Overseas Scholarships (Provincial) - Application for Employment of Scholars.

....

N.B. - This application must be submitted (in quadruplicate) at least FOUR months before a scholar's stay abroad is to come to an end.

1. Full Name (in block letters) V.M. ISVARAN NAMBISSAN

2. Date of birth 15th June 1922

3. Father's Name P. Krishnan Namboori

4. Full address in India to which correspondence should be addressed to the scholar on his return.
Korome Amsom
PAYYANUR Post
N. Malabar Dt.
South INDIA

5. (i) Subject of Scholarship Chemistry
(ii) Exact Branch Electrochemistry | B

6. Year of selection 1945 | A

7. Name of sponsoring Province MADRAS

8. Date of commencement of scholarship (Date of arrival in the country of study). January 1946

9. Date on which the course of his studies is due to terminate. July 1949

10. Approximate date of return in India. July 1949 | M

11. Qualifications prior to Selection.

	Name of College Institute or University attended	Examination Passed	Division obtained.	Year	Subjects Taken
(a) Academic (i) Degree & Post-graduate examinations only.	Presidency College, Madras	B.Sc. (Hons)	First	1943	Chemistry Physics Electrochemistry (Special)
(ii) Post graduate training or research.	Indian Institute of Science, Bangalore	Research in Electrochemistry from July 1943 to December 1945			

(iii) Published works (Give Names of the papers published if any)

P.T

3

	Institution, Co., or Office where trained or employed.	Post or capacity in which employed.	Pay if any drawn (with Scale)	Period.
(b) Practical training and industrial or professional experience gained (including apprenticeship)				

(c) Additional qualifications not covered in (a) and (b) above	
(d) Post held at the time of selection. (a) Name of the post.	Research Student
(b) Pay last drawn and the scale of pay.	
(c) Office or Government where employed.	Indian Institute of Science, Bangalore
(d) Did you resign, or go on study leave terms or on extraordinary leave?	Resigned.
12. Overseas Qualifications Acquired. (a) Name of the country of study	England.

(b) Details of the course of study covered (up-to-date)

	Institution or University etc, attended	Duration From	To	Subject with exact Branch	Some details of the course (if the space is not sufficient, attach a separate sheet.)	Degree, Diploma or Certificate if any obtained
(i) Academic	Northampton Polytechnic	Jan 1946	July 1946	Electrochemistry - Electroplating	Throwing power in some Electrodepositing Solutions	
	Battersea Polytechnic	Sept 1946	July 1947	Evening "Chemical	Course in Engineering"	
	King's College, London	Oct 1946	Aug 1949	Electrochemistry - Electrodeposition	Electrodeposition of Intermediate alloy phases of Silver and Cadmium and the determination of their [illegible]	Thesis for Ph.D. degree submitted in April 1949

ii) rac ical raining.	University of Manchester	August 1947	X-Ray Crystallography	Two weeks' Summer School Course

STRAND, W. C. 2.

Mr. V.M.I. NAMBISSAN has been working with me for the last three years on the electrodeposition of silver-cadmium alloys and the detailed examination of their structures by X-ray methods. He has just presented the results of his work to the University in the form of a Ph.D. thesis, and will shortly return to India.

I wish to place on record that I have found Mr. Nambissan to be a most diligent and reliable worker, competent and of a high degree of intelligence. He has a good knowledge both of electrochemical and of X-ray technique, reads well around his subject, understands the points which are at issue, and is self-critical. He has also been in good personal relations with his fellow-students.

I wish him good fortune and hope that he may obtain a post suitable to his abilities.

AJAllmand

Professor of Chemistry.

GUILDFORD

J.R.I. HEPBURN, D.S., Ph.D., F.R.I.C.
Principal

2nd May, 1949

Mr. V.M.I. Nambissan carried out research under my direction as a full-time student at the Northampton Polytechnic, London, (a recognised Institution of the University of London) during the period January to July 1946. Mr. Nambissan's work over that period was quite satisfactory and he showed a good knowledge of his subject, viz. Electrochemistry. When in April 1946 I relinquished my post as Head of the Applied Chemistry Department at Northampton Polytechnic in order to take up my duties as Principal of the Guildford Technical College, I was unable to give as much time as I could have wished in supervising Mr. Nambissan's work, and in July 1946 he arranged, with my consent, to transfer to King's College (University of London) under the direction of Professor A.J. Allmand.

I have pleasure in testifying that Mr. Nambissan is a capable and industrious worker of pleasant disposition who has made the best use of his time during his stay in this country, and I feel that he should develop into a most useful member of the community in his own special sphere.

(Signed) J.R.I. HEPBURN

DEVELOPMENT DEPARTMENT

To
the Secretary
Development department
Govt. of Madras.

Dear Sir

This is to report to you that I have returned from the United Kingdom after successfully completing my Studies as a Scholar sent by the Government of Madras.

During my three and a half years' stay in the U.K. I took the Ph. D. degree in Electrochemistry of the University of London. I have also taken a one years' course in Chemical Engineering. During my study tours I had occassion to visit Industrial and University centres of several European countries and thus acquired knowledge of their industrial structure in broad outline. I had submitted reports of these tours to the India House, London.

I believe I can be of valuable assistance to your department in the Industrial development of our province by advising you on the proper utilisation of our natural resources as unearthed from time to time, and devising specific plans to suit individual requirements, and in such other ways.

I request that an early opportunity may be given to me to use the experience and knowledge that I have gained.

Yours faithfully
V.M.I. Nambissan

Sir,

Overseas Scholarships. 1945-6.
Sri V. M. I. Nambessan. Employment.

I am directed to say that Sri V. M. I. Nambessan, whose qualfns are given in the Appendix below, was deputed by the Madras Govt under the Overseas Scholarships Scheme of the Govt of I, for higher studies in "Electro-Chemistry" in the U.K. He has returned to India after obtaining the Ph.D. degree of the London University. As there is no immediate prospect of his employment under this ~~Madras~~ Govt I am directed to enquire whether it will be possible for your

48

Govt / the University to absorb him in a suitable post.

99305

Sir,

I am directed to refer to your letter No.82225E2/49-1 Education dated 29th October, 1949, on the subject mentioned above and to state that from the particulars of Mr.V.M.I.Nambissan's qualifications it is clear that his attainments in Electro-Chemistry are of a high order, and a person with these qualifications will strengthen any Teaching department in Chemistry. The Provincial Government is, therefore, requested to explore the possibilities of his employment in Universities. A They may also kindly refer his case to this Ministry for consideration when the Government of India take up the question of appointment of staff in the Eastern ~~Aligarh~~ Higher Technical Institute. B

In conclusion I am to suggest that the Provincial Government may kindly negotiate with other Provincial Governments, particularly the Government of Central Provinces and Berar, the possibility of this scholar's employment, if not already done. A

New Delhi, the 28th Feby. 1950.

To

Dr. V.M.J. Nambissam,
28, Rama Iyenger Road,
Vepery, MADRAS.

Sir,

I am directed to inform you that the Government of India are pleased to offer you a temporary appointment as Assistant Works Manager under training in the Indian Ordnance Factories for a period not exceeding 6 months from the date of your joining duty, subject to the following conditions:-

(i) You will be required to appear before the Union Public Service Commission during the next six months to compete with others for the temporary post to which you are now appointed. If successful you will be required to execute a bond to serve the Government of India for 5 years after appointment. Your pay will be fixed by the U.P.S.C. in the scale of Rs.350-350-380-380-30-590-EB-30-770-40-850.

(ii) A medical certificate of your fitness issued by the Medical Officer-in-Charge of a Military Hospital or by a Civil Surgeon as per enclosed form should, before you join duty, be produced before the Chief Superintendent of Ordnance Factories, High Explosives Factory, Kirkee to which you are hereby directed to report for duty. The medical examination can be carried out at the nearest military hospital on your presenting yourself for examination or, on payment of the requisite fee by you, by the nearest Civil Surgeon. Your appointment will not be effective until and unless you produce the medical certificate as aforesaid and you join duty at High Explosives Factory, Kirkee.

(iii) Your services may be terminated during the period of temporary employment by Government on one month's notice without cause assigned.

(iv) You are offered a pay of Rs.350/- per mensem for the period of six months.

(v) You are not eligible for Travelling Allowance for the journey undertaken for the purpose of joining duty.

(vi) Every effort will be made by the administration of the High Explosives Factory, Kirkee to provide you with single (not married) residential accommodation for which you will have to pay rent. In your own interest, therefore, you should intimate the date and time of your expected arrival at Kirkee a few days in advance to the Chief Superintendent of Ordnance Factories, High Explosives Factory, Kirse so that necessary arrangements for your residential accommodation could be made in time.

(P.T.O.).

2. I am to request that you will kindly say whether you agree to accept these conditions.

3. Your appointment will be cancelled if you do not join duty within 5 weeks of your acceptance of the terms as detailed in this letter.

Yours faithfully,

(Raghunath Pershad)
Deputy Secretary to the Government of India.

The file deals with the question of employment of Sri V.M.I. Nambissan. He was selected in 1945-6 for advanced studies in Electro-Chemistry with the intention to absorb him in the Industries (Govt or private enterprise) on return. He returned to India on 11.8.49 and if a suitable post is not offered to him within five months of his return he is entitled to release from the bond executed by him.

2. The DI of Industries & Commerce, after interviewing the scholar, has reported that it is not possible to utilise his services in his Deptt as there is no suitable post which can be offered to him. He has however consulted private industrialists about the scholar's employment and their replies are awaited. The private industries have not so far absorbed any overseas scholar and in this case also they may give a negative reply. Without waiting for their replies we may proceed to explore possibilities of his employment elsewhere. The DPI, the Cof?, the other Provl Govts & the Universities may be consulted. Subject to orders a draft letter is submitted for approval. After issue, the file may be sent to DCO for perusal & return.
