EDUCATION DEPARTMENT.

From The Director of Public Instruction, M A D R A S. To The Secretary to Government, Education and Public Health Department.

R.O.C.No.170-M/50 dated 22nd February 1950.

Sir,

Sub:- Basic Education-Basic Training Schools-
Increased rate of stipends-Continuance of
the payment of-Recommend. Ref:- G.O.No.667 Education dated 25-3-1948.

With reference to the above Government Order, I have to state that the cost of foodstuffs has not gone down so far and there seems to be no likelihood of its going down in the near future. Residence is compulsory in Basic Training Schools for both the Junior and Senior grades and they have a common kitchen. It is not possible to maintain two different standards of food and maintain harmony in community life. It is therefore not feasible to reduce the rates of stipends for Basic Training Schools.

The present rate of stipends (Rs.18/- per mensem) for both the Junior and Senior grades in Basic Training Schools has to continue particularly because the manual work involved in the routine of a Basic Training School can be done by the trainees only when they are given a balanced diet.

For the above reasons, I recommend that the increased rate of stipends of Rs.18/- per mensem for both the grades of trainees in Basic Training Schools may be continued for a further period of three years from the school year 1950-51.

Yours faithfully,
R.V. Rudraswami
For Director of Public Instruction.

2. He has now stated in his letter cited above, that there is no possibility for the reduction for the reasons adduced in his letter. He therefore recommends that the same existing system of the payment of a stipend of Rs 18/- p.m. to each of the above trainees, may continue for a further period of three years from the school year 1950-51. This recommendation may be accepted, subject to approval a draft order is submitted.
