialised and so the application for grant towards the purchase of the building for the Training School hostel has to be proceeded with. Though the Training School may eventually become a Basic Training School, yet it is not likely to be moved

moved from the city consequent on such change-over. In the circumstances the scheme for the purchase of the building under reference for hostel purposes may be considered favourably.

3. The Collector of Madras has fixed the fair value of the premises No.2/19 Raghaviah Road, at Rs.24,000/- The Inspectress of Girls Schools, III Circle, Madras has reported that the building is suitable for hostel use and can accommodate about 60 to 75 students. The scheme may therefore be permitted to be included in the approved list as a special case, rendering the management eligible for a grant not exceeding Rs.12,000/- (excluding the stamp duty and registration charges) on the basis of the Collector's valuation.

In my letter dated 11th February 1946, I requested permission for the purchase of premises No.2/19, Raghaviah Road Theagaroyanagar for providing additional accommodation for the hostel connected with the Sarada Vidyalaya Training section of the Mission. This was for want of better arrangements, located in the training school premises. This caused considerable inconvenience as the Training class, Model section and the Hostel had all to be handled together in one place. The opening of the emergency Training section in the same compound made the situation still worse.

Negotiations were completed, subject to the approval of the Department for the purchase of the premises (2/19 Raghaviah Road) as being the only solution for the problem of space confronting the Training School.

The general scheme for the construction of buildings both for the High School and Training School of the Sarada Vidyalaya at an estimated cost of Rs.11,66,834 approved in the D.P.E's proceedings Rc.No.752 D/1940 dated 2-3-1942 and with a revised estimated cost of Rs.3,23,450) provided for a detached block to serve as hostels for both the High School and Training School. The strength of both these schools having since considerably increased, the need for Hostel accommodation for them has also correspondingly increased. This further necessitates the provision for additional accommodation. The desirability of separating the Training School students who are mostly destitute widows and whose maintenance depends largely upon the widow scholarships granted by Government from the High School students seeking hostel arrangements also necessitated the provision of a separate accommodation.

In view of these circumstances permission for the purchase of the premises referred to above as applied for. In my letter of the 11th February 1946, it was clearly explained how the purchase of their building was more economical than the construction of new buildings.

Unfortunately the premises had been requisitioned by Government and were in the occupation of a C.I.D. Dy. Superintendent of Police. It took till October 1947 to have the building derequisitioned and made available to us. The Training School Hostel has been tentatively moved into it.

In the Proceedings of D.P.I. Rc.765A/26-4-46 we were told that we should submit a separate application regarding grant after the building had been released for our use. In our letter dated 2-8-46 we requested the Director, through the Inspectress, to make preliminary reference to the Collector regarding the valuation of the premises to avoid loss of time, the matter being one of urgent necessity. From the D.P.I.'s proceedings Roc.No.5533-K-1/49 dated 5-3-48 it will appear that the Collector considers the purchase amount agreed upon as fair and reasonable. (The Tahsildar has taken Rs.24,000/- as the agreed amount and quotes document No. 74 dated 13-2-46 as the authority. The Document, however definitely mentions Rs.25,000/- as the purchase price)

X

Now that all the preliminaries for the consideration of the question of permission and grant in aid has been got ready, I request that sanction may be accorded for the conclusion of the transaction and that a half grant may be secured towards the purchase amount of Rs.25,000/- and stamp duty and registration of Rs.1,800/- aggregating in all to Rs.26,800/. As the matter has been pending and as the owner Mr. Panmull Sowcar is pressing for finishing the same, I request that early orders may be passed on the matter. In my letter I have explained the most P.T.O.

fully the imperative necessity for purchasing this building as the most economical and satisfactory arrangement. The property is now available for a comparatively cheap price; the Institution is a very important one and is developing rapidly serving deserving and destitute widows.
